BUSH.

All that was mortal of Steven Bush was laid to rest in beautiful Riverside cemetery Monday afternoon at 3:00 o'clock. After an illness that confined him to his room about six weeks-although he had not been in robust health for some years -death claimed him at 6:10 o'clock Saturday morning, June 3, 1905, tubercular trouble being the cause.

Steven was the third son of Samuel and Elizabeth (Stroup) Bush, and was born at what was then known as Lacytown, now Nebraska, Forest county, Pa., Dec. 9, 1858, and at his death was nearly 46 years and 6 months of age. The most of his life was spent in this vicinity, and some years ago he was married to Miss Sarah Salsgiver, who with one son, Theodore, surviyes him. After his last illness came upon him he was not again seen on our streets, and his familiar figure was missed by many friends, for he had many. Short services were held at his late home and at the graye, Rev. W. O. Calhoun officiating, and his remains were followed to the tomb by a large concourse of our

Most of these were present at his funeral. And in this connection the relatives desire to thank the Tionesta friends for the acts of kindness shown their brother in his last illness and after his death. Peace to his ashes.

Beech, birch and soft maple are the woods employed in the manufacture of these wares, which the institution gets from the Wheeler & Dusenbury company, who also furnish the land, covering several acres, upon which the plant and town is built. We wish to say a word in commendation of the umpiring of Mr. Liebrich, of Titusville. It was the fairest ever seen here and he gave excellent satisfaction to One of the busy and thriving indusboth players and spectators, not the semblance of a kick being made against his decisions. He was particularly good on balls and strikes, giving his decisions loud enough for all to hear.

The nearest that Titusville came to scoring was in the third inning. One man had walked and advanced on Swanders' short hit. Then Bankhead allowed another to walk, thus filling the bases. This made it look serious, for a hit meant no telling what. A hot grounder was picked up by Arner, who sent the ball home to Lawrence, who caught his man easily at the plate. Then "Billy" brought down the next pair on a pop fly to Arner and a strike out, retiring the side, and spoiling the visitors' only chance to score. After the game acting manager An-

drews, who accompanied the team, of fered a nice sum to Arner, Lawrence and Haslet to join them for the season, but they preferred to stay with their home team. The three named did go with him Saturday to Sheffield, and we understand had much to do with winning the game for Titusville against the strong N. A. C. team by a score of 5 to 3. Titusville got all her runs in the fifth inning. Arner got a two-bagger and Lawrence and Has let each a single and all scored. The batteries were, McMillan and Lawrence, Balley and Barney. Arner and Haslet oined Titusville to play at Clarion, Monday, Emlenton, Tuesday, and St. Bonayenture, Wednesday, at Titusville.
