Resolutions.

At the Republican convention of return judges held at the opera house Tuesday of last week the following resolutions were unanimously passed:

1. We, the Republicans of Forest County, in convention assembled, reaffirm our adherence to the principles of the grand old Republican party, and hail with delight the prosperity now enjoyed throughout our country.
2. We approve of the wise, progressive and statesman-like administration of President Roosevelt and commend his efforts in behalf of the people and in opposition to illegal combinations and trusts, and his earnest endeavors to bring to a successful termination disputes between capital and labor, likewise his earnest determination to carry out all the pledges of the national platform of our party.
3. We rejoice to know that through his wise administration, assisted by his able Cabinet, peace reigns throughout our borders, and we recognize in Secretary Hay a wise and able diplomat, whose achievements in adjusting international questions, both in peace and war, have made us a great world power, thus stirring the pride in every loyal American heart.
4. We cordially endorse the wise and business-like administration of Governor Pennypacker, and recognize in him a careful and scrutinizing executive, carefully guarding the best interests of the State, and having a watchful eye on vicious legislation, and his skill in wielding the veto ax.
5. We rejoice to know that Forest County has again emphasized the fact that she endorses the principles of the Republican party by the large vote polled at the recent primary election, and we call upon all good citizens in the county to use their influence in favor of public policy, and to eliminate from our elections everything that has a tendency to demoralize our citizens and voters.
6. We emphatically endorse the ticket this day placed in nomination, and we pledge to our nominees our earnest and undivided support.

THE BURIAL LEAGUE of the United States.

Home Office, - Pittsburg, Pa. \$100,000 CASH CAPITAL.

The League was organized a few years ago with \$50,000 capital but has recently been increased to \$100,000 capital stock, and writes the best contract on the face of the earth. Every man, woman and child should join the League. There is no "wild cat" nor "blind tiger" business about it. They make a plain contract to pay for a \$100 One Hundred Dollars Burial \$100 and charge only a small payment each year. On a child under 10 years old it only costs 50 cents a year. Every claim is guaranteed by a bank draft attached to contract. There is no hot air proposition about it. It takes money to pay the undertaker when you die. Your people select the place and what you want to be buried in.

The League Pays the Bill to the Amount of \$100.

If you wish a more expensive funeral the League will pay \$100.00 on the bill and you pay the balance. If anybody disputes the above, report it to any of our agents and we will take pleasure in showing you that every word of it is true. We are now doing business in 22 States and our business is increasing by leaps and bounds. It costs you only \$1.00 to join The League.

Yours respectfully,
JAS. WILSON, Manager,
Room 1, Centre Bldg., Franklin, Pa.

TRIBUTE TO JEFFERSON.

Ex-President Cleveland Speaks Feelingly of His Departed Friend.

Princeton, N. J., April 25.—Ex-President Grover Cleveland at his home "Westlands" paid a tribute to Joseph Jefferson, who died at Palm Beach, Fla., Sunday. Mr. Cleveland seemed deeply affected. He gave the following statement:

"It is difficult for me to speak of Mr. Jefferson. He was closely my friend, his delightful traits were so made manifest to me in confidential intimacy and my love for him was so great that his death caused me to feel like a mourner whose sorrow should be silent.

"All knew my friend's professional supremacy and his conscientious service in professional work; many knew how zealously he defended dramatic art and how completely he illustrated the importance of its cleanliness; many knew how free he was from hatred, malice and all uncharitableness; but fewer knew how harmoniously his qualities of heart and mind and conscience blended in the creation of an honest, upright, sincere and godfearing man.

"I believe that in death he has reached a world where the mercy of God abounds; and I know that in the world of men, the sadness of his loss will be felt the most by those who knew him best."

Suit Against Gilman Estate.

New York, April 25.—The suit of Helen Potts Hall, who claims to be the adopted daughter of the late George F. Gilman, the millionaire tea merchant, to recover from George H. Hartford, a partner of Gilman, one-third of \$700,000 which he received in the sale of the business, was begun before Justice Fitzgerald in the supreme court. In her complaint Mrs. Hall alleges that Hartford agreed to give her one-third of what he got in settlement of the estate if she would withdraw her claim, and that he failed to keep his promise. The defendant alleges in his answer that the agreement with the plaintiff was obtained by fraud and deceit.
