# A Problem for You.

Do you know that any person to sell goods the Old Fashioned Way-On Credit-has to figure on about 10 per cent. for losses. ?

Do you know who pays that 10 per cent? Why, of course, the man who is honest enough to pay for his goods has to pay the extra 10 per cent, profit to make good the "Dead Beat's" account.

I do away with all this, by selling goods for Cash only. I take no chances of losing anything, and take the 10 per cent. off the prices and Give the Honest Man a Chance.

Every article in this store is Marked Down and we will positively sell Cheaper than any one Dare Do, who sells on credit.
