Men's Overcoats.

Many a man refuses to do a thing he wants to rimply because some other man tells him to do it. The weather reminds you of the need of an overcoat. Economy will dictate that you look carefully before you buy. The first is a health proposition—the second a money saving one. All Overcoats look alike to you from the outside or through the show windows; but the best way to test the truth is to examine carefully every detail that goes toward the getting up of good clothing-has stood the test for years, and to-day stands first in quality-first in style, first in fit, first in value and your money back if you're not satisfied.

MEN'S OVERCOATS, \$10, \$12, \$15, \$18, TO \$25

Do You Have a Rain Coat?

If you don't you ought to for your health's sake. Our Rain Coats not only afford perfect protection from the elements, but are so feshionable and attractive that they are an ideal top coat for clear weather. Our raiscoats are built with broad, shapely shoulders, cut long and loose fitting and made of excellent Cravanette fabrics in handsome weaves and colorings. We would like to show you the broad variety we have at . 810 to \$25.
