Tailoring.

"THE BEST IS GENERALLY THE CHEAPEST."

In no other merchandise is this so true as Clothing. If everyone knew this as well as clothiers and tailors, there would be no cheap clothing sold.

McCuen Company Tailoring appeals to people who have a faint idea that there is something to look for in clothing outside of the price.

McCuen Company Tailoring is moderately priced. Good, sterling values is the foundation, but Style, Character, Workmanship and High Quality is never lost sight of.

Perhaps this accounts for our increasing business in Tailoring. Cheap Clothing can't fool all the people all the time.

and yet... chairman in the... are going to vote for him... States Senator.

WEST VIRGINIA is fast becoming heir to an unenviable notoriety for crimes of violence. The past few weeks record scores of assaults, shootings, murders and general rows at dances and frolics, and even in churches. Booze is invariably in evidence.

The town of Greenup, Kentucky, claims to have a man who has never kissed a female, smoked a cigar, nor took a drink. There may be such a man as that in the country, but we don't believe he lives in Kentucky, although the name of the town is a little suspicious.

JAMES R. GARFIELD, Commissioner of Corporations, in his recent report, urges Federal control of trusts and denounces State legislation as futile. "The present situation of corporation law," he says, "may be summed up roughly by saying that its diversity is such that it amounts to anarchy."

Two of the Salvation Army men in New York and two young girls of the "army," took the funds they had collected and went to housekeeping. They were finally arrested. It is to the credit of this great organization that instances where the persons employed prove false are very rare. Much good is done at little cost.

The Senatorial situation in New York has been simplified by the withdrawal of all opposition to the re-election of Senator Chauncey Depew, and a serious jab between the Platt and Odell factions has thus been averted. The people seemed to be with the happy after-dinner speaker, making his attempted defeat an unpopular move, and so it was abandoned by the Odell-Black combination.

In the caucus of the Republican legislators at Harrisburg Monday evening Senator Knox's name was the only one presented for U. S. Senator from this State, and he was unanimously nominated. His election will take place on the third Tuesday, or 17th, of the month, both for the short and long term. The caucus also voted to adjourn the legislature finally on the 18th of April, making the session one of the shortest in history.

A BILL has been introduced at Washington providing for granting to all rural free delivery carriers who have been in the service for over a year prior to July 1, 1905, a leave of absence of fifteen days without loss of pay, and to carriers less than one year in the service leave of absence of one and a quarter days for each month served. By passing such a bill, Congress will only be extending to the rural free delivery what has long been the rule in all other branches of the postal service.
