Republican Ticket.

Associate Judge, DAVID B. SHIELDS. Prothonotary, J. C. GEIST. Sheriff, A. W. STROUP. County Commissioners, ANDREW WOLF, LEONARD AGNEW, W. H. STILES, CHAS. F. KLINESTIVER. Jury Commissioner, J. B. EDEN.

ANNOUNCEMENTS.

County Superintendent. We are authorized to announce that Prof. D. W. MORRISON, of Tionesta, will be a candidate at the forthcoming Convention of School Directors, May 21, 1905 for the office of County Superintendent of Schools.

Republican County Convention.

The return judges representing the several election precincts of Forest county met at the new opera house in Tionesta yesterday at 2 o'clock and were called to order by Chairman Osgood. J. T. Dale was named as secretary of the meeting, and Jas. D. Davis and Leon Watson were appointed clerks. The returns were handed in and showed that every one of the 25 precincts, except the Watson Farm, were represented. The returns were computed and showed the following gentlemen were nominated for the various offices to be filled, and each was in turn duly declared the party's nominee:

Associated Judge, D. B. Shields of Jenks township. Prothonotary, J. C. Geist of Howe township. Sheriff, A. W. Stroup of Tionesta township. County Commissioner, Andrew Wolf of Tionesta township; Leonard Agnew of Tionesta borough. Auditors, W. H. Stiles of Hickory township; Chas. Klinestiver of Green township. Jury Commissioner, J. B. Eden of Tionesta township. State Delegate, Geo. W. Holeman of Tionesta borough.

Upon the completion of this business the convention proceeded to the election of a Chairman of the County Committee for the ensuing year. The only name presented was that of H. S. Brockway Esq., of Jenks township, and he was unanimously elected. Mr. Hall of Redelyff, in placing Mr. Brockway before the convention, paid a neat compliment to the retiring chairman, Mr. Osgood, for his good work for the party in the past.

Kinging resolutions endorsing the great work of the Republican party in the past, and pledging loyal support to the ticket nominated, were enthusiastically adopted and will be printed next week. The convention was harmonious and good natured throughout, and adjourned with the best of feeling all round. The official vote is given elsewhere in this issue.

Of the ticket nominated it can be truthfully said it is composed of clean, honorable gentlemen, peculiarly fitted for the duties of the offices for which their party has named them. Every one of them is a staunch and loyal Republican and deserving the hearty united support of the party in the fall, for the canvass was honorably made between gentlemen, lacking every element of bitterness or mudslinging—the clear choice of the party itself.

There was a race riot in Coffeyville, Kan. It had occurred elsewhere, people would have sworn it originated in Whiskeyville. The South is showing the President that while his politics may be cut on the bias occasionally, it always keeps its hospitality on straight. It now appears that the Red Trust did keep books after all. It is pretty difficult for the members of a combine to "trust" each other without a black and white record.

Official Vote of the Republican Primaries of Forest County, April 15th, 1905.

Table showing official vote counts for various districts and candidates including Judge, Sheriff, County Commissioner, and J. Com. St. Del.

J. C. Geist, for Prothonotary, etc., received 1305 votes in the county. For County Auditor, Chas. F. Klinestiver received 1203 votes, and W. H. Stiles received 1090 votes. These gentlemen had no opposition.

Gov. McDONALD has refused to call an extra session of the Colorado legislature. That new governor seems determined to make himself popular.

Gov. FOLK tried to close the saloons in St. Louis on Sunday, but the local authorities decided that there was only a constructive recess between Saturday night and Monday morning.

CHAPLAIN BRADFORD of the Illinois legislature prays that the President might be spared from the wild beasts of the Rockies. Timely and appropriate, but shouldn't some one say a word for the "wild beasts" when T. R. gets after them.

PENNYPACKER is going to have a fine time after the adjournment of the Legislature writing vetoes and otherwise enjoying himself with the raft of stuff forced through the Senate and House in the closing days.—Harrisburg Telegraph.

If the Governor approves the bill now in his hands the question of good roads will be settled for the next two years at least. The measure provides for a large proportionate increase in the State's share to be paid toward the building of fine roads. It appropriates \$6,000,000 for road improvements, to be expended on the following basis: The State to pay five-sixths of the cost of each road improved and the county and township to pay each one-twelfth. This means that the State increases its share in the cost of good roads construction from 66 2/3 to 83 1/3 per cent. The property holder fronting on the improved road is not charged a cent in addition to his proportion of the township and county tax. Such liberal treatment ought to stimulate good road building in the State enormously and immediately.

According to a statement in the Harrisburg Telegraph doubtless based upon a careful summary of all the bills passed by the Legislature, the total amount of appropriations which have got through will exceed the State revenues for the next two years by from \$4,000,000 to \$5,000,000. This leaves the Governor with a pretty big job on his hands. We have no reason to doubt the substantial accuracy of the figures. The Legislature was a very good-natured body, and was well pleased to gratify its members generally in passing their various appropriation bills—though the committee has done some hard work—and the conditions now confronting the Governor are about as usual upon an adjournment. Fortunately, Governor Pennypacker is admirably equipped for the task before him. No one will have better information as to the different appropriations, and he has the courage to act upon his information and convictions.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. Sold by Druggists, 75. Hall's Family Pills are the best.

About Rheumatism. There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by Dr. J. C. Dunn.

Dwelling for Rent. Hunter House, at the depot, 7 rooms, water in house, good garden plot and fruit. Call on Capt. Clark, at McKinley's plumbing store.

Chamberlain's Cough Remedy the Best and Most Popular. "Mothers buy it for croaky children, railroad men buy it for severe coughs and elderly people buy it for a gripper," says Moore Bros., Eldon, Iowa. "We sell more of Chamberlain's Cough Remedy than any other kind. It seems to have taken the lead over several other good brands." There is no question but that this medicine is the best that can be procured for coughs and colds, whether it be a child or an adult that is afflicted. It always cures and cures quickly. Sold by Dr. J. C. Dunn.

Wonderful CLOTHING

And the more you know about Clothing the more wonderful it is. Messrs. Hackett, Carhart & Co. have learned how in their great retail stores on Broadway, where for years they have catered to the most fastidious clothes wearing people on this earth. But wonderful as the clothing is, the results are still more wonderful. A recent poll of the University Club, one of the most aristocratic in New York, disclosed the fact that more than half its members wore Ready-to-Wear Clothing. This Clothing is making new converts to the Ready-to-Wear Idea every day, and it is to this Clothing that we call the attention of oil country people now, at the beginning of this spring and summer season, while our assortment is complete and unbroken.
