Statement.

EDITOR REPUBLICAN:-Finding there is some misunderstanding of the position I have taken in my campaign for County Commissioner, I desire to explain that if elected I shall not charge in excess of \$500,00 per year for my services as County | knowledge that he needs the money. Commissioner and also poor overseer, The total of my charges to the County for and linings ever shown in Tionesta at my services of all and every nature will Hopkins' store. not exceed \$500.00 per year.

W. A. GROVE. -(adv.)

DELAWARE has had a succession of senatorial deadlocks for ten years. The -Everything goes at cost and many the Delaware Republicans will recover more.

mmensity of their crop last year, are dark. getting ready to plant more cotton than

In a thoughtless moment Mr. Bryan says "Whatever the people want is right," And by the way the people didn't want Mr. Bryan.

In about a million years according to t Chicago professor, men will be transformed into birds. Many of the "ladies" already come under that classification.

J. EDWARD ADDICKS says he will not accept an appointment in the diplomatic service. Aside from the fact that be has not been asked, he may have other rea-

MR. BRYAN does not guarantee that the reorganization of the Democratic party will not be at ended with some danger to Arthur P. Gorman and other "innocent

PROPRET ELIJAH Dowls has sent word from Mexico to the shivering and rebellious hosts of his Zion, near Chicago, to "keep cool." The advice is easy to follow in Chicago at this time of year.

Some writers on the Panama canal doubt if it will be necessary even to build tidal locks on the Pacific side, their position being that the water will find its own level without difficulty. It is gratifying to known that the sea level plan grows stronger as investigation proceeds,

WESTERN cattle raisers and stock shippers have begun a fight against the Beet Trust and have furnished the government startling evidence to prove the charges of discrimination. Their testimony is said to show that many livestock men in the southwest have been made paupers by the Trust's system of lowering prices for cattle on the hoof.

A CHICAGO professor sums up creation in this fashion; "Life originally hap pened. Life is made up of certain organic compounds. The compounds came together in some manner, and the result was life." But where did the compounds come from, and how did they happen to happen in a progressive way instead of asppening not to bappen?

THE most consequential person in the world, if we may judge by appearances, is an attache of a foreign embassy. Covered with tags and tape and all sorts of tomfooleries, and holding his head high, he appears to look with unutterable contempt upon everybody and everything. These fellows sometimes make man doubt the wisdom of the law against homicide.-Punxsutawney Spirit.

WAR and evil conditions arising from misgovernment are sending the Europeans to this country as never before. The Slav is coming with his sisters and that, if elected, I will perform the duties to stay. The Italians are arriving by of the office faithfully and well, and at a the ship load, three in ten of all who come here being from the land of the sunny skies and short rations. Records Very respectfully,

Wonderful

And the more you know about Clothing the more wonderful it is Messrs. Hackett, Carhait & Co have learned how in their great retail stores on Broadway, where for years they have catered to the most fastidious clothes wearing people on this

But wonderful as the clothing is, the results are still more wonderful, A recent poll of the University Club, one of the most aristocratic in New York, disclosed the fact that more than half its members were Ready-to-Wear Clothing.

This Clothing is making new converts to the Ready to Wear Idea every day, and it is to this Clothing that we call the attention of oil country people now, at the beginning of this spring and summer season, while our assortment is complete and unbroken.
