RUBERTAN AUGUST TONICS TARRESTS

The well known stock of the McCuen Company—the largest and best selected stock of Honest, Clean, Reputable Merchandise in the Oil Country.

This is to be no timid price cutting affair of a few trifling articles, but at the "Call of Time" on WEDNESDAY Morning, JANUARY 27th, at 9 A. M. the entire stock will be put Down and Out. Neither consideration of price nor the knowledge of the real value of the stock will stay or mitigate this slaughter. With a desperate courage born of necessity prices have been Cut, Slashed, Sawed in Two and Broken Up into Little Bits, so that every dollar spent here during the progress of this sale will net the buyer three to five dollars' worth of merchandise according to ordinary estimates of value. No difference how much you buy. You will be sorry you did not buy more.

### Sale Begins WEDNESDAY Morning, JANUARY 27th, at 9 A. M. and Ends MONDAY Evening, FEBRUARY 15th, at 6 P. M.

The early buyers will profit most. Terms of sale Strictly Cash. Positively no goods charged at sale prices. No goods on approval. No goods exchanged on Saturdays during this sale.

Your money back always for any unsatisfactory purchase. Let nothing keep you away—the hour is set—the date you know. Every article in this tremendous stock is marked in plain figures, so that the reductions can be seen at a glance. A child can trade here as well as an expert. Following are a few of the good things.
