A NEW ENEMY OF IMPERIALISM has arisen—Dr. Mary Walker. She declares that she will not help Uncle Sam out if he gets into any further trouble.

FOURTEEN American officers have been detailed to study the bloody science with the armies of the East. They will be guests of the Mikado and the Czar.

A CARLOAD of flowers was sent from Washington to Cleveland, Ohio, for the Hanna funeral. It took three great vans to remove them from the train to the church.

THE \$3,000,000 worth of new Philippine four per cent bonds seem likely to be taken with avidity. They are issued in accordance with the policy "The Philippines for the Filipinos."

THE Japanese seem to be able to take considerable military exercise although their diet is confined to rice, greens and fish. Perhaps it will be as well for civilized nations not to teach the Japs how to eat beefsteak.

THE report that Admiral Alexieff is the Grand Duke Alexis who toured this country thirty years ago seems to be an entire mistake. He is not at all related to the imperial family, but is an old and accomplished sailor.

JOHN SHARP WILLIAMS, Democratic leader of the House at Washington, is trying to devise a muzzle for his garrulous partisans. If he can find one that is strong and tight he will have proved his right to the second joint of his nose.

THE Virginia legislature has voted to give their evidence in private. As this disposes of one of the pretended excuses for lynching, let us hope that Virginia criminals will hereafter be punished according to law.

IS SAEL among the prophets? The Czar of Russia has actually abolished the censorship on all despatches leaving Russia. It is a bold move at the beginning of a war. It is hoped that the candor will defend Russia from slanders for it will certainly defend her from tiars.

"PEACE! peace!" cries Mr. Cleveland, and the whole Democratic party shouts for harmony, while Bryan, slightly ensconced in the chapeau, takes pot-shots at every Eastern Democrat who raises his head above the breast works. But perhaps this discord is harmony not understood.

SPEAKER CANNON is driving legislation along under a full head of steam, with Hemenway sitting serenely on the safety valve. Appropriation bills are going at double quick. Neither party sees any particular advantage in more long speeches, so adjournment may be reached in a month or two.

CONSUL-GENERAL SKINNER has obtained from King Menelik "favoured nation" privileges in Abyssinia and Ethiopia, and a guarantee to American citizens of immunity to their merchandise. Now let him fetch Menelik to the St. Louis Fair and he can take the wampum belt. Among the courtesies he received were two young lions for the President.

Little Yellow Jackets.

The Democratic party is badly in need of an expert political plumber to repair its pipes.

The Japanese language contains no cuss words whatever. But it probably will in a week or two.

The main trouble with the anti-Roosevelt movement seems to be that it is hardly able to move.

Ex-Pilgrim Bryan has recently begun the free and unlimited campaign of his European experiences at so much per coin. "Democratic victory is in the air," declares Mr. Bryan. It must be a good ways up, for there don't seem to be any sign of it on earth.

A late dispatch from Cleveland, O., announces that Tom L. Johnson's presidential boom has been killed. We are relieved to know it, as we had a suspicion that it had been buried alive.

"What will the Populists do?" enquires the Washington Post. Why, they'll do just like the Democrats, of course—just leave and set a few times and then subside. What else can they do?—Moravian Falls Yellow Jacket.

BRYAN—William J.—we guess, Is a prophet prophetic; Notwithstanding years ago He predicted so and so, Silver still is in retreat And we've struck the "dollar wheat."

A PRECEDENT for the President: On Nov. 15, 1789, President Washington declined to attend the funeral of Mrs. Roosevelt, wife of a Senator, "because it might be difficult to discriminate in cases which might hereafter happen."

Is the Democratic stable there are dark horses enough to drive tandem. The three most conspicuous are General Miles, Judge George Gray of Delaware, and Charles Towne of New York and Tammany—a soldier, a judge, an orator.

INDIANA is ambitious to furnish all the Vice Presidents that are needed. The Republican friends of Fairbanks declare that his is the name to conjure with and the Democrats have cast Mr. Miers to sustain the role of Barkis. Both parties assume that the head of the ticket will be a New Yorker—or thereabouts.

SUPPOSE Japan should win in the Eastern war and should then seize China and marshal under her banners 200,000, 000 brown and yellow men, Mohammedans or pagans. Suppose she should then dominate Asia from the Arctic to the Indian Ocean, and verify the boast of Tomlinson. Would it be a good thing for the white man and the Christian?

STATE OF OHIO, CITY OF TOLEDO, Lucas County, FRANK J. CHENEY makes oath that he is the senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, Ohio, and State of Ohio, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATHARTIC CURE.

Sworn to before me and subscribed in my presence, this 6th day of December, A. D. 1895.

A. W. GLEASON, Notary Public.

Hall's Cathartic Cure is taken internally and acts directly on the blood and mucous surfaces of the system. Send for testimonials, free.

GOOD SPIRITS. Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At Jas. P. Davis.

Best Remedy for Constipation. "The finest remedy for constipation I ever used is Chamberlain's Stomach and Liver Tablets," says Mr. Eli Butler, of Franklin, N. Y. "They act gently and without any unpleasant effect, and keep the bowels in a perfectly natural condition." Sold by Dr. J. C. Dunn.

A Chance for Northern Farmers. Are you tired of our cold, northern winters, with their sickness and disease? Are you tired worrying over the danger of a crop failure and consequent financial ruin? Are you tired of working hard all season without a fair financial return for your efforts? Do you want to avoid all this, and live in a country where the air is always balmy and the climate healthy; where crop failures are unknown and financial troubles vanish; where land can be bought cheaply and taxes are almost nothing; where churches and schools are plentiful and the country thickly settled? All of these advantages can be secured along the line of a double tracked railroad, and with the greatest markets in the United States at your very door. A postal or letter addressed to the undersigned will bring you free of charge, descriptive matter and full particulars.

There is Mr. Christopher Larsen, the leading painter and decorator of that city, who says: "I have not had a sick day since I was cured of kidney and liver trouble, and painter's colic, by Dr. Kennedy's new medicine called Cal-cura Solvent. It drove the disease out of my system, so it never came back. Nothing like Cal-cura Solvent to purify the blood."

A Problem for You. Do you know that any person to sell goods the Old Fashioned Way—On Credit—has to figure on about 10 per cent. for losses? Do you know who pays that 10 per cent? Why, of course, the man who is honest enough to pay for his goods has to pay the extra 10 per cent. profit to make good the "Dead Beat's" account. I do away with all this, by selling goods for Cash only. I take no chances of losing anything, and take the 10 per cent. off the prices and Give the Honest Man a Chance. Every article in this store is Marked Down and we will positively sell Cheaper than any one Dare Do, who sells on credit. PRODUCE TAKEN. H. B. FEIT.
