TWENTX-SIX STATES SURE For Roosevell With Only Six Doubtful or Not Heard From.

NEW YORK AND INDIANA-SAFE A Victory that Lowery Demonstrates the Pact that the P ople are Sat-Isfled With President Roosevel; and the Republi-

can Party.

The Associated Press dispatches say: The Republican national ticket has been elected by a vote in the electoral coilege that will exceed that of 292 given Mr. Me-Kinley in 1900. The result of Tuesday's balloting was astounding even to the most sangaine of the Republican managers. Confident as they were of succe-s. they were not prepared for the astonishing figures which followed the closing of the polls, bringing into the Republican column not only all of those states they had claimed as safe for Their candidates, but with the possible exception of Maryland, every state classed as doubtful.

FOREST COUNTY RESULTS.

Forest county cleeps the entire Repul lican ticket by the largest given for years, which shows conclusively that the people are satisfied with the conditions of protection, peace and prosperity as they now exist. Following are the unofficial returns of the county so far, and as nearly correct, as we were able to get them up to the hour of going to press: BOROUGH.
