Exhaustive Representation of the Most Fashionable Effects in Millinery.

Day by day, since the first preliminary opening exhibit, our stock of millinery has grown stronger and more fascinating. Now it is complete, and so captivating that we deem self-commendation excusable.

Pattern hats, in all their airy gracefulness, perfect visions of beauty. Trimmed hats—more elaborate than usual, to be worn with tailor-made gowns. Then, too, our Trimmed Hats for Misses and Girls are beautiful to behold. We have a special line of Women's Hats to show, at

\$5.00, \$7.00 and \$8.00.

These include all the fashionable shades in Browns, Blues, Greens, etc., made up after the newest models.

Suits, Tourist Coats and Waists.

Our second floor was never more interesting to you than now. It is loaded down with so much desirable merchandise that it's hard work to know what to talk about. Suits are shown in endless variety. There is a vast difference in the Smart & Silberberg suits, too. They are exclusive and out of the general run.

Upholstery and Drapery Section.

Our work rooms are prepared to execute orders for all kinds of interior work, such as Shades, Portieres, Draperies, Lace Curtains, Bed Sets, etc. We do the very best of work, and lay particular stress on our modest prices.

SATURDAY—Many special events for this day.

Democrats As Obstructionists.

It cannot be successfully denied that the Democratic party is essentially one of obstruction, hostility and renegeancy, with a decidedly marked propensity for opposition to anything and everything. It sometimes combines with the Prohibition party, whose principles are as diametrically opposed to its own as are those of heat to cold or right to wrong, but over and above all else it is a "fer ninst" party. Its caucuses, primaries and conventions are rarely if ever held until after the Republicans have taken the initiative and blazed the way. Had there been any Democrats in the days of General Washington, they would doubtless have objected to his method of crossing the Delaware, and argued in favor of building a bridge—Oil City Dispatch.

These Figures Speak Eloquenty.

We know that our Democratic friends dislike comparisons and we fear the following will hurt: The number of business failures for nine months of this year was 7718. In 1895, when the Democrats came into power, the failures in the corresponding time numbered 11,140, and in 1896, the last year of Cleveland's administration, they numbered in nine months 11,230, and that was before the defeat of his party. Then the failures fell off greatly.—Lewisburg Saturday News.

Sure, Safe, Quick.

For Liver and Kidneys, Thompson's Barosma.

The test of time is the surest test. Common sense is the collective opinion of the majority of the people. Hence when the test of time and public opinion agree on a state of things, you may feel safe in following that opinion. The principle obtain in medicine as well as in everything else. That which the majority of the people says is right must be right. Therefore the certificate of the verdict on Thompson's Barosma, Kidney and Liver Cure. It has been used for many years by people all over the world. It has stood the test of time, and has the approbation of every one who has ever used it. Not in one solitary instance has Thompson's Barosma failed to accomplish what is claimed for it—the absolute cure for any affection of the liver and kidneys. Most of human physical ills spring from derangement of those organs. The heart, the stomach, the bladder, the nervous system, the mind, all answer the danger to which they sound. Why do you suffer or endanger life with neglect, then, when a slight expenditure for a time-tried remedy will put the blood of youth in your veins again? Rheumatism? That is but one result of kidney ailment. You can and will make kindling wood of your crutches after a short course with Thompson's Barosma. At all druggists. 50c and \$1.

Easy to Vote Straight.

A Republican who desires to vote a straight ticket will find a square on the left side of the ballot in which the word "Republican" is printed in black letters. All that is necessary is to make a cross mark in the space at the right of this party name and it will count as a vote for every Republican candidate on the ballot. It is the easiest thing in the world to vote a straight ticket on the new form of ballot.—Wellsboro Agitator.
