The ladies of the Tionesta W. C. T. U. enjoyed a basket picnic yesterday in the grove above the cemetery overlooking the beautiful Allegheny river.

Avoid overheated kitchens by getting your bread and cakes at the White Star Grocery. The famous "Table Queen" bread kept fresh every day.

Note the change of time in schedule of the Sheffield & Tionesta railway. The running time of the passenger trains has been increased considerably between Nebraska and Sheffield.

The L. O. T. M. will give a lawn fete and serve ice cream and cake on Mr. Robertson's lawn, Friday evening, July 14th. If it should rain, in G. L. Davis' room. Everybody invited.

It was the quietest, most orderly and altogether decent Fourth of July Tionesta has experienced in many years. Everybody took a day off, rested, visited and attended two good ball games.

Quite a number of Nebraska people suffered severely from ice cream poison on the Fourth, the family of James Jones being in a precarious condition for several hours before relief reached them.

Rev. Dr. Sionaker's subjects for next Sabbath at the P. S. church are: Morning—"A Heart-Searching Question and Answer." Evening—"What a Twentieth Century Man Must Do in Order to Become a Christian."

The pupils of rooms 2 and 3 of the Tionesta high school joined their teachers Miss Carpenter and Miss Norlin, in a delightful picnic at Endeavor yesterday. They were conveyed to the picnic grounds in Canfield's carry-all, and "just had an awful good time."

James Barrett, employed at Clough's mills, Howe township, was instantly killed on the 30th ult., by being caught in the large driving belt which he was attempting to throw onto the pulley while the engine was in motion. He was aged about 25 years and leaves a wife and one child.

The Queen City tannery at Titusville, with which many of our citizens have done business in the past, has passed into the hands of the U. S. Leather Co., the transfer having been consummated last week. The new owners announce that the concern will continue to run the plant without interruption.

Marienville lost one of its most highly respected citizens in the death of John M. Snyder, which occurred on Thursday last week. The deceased was aged 64 years and besides his wife is survived by four daughters. Funeral services were held on Saturday and the remains were interred at Shippensburg, his former home.

The Oil City race meetings will be held next week, beginning on Tuesday and continuing four days, or over the 21st inst. The circuit includes several counties in this part of the State, and some of the best spidders in the country will be on the track, which has been put in fine condition for the big event. If you are fond of fast horses you should take in these races.

John McMillan, who has often twirled the ball for and against Tionesta, has joined the Jamestown inter-state league team. He does not know just where he will play. For that matter, it makes little difference, as McMillan can fill any position satisfactorily. He is a good fielder, a good pitcher and can play third base with any of them, and would lend strength to any team outside the larger leagues.

The statement of the Oil City Trust Company at the close of business June 30, 1905, makes a very strong showing. Their deposits amounting to \$1,296,615.91, are very amply protected by quick assets of \$935,345.31 and total assets of \$1,868,731.03. The quick assets consist of cash on hand and in banks, demand loans, and stocks and bonds amounting to over seventy-five per cent. of the total deposits. They pay four per cent. on certificates of deposit.

Base Ball.

Tionesta entertained as her guests on July 4th the crack Iroquois club of Buffalo, N. Y., with whom two good games were played. Tionesta won the morning game by a good safe margin, but lost the afternoon event by a one-sided score. In the morning game Bankhead pitched a fine game and kept the hits well scattered. He was given good support, despite the big-looking error column, most of the errors coming at times when they did no harm. Kane pitched a good game for the visitors up to the seventh inning. In the seventh and eighth Tionesta fell on him for eight singles and a two-base hit, netting ten runs and deciding the game. The fielding feature of the game was Haslet's one-handed stop of a terrific liner from Brand's bat in the first and his throwing the runner out at first.

In the afternoon game Tionesta could not bunt their hits on Fennell until the eighth, when four clean singles brought in three runs. The rally came too late, as the visitors had a commanding lead. Barring this inning Fennell pitched a fine game. Joe McMillan started in to do the twirling for Tionesta but retired after ten hits and eleven runs had been made in the third and fourth, although in justice to him it must be said that the five runs in the third were made after two were out and an opportunity had been given to retire the side on an easy chance. Bankhead went into the box in the fifth and stopped the bombardment, only one hit being made off him the balance of the game. The visitors are fine players and heavy hitters and the team which beats them has to play ball every minute. They were a very gentlemanly lot of boys and their conduct both on and off the field elicited the praise of all our people. They will be welcome visitors here any time they choose to return. The umpiring of Harry Canfield was fair to both teams and there was no wrangling over decisions. Large crowds witnessed both games. We give the tabulated score of the first and the score by innings of the second game:

Base Ball.

The Clarion team is scheduled to play here July 21st and 22nd.

On their way home from Clarion Tionesta defeated Shippensburg, June 28th, 15 to 3, John McMillan pitching. June 29th they shut out Fryburg 13 to 0, Bankhead pitching.

The Tionesta club went to Youngsville last Saturday and defeated the team of that town in a rather loosely played game by a score of 10 to 7. The Youngvillians were "easy picking," and to make up for the deficiency our boys report that they got a hot reception all around from the umpire and crowd, who seemed bent on winning if their team couldn't. Notwithstanding all these handicaps our boys didn't have to exert themselves very much and won about as they pleased.

Mayburg.

The 4th of July is a thing of the past. The excursionists have about all returned to their respective places of duty and business is resumed as usual.

One of the greatest floods known to the residents of the town occurred in Tionesta Creek last week.

We are without trains the past few days owing to the havoc of the flood.

Mr. Donley, the band-saw filer of this place, has brought his wife and family to town and will take up their abode in the house previously occupied by W. J. Shepard.

A number of our "sporting bloods" had a royal outing at Hermit Springs, near Gardfield, on July 4th.

The "blow-out" at Kelleysville was well attended by the curious of this place.
