# **A** Vision of September.

It is not to be supposed that the average boy is overcome with delight at the approach of school opening. A neat suit of clothes will go far to reconcile him to the inevitable. Possibly a pair of pants and a few "fixings" | re all that your boy needs just now. New things for fail are in and every item in boys' wearables-from odd pants to complete suits, and from shirts to hats-are shown in qualiies that are dependable and styles that are right-with prices, it is hardly necessary to say, that guarantee a saving on every purchase, large or small.
