

THE
Smart & Silberberg
STORES.

**The Last Week of the Big
Summer Clearance Sale**

This Big Store is abloom with choice goods
at Fast Selling Prices.

Most Astonishing Bargains Abound in
Great Profusion.

Prices have been reduced most decisively on the very things you need now
and will have use for until the frosts of autumn come.

1,000 Yards Imported Wash Fabrics.

All we have left of our highest grade goods—Organdies, Etamines, Linen
Suitings, Silk and Cotton Zephyrs—in fact, the left-overs of our 50c, 75c,
80c and \$1 goods, all together on one table and marked 25c a yard.

2,000 Yards White and Colored Waistings.

The highest point the weaver has been able to attain in mercerized fabrics
will be found in this lot. Mostly white goods, but some have a little
dash of black. No higher grade goods were ever sold at any price. Many
of them have the \$1 mark on the original ticket, the rest were 60c to 85c.
All to be closed out at 30c a yard.

Hundreds of Dzens of Valenciennes Laces at 25c a Dozen.
Edges and insertions both, 50 or more different patterns, and we doubt if
there is one in the lot worth less than twice this price.

25c Fancy Ribbons, 10c a Yard.

Sounds like an overdrawn statement, but it's a fact, nevertheless. Several
hundred pieces, all shades and colors, widths 60 and 80. It's only occasion-
ally we are fortunate enough to run on to a soap like this.

\$2.00 Embroidered Waist Patterns, \$1.00 each.

Handsome, white embroidered Lawn, fine sheer quality, with ample in
each pattern to make a waist any style wanted.

Whistler and Boldini.
Here is a Boldini story which goes to
prove that Whistler's method was open
to constant criticism even from his
brother artists. Whistler had finished
his portrait of Mr. George Vanderbilt.
It is a full length standing figure in
black clothes against a black ground.
The original feature of the canvas is
a walking stick held at a rather acute
angle against the right knee, and the
whole effect is very somber. Whistler
asked Boldini what he thought of it.
Boldini leaned forward and said:
"He'll surely miss it. He'll never get
him."
"Miss what? Get whom?" asked
Whistler in amazement.
"Why, the rat in that collar. No
matter how the man strikes at him the
rat will be sure to get away in the
dark."

Cryolite Mining.
The mining of cryolite, or "ice that
never melts," as the Eskimoes call it,
is the chief industry of Greenland.
Greenland has the distinction of con-
taining the only workable deposit of
this mineral in the world. Small quan-
tities of cryolite have been found at
Minsk, in the Ural mountains, and a
trace was found at Pike's peak, in
Colorado. The man who reported the
find at Pike's peak to a capitalist was
informed that if he could produce a ton
he could secure \$150 for it. The mon-
ey was never paid. The value of the
mineral lies in the fact that from it
may be obtained sal soda, or carbonate
of soda, bicarbonate of soda, alum and
caustic soda at a cost below that of
securing these products from any other
source.

A Cordial Invitation is Given to the Ladies of Tio-

**TENTH SEMI-ANNUAL
REMNANT AND CLEARANCE SALE!**

Sale Starts
Friday Morning, July 15th,
at 8 O'clock, and Closes
Saturday Evening, July 23d,
at 10 O'clock.

Twice each year, in the months of JULY and JANUARY, we have these REMNANT and
CLEARANCE SALES.

Purpose of these Sales is to CONVERT INTO READY CASH, STOCKS FOR WHICH THE
SEASON IS ABOUT OVER.

All consideration of profit is set aside and
ACTUAL COST AND LESS, IN MANY INSTANCES, IS THE BASIS
on which these sales are conducted.

Remnants!

We never mention REMNANTS, except twice a year at our SEMI-ANNUAL SALES.
This year there're nearly \$2,000 00 tied up in REMNANTS.

Try to avoid making remnants, as much as possible, yet, in a store doing the large business this store does,
they're sure to accumulate. These \$2,000 worth of REMNANTS are to be sold for \$1,000—that's just half price.
All Remnants have a ticket on with number of yards and Regular Price at the
upper right hand corner. In the centre of the ticket **In Red Ink**, is the Sale Price. You decide yourself,
without any argument, whether it's cheap or not.

**Remnants of Silks, Dress Goods, Damasks, Crashes, Wash Goods, Linings, Curtain Goods, Laces, Em-
broderies and Ribbons.** Many of the Wash Goods remnants, have enough for a waist or an entire dress. Many
Suit Lengths among the Silk Remnants. Many Skirt and Suit Lengths among the Dress Goods. Pay you, at the
prices these Dress Goods Remnants will be marked, to anticipate your wants for Fall.

In the Cloak Room.

Suits, Separate Skirts and Silk Petticoats will be sacrificed.
Don't like the word "Sacrifice," but you'll see how well the word suits the occasion when
we tell you that,

| | |
|--|--|
| \$15.00 Suits will be sold for \$ 8.50 | \$25.00 Suits will be sold for \$12.00 |
| 16.50 Suits will be sold for 9.00 | 27.50 Suits will be sold for 13.00 |
| 18.00 Suits will be sold for 9.50 | 30.00 Suits will be sold for 14.50 |
| 20.00 Suits will be sold for 10.00 | 35.00 Suits will be sold for 16.50 |
| 22.50 Suits will be sold for 11.00 | 40.00 Suits will be sold for 16.50 |

Note that these are half price—nothing Short of a sacrifice.
Remember, All This Season's Styles.

Seperate Skirts.

| | |
|----------------------------|----------------------------|
| \$ 7.00 for \$10.00 Skirts | \$ 9.50 for \$15.00 Skirts |
| 8.75 for 12.00 Skirts | 19.50 for \$30.00 Skirts |

Found ourselves with more SUITS on hand July first of this year, than ever before. De-
termined to make prices low enough at this Sale to clean up this Suit Department.

Sale Down Stairs Includes

Shirt Waists, Hosiery, Underwear, Silks, Dress Goods, Wash Goods, Damasks and Crashes.
REDUCTIONS ON THESE will vary—some, on account of their slow selling character,
will have prices cut almost in half; while on others, the reductions will not be so radical.
Money Saved all over the store will justify you coming to this sale.

A New Feature.

Below we outline a feature of this Sale, that we're the originators of in Oil City.
A Feature so sweeping in it's character that it appeals to everyone.
We practically throw open this great store, and it's stock of carefully selected merchan-
dise, to the buying public and say, "select what you wish, without gain or profit to us."
