A trade movement of great interest to every woman within reach of this store. In this Store we offer the excess of one of the foremost garment makers in the country. Every garment is an example of the highest type of garment makers' skill and the reduced prices are such only because of the maker's predicament of having more merchandise than demand.

We have taken advantage of the situation and are able to place on sale right at the most opportune time, large lots of strictly high grade tailored suits at less than regular value. Positively the best values for the money this season.

Help Poll the Vote. Den't underrate your own importance in this great campaign. Every individual is a cog in the political wheel, and if he slips or fails he jars the machinery. In congressional contents, one vote has been known to change an election precinct and a small group to change a seat in congress. Besides, if you are vigilant you will set a good example to some other fellow who may be lazy and indifferent, so your vote may really amount to two or more. The independent, thoughtful voters of this country have not permitted the Democrats to control congress for many years. They vote as they please on local and state tickets, but have voted the Republicans control of congress. It ought to be done again for the same reason it has been done in the past. Turn out on election day and help do it.-Pittston Gazette
