Convention of Return Judges.

The convention of return jukges elected at the Republican primaries last Saturday met at the court house yesterday afternoon as provided by the rules of the party. Chairman Osgood called the convention to order promptly at 2 o'clock, and Leon Watson of Kellettville, and P. T. Hottel of Clarington were elected clerks, and J. T. Dale secretary. As the full, roll of precincts was called, the delegate representing same handed in the returns therefrom and they were tabulated by the clarks. The result showed the nomination of the following ticket:

Congress, Joseph C, Sibley, Assembly, John H. Robertson. Associate Judge, Frank X. Kreitler. Treasurer, Wm. H. Harrison. National Delegate, W. Leon Watson,

State Delegate, M. E. Abbott. The Chairman declared these gentlemen duly nominated by the party for the

ensuing election. W. P. Crouch, Leon Watson and S. L. Pickens were named as Congressional conferees.

The convention also named F, F. Whit tekin as alternate State delegate.

Geo, W. Osgood was re-elected Chairman of the County Committee for the ensuing year, The successful candidates were called

upon and Mr. Robertson, Mr. Kreitler, Mr. Harrison and Mr. Watson cordially thanked the voters for the support given them at the recent primaries, and promised faithful performance of their duties if elected. All the speeches we liberally

applauded. The ticket nominated is a strong one and a winner, and we would advise our Democratic friends to forego the trouble of putting up a ticket against it, for they will not be in it.

The official result appears in tabulated form elsewhere in this issue.

> THE decision of the Supreme Court in the great Northwestern Security Merger case, was rendered on the 14th instant Mr. Justice Harlan reading it before a crowded court room filled with members of the bar, Senators and Congressmen. The opinion of the court is wholly against the defendants, declaring the merger to be illegal, in restraint of competition, and in contravention of the interstate commerce act. The company which holds the stock was declared to be a trust, against the acts of which the people are entitled to be protected. It will be restrained from exercising any conways, and competition will be restored. The decision is a wonderful victory for the administration of President Roosevelt, and the American people feel that they have a chief executive who has the stamana to insist that the laws passed for their protection shall be enforced.

Do you know that any person to sell goods the Old Fashioned Way-On Credit-has to figure on about 10 per cent. for losses.?

Do you know who pays that 10 per cent? Why, of course, the man who is honest enough to pay for his goods has to pay the extra 10 per cent, profit to make good the "Dead Beat's" account.

I do away with all this, by selling goods for Cash only. I take no chances of losing anything, and take the 10 per cent. off the prices and Give the Honest Man a Chance.
