Letter to T. F. Bitchey, Tionesta, Pa.

DEAR SIR:—It's the same everywhere; can't guess little enough.

Mr. C. O. Brown, Columbia, S. C., employed an experienced painter to paint his house. The painter on seeing the quantity sent to the house—Dyvoe—said there wasn't enough. There were ten gallons left, when the job was done.

It's the common experience.

Yours truly, F. W. DEVORE & CO., New York.

—In order to be devout it is not necessary to be ceremonious.

### Children's Day Exercises.

Last Sabbath, June 11th, was made memorable in the Presbyterian church of Tionesta, Pa. It was Children's Day, and a service beautiful and impressive in its simplicity, was rendered by the children of the Sabbath school. The pulpit was beautifully decorated with flowers, palms and growing plants, the blue and creamy tints of the iris blending with the yellow, white and red of the roses and lilies; while through all gleamed the beautiful green of the ferns and foliage giving that artistic touch which so pleases the eye. The stars and stripes added their glory to the decorations. The largest offering ever made in the Presbyterian church was consecrated to the work of Sabbath School Missions, it being seventy-six dollars and eighty cents. The pastor gave a talk to the boys and girls, frequently interrogating the children and they responded heartily and cheerfully. In conclusion the preacher complimented them on their attention and thanked the committee for their faithful work and complimented them on the splendid results. That the congregation was not disappointed was manifested at the close of the service by the congratulatory handshakes, the quickly passing word of praise, and the gratified looks that bespoke satisfaction and pious pride.

M. E. CHURCH.

The M. E. church was crowded on Sunday evening to listen to the Children's Day service which was rendered in a most pleasing manner, every number on the program being rendered with credit both to the performer and the committee in charge, the latter being composed of Miss Olive Lanson, Mrs. Henry Dove and Mrs. J. P. Huling, and they are entitled to great praise for their arduous labor and were deserving of the hearty congratulations which both they and the young people received on the success of the exercises. Mrs. Derrickson's class and Mrs. Hagerty are entitled to credit for the beautiful decorations.

The S. & M. team, of Titusville, representing the cutlery works, will play the Tionesta regulars here next Saturday afternoon at three o'clock. This will be a good game as the visitors will have a strong aggregation. They recently held the Titusville regulars down to a score of 3 to 2.

TIDOUITE JRS. 3; TIONESTA JRS. 14.

A team composed of the Tidouite Juniors came down Saturday for a game with our juniors. The visitors were too light for the home boys and were outclassed all around, the result being a very much one-sided score. And yet the boys got plenty of fun out of the game. The teams were composed of the following players: Tidouite—McBride, m.f., J. Hanlon, c., Thompson, 3d, B. Mowris, p., Summerton, lf., R. Hansen, ss., Atkins, 2d, N. Cartney, 1st, Daye, rf. ### To Men:

We want to say a few plain matter-of-fact words. This is a peculiar store. There is not a store anywhere that is more anxious for your money. But no store in existence will give you more for it and no store in existence will do as much to protect its customers as this store.

We are not the only honest store in Oil City, but we go to extreme lengths with our honesty and we do so simply and solely because it pays.

We have no smart clerks, no small tricks, no petty misrepresentations or humbug. The swarthy laborer with his tin pail has to pay the same price as his kid-glove neighbor, and our constant study is to sell only reliable goods and to sell them as near the actual cost of production as it is possible to do.

We don't want your money until you are satisfied you are getting more for it than you can get anywhere else and you can have it back any time that you call for it. You don't even have to tell us why you want it back, it is enough for us to know that you do. If you want to do business with that kind of a store, drop in any day you are in the city and get acquainted.
