ministrations is ever before them. They long to be restored to the post offices, to the fat berths in the United States mint and customs service and to the desirable positions in the various departments at Washington and in the nsular service.

The Democratic workers know that if there shall be a large Democratic vote polled in Pennsylvania and a correspondingly small Republican vote the election returns from this showing great Democratic gains will give encouragement to the Democrats all over the country, will put new life in their party and start them out in fine form for the Presidential contest next year.

PARTY MEN ARE ALERT. While Democrats are secretly speculating upon the national political situation and are determined to get any advantage possible out of the election next Tuesday, it is fair to say that many Republicans have been aroused to the importance of the situation, and from now until the ballots are counted will work zealously to have their party make a satisfactory showing in the returns. They propose to go among their neighbors and have them arrange to get to the polis early on Tuesday next. They will impress upon them the fact that one vote for the Republican ticket on election day means more

than a whole year of argument in the cause of Republicanism or in advocacy of its principles. The votes are what count, and this is nother case where action means more

than words. The stay-at-home Republicans are little less than assistant Democrats, and it is to the stay-at-home Republicans that the party organization in this campaign is being urged to direct most attention. If it be true that the Democratic

managers have been carrying on what they might designate a "still hunt" campaign, it is more than ever essential that the Republican committeemen shall offset these tactics by going after the voters and seeing to it that they get to the polls.

The Republican who loans his horse and wagon to the committeemen to carry the voters to the election booth is as much a factor in the campaign full sleeves, flaring dress skirt, as the wealthy man who sends his check to the state headquarters to help defray the expenses of the or-

The association and acquaintanceships thus made place the young men in line for con-

sideration at the hands of the party leaders and frequently to advancement in unexpected quarters. Lincoln, Grant, Garfield, Blaine, Mc-

Kinley, Roosevelt, and, in fact, nearly all the men who have been signally honored by the Republican party started in politics working at their polling places on election day.

Thompson's Barosma, Kidney and Liver Cure

Is not only performing wonderful cures, as the following statements will prove, but all the cures have been permanent, there being no return of the disease or any of the symptoms after a lapse of many years.

E. K. THOMPSON & SON, Titusville, Pa.:-Dear Sirs-Several years ago I was taken with kidney and bladder disease, and suffered with terrible pains, besides losing control of the action of my kidneys and blalder. A number of doctors had my case at different times, but I received no benefit, and was given up as incurable and fully expected death would relieve my sufferings. A friend recommended BAROSMA and I began taking it. At first I could see little change, but after taking about six bottles, I began to get better. I continued to use it and today am entirely cured. I am an old resident of this county and am well known in this section, and consider myself a walking advertisement for your TRULY WONDERFUL medicine, BAROSMA.

Yours respectfully, NATHAN BURDICK, West Hickory, Pa. The first bottle did me so much good that I bought the second and it cured me of female weakness, with which I had been troubled more than two years. I gained in strength and flesh and have been well ever since. This was six years ago.
