THE President was thankful that the nation is thankful.

UNCLE GASSAWAY was thankful that it did not cost any more.

UNCLE SAM was thankful for the President and the People.

THE small boy was most thankful for a good appetite and the wherewithal to satisfy it. MR. BRYAN was thankful that some of

his particularly dear enemies were in the path of the landslide. JUDGE PARKER was thankful for considerable advertising that is rapidly be-

through. WHEN Bryan gets his reconstructed Democracy all fixed up and in running order, Colonel Watterson will come back from Europe and assure him that it is a perfect piece of work as far as the enacting clause.

THE Democrats are trying to sympathize with Roosevelt for fear the pie will run short with such a large number of office seekers. Why bless you little dears, prosperity is so rampant that Mr, the grace, comfort and dressy appearance Roosevelt is giving offices to Democrats | found in no other garment, A wide range and begging acceptances.

PRESIDENT ROOSEVELT'S statement of his attitude towards the senatorial contest in Missouri is in harmony with the course he has pursued in similar cases. He declines to express a preference for or against any candidate, which is to say that he is entirely willing to leave the matter to the intelligence and fidelity of the Republicans of Missouri.

ONE of the latest political functions in New York is a "buckwheat breakfast" at which the bill of fare includes cider in pitchers, crullers, ginger cookies, mince, apple and pumpkin pies, tomato pickles, baked beans, taked apple with crerm, venison steak, hot biscuit, creamed potatoes, sausage, tea, coffee and buckwheat cakes with maple syrup. The afterbreakfast speech is expected to be brief, if not light and etherial.

Lab.) 2,211, and Parker (Ind.) 2,568-Roosevelt's plurality over Parker is 502,951. The vote for the State ticket shows a falling off. Elkin has a total of 737,978; Thompson, 306,265; Stevens, (Pro.) 30,528; Bacon, (Soc.) 16,536; Grant, (Soc. Lab.) 2,226; Thompson, (Ind.) 4,447. Elkin's plurality over Thompson 427,236.
