Acts Do Not Constitute Cause For Impeachment but Warrant Removal by the Legislature Under Section II of Article VI of the Constitution. Special Order For Thursday.

Albany, May 2. - Legislative proeeedings for the removal of Justice Warren B. Hooker of the Eighth judicial district from the supreme court bench of this state are unanimously recommended in the report of the assembly judiciary committee to that house of its investigation of the charges affecting the justice.

The report is signed by 11 of the 13 members of the committee as follows: Fish of Madison (chairman), Mead of Albany, Wemple of Schenectady, Moreland of Chemung, Steele of Herkiof Opondaga, F. G. Mr. Perham of New York died in March and Mr. Everett of New York has not attended any of the committee's hearings by reason of continued illness.

Messrs. Mead and Wemple sign the bllowing memorandum which is attached to the report: .

"We have signed the foregoing report with great hesitation, believing there is grave doubts as to the interto the facts in this case."

Committee's Recommendations, "We are of the opinion," says the committee, in the recommendation which closes its report, "that the acts of said Warren B. Hooker bereinbefore set forth in the several findings of fact do not constitute cause for impeachment under the provisions of section 13, article VI of the constitution of this state and of section 12 of the code of criminal procedure, for the reason that such acts were not committed in the course of the discharge of his official duty and do not constitute wilful and corrupt misconduct in

"We are of the opinion that the acts of said Warren B. Hooker hereinbefore set forth in the several findings of fact constitute and are cause for his removal under the provisions of section II, article VI of the constitution of this state.

"We recommend that proceedings be taken by the legislature for the removal of Warren B Hooker from the office of justice of the supreme court in pursuance of and in accordance with the provisions of section II, article VI of the constitution of

this state." The conclusions upon which these recommendations are based practically summarize the alleged acts of Justice Hooker upon which the committee has been taking testimony for nearly two months. These conclusions are as follows:

Conclusions of Facts. "First-That, in our opinion, said Warren B. Hooker and George W Beavers both knew that the appoint ments of said Frank P. Ball, as la borer and clerk in the Fredonia post office, were unnecessary; and that by reason of the acts of said Hooker and Beavers, and the acts of Ball in connection therewith, the United States was defrauded of said sum of \$2, 532.07; and that the reason and motive which influenced Warren B. Hooket in procuring the appointment of Ball. first as laborer and then as clerk in said postoffice, was that Ball might thereby obtain money with which to pay the said note of \$3,040 upon which Mrs. Hooker was endorser; that the said acts of said Warren B. Hooker were immoral and show a personal un fitness in him to occupy the position

of justice of the supreme court. "Second-That, in our opinion, said Warren B. Hooker knew that the ap pointment of Maurice Hooker to the position of laborer in the Fredonia postoffice was unnecessary. That by reason of the acts of said Warren B acts of said Beavers and Maurice Hooker, connected therewith, the Unit ed States was defrauded of upwards of the sum of \$500; and that said acts of said Warren B. Hooker were immoral and show a personal unfit ness in him to occupy the position of justice of the supreme court.

"Third-That, in our opinion, said Warren B. Hooker and George W. Beavers knew that the appointments of Thomas O'Neil, Henry J. Pember ton, George Cooper, Minerva Jeffrey and that by reason of the acts of sale Hooker and Beavers in connection with the appointment of said Or Caldwell and Thomas O'Netl the Unit ed States was defrauded of the sun of \$276.66, paid to said Caldwell and the sum of \$126.66, paid to said O'Neil That the acts of said Warren B. Hook er in connection with the appoint ments of Caldwell and O'Neil were culpable and show a personal unfit ness in him to occupy the position of

justice of the supreme court. "Fourth-That, in our opinion, the transaction between Katherine K Clark, Melvin H. Taylor, Warren B Hooker and George W. Beavers, re garding the appointment of said Clark to a position in the Fort Plain post office and her transfer thence to a clerkship in the postoffice at Fredonia, was an evasion of the United States action was immoral and corrupt and

"Fifth-That, in our opinion, the acts of said Warren B. Hooker in con- Short Items From Various nection with the procurement of the judgment against the city of Dunkirk were corrupt and immoral, and show a personal unfitness on the part of said Warren B. Hooker to occupy the position of justice of the supreme court." Accompanying these conclusions and

recommendations are eight findings of fact, based upon the testimony which has been reported during the progress of the investigation. The report was received in the as-

Franklin Havens Lost Hls Life From an Alleged Joke,

Albany, May 2.-Franklin Havens, secretary of the Albany Board of Fire Insurance Underwriters, was shot by Miss Julia Craver, a clerk in his employ late vesterday afternoon in his mer, Cunningham of Ulster, Schoenck office and died soon after 11 o'clock

Miss Craver, who is under arrest, claims that the shooting was accidental and the police say they have found no evidence to cast doubt upon her

Havens was unconscious till death and therefore unable to make any statement. Miss Craver, who is almost prostrated over the affair, is confined in the house of detention of the local Humane society.

She claims that she pointed the revolver, which was the property of pretation of section II of article 6 of Havens and which has been in a pigthe constitution and its application eon hole in a cabinet in Havens' office for a long time, at him in a spirit of fun as he was entering the room in which she stood, commanding him to

throw up his hands. He had told her, she asserted, that the weapon was not loaded, and she declares that she pulled the trigger three times before the weapon exploded. An examination of the pistol confirms this statement. It contained six cartridges and two of them in addition to the one discharged had indentations from the hammer.

The bullet entered Havens' right emple and penetrated the brain. Mr. Havens was 35 years old, comes

of a wellknown family, married and the father of two children. Miss Craver, who is 22, is also well connected and bears an excellent reputation. She has been employed in Havens' office for more than a year.

The case was taken to the supreme court on the plea that the grade of killing should have been fixed at second degree murder. The supreme court now upholds the lower court.

Long Winded Orntors.

Edmund Burke's greatest speech is generally considered to have been the one on "Conciliation with America." The report of the speech, supplied by Burke bimself, runs to as many as thirty-two pages. It contains over 30,-600 words. It, therefore, could not have been delivered under less than five hours. It is curious, by the way, how long winded all the great British orators were in Burke's time. The older Pitt was the first to indulge in long speeches in the house of commons. After he had delivered one of these famous orations he was bailed by crowds outside the house with enthusiastic cries of "Three hours and a half! Three hours and a half!" "Just as if a man can talk sense for three hours and a half," remarked the cyni cal Chesterfield, who happened to pass

Woman Discovers Plan to Place Dynamite on Tracks and Is Badly

Beaten. Uniontown, Pa., May 1 .- A deliberate attempt to dynamite at Le Mont on Wednesday night the Pennsylvania railroad passenger train due here at 7:47 p. m. was frustrated by a woman and is being investigated by officers

of the company, Mrs. Sadie Lewis of Le Mont has reported to the officers that she heard two men say that they had a grievance against the Pennsylvania railroad and that they planned to place dynamite on the tracks. The men started toward the railroad, and Mvs. Lewis, hoping to thwart their plans, followed them. Seeing that they were discovered, the men beat her unmercifully, threw her across the track and

Mrs Lewis was unconscious for a few moments, but recovered as she heard the train approaching. By the light of the engine she saw the sticks on the rail, brushed them aside and escaped with only a few seconds to spare. Uniontown officers were notified. They found Mrs. Lewis badly beaten, her head severely cut and both eyes badly swollen.
