

THE FOREST REPUBLICAN.

J. E. WENK, - EDITOR & PROPRIETOR.
WEDNESDAY, NOVEMBER 1, 1905.

Republican Ticket.

STATE.
State Treasurer, J. LEE PLUMMER.
Supreme Court Justice, JOHN STEWART.
Superior Court Judges, CHARLES EHRICH, JAMES A. BEAVER, GEORGE B. ORLADY.
COUNTY.
Associate Judge, DAVID B. SHIELDS.
Prothonotary, etc., J. C. GEIST.
Sheriff, A. W. STROUP.
County Commissioners, ANDREW WOLF, LEONARD AGNEW.
Auditors, W. H. STILES, CHAS. F. KLINESTIVER.
Jury Commissioner, J. B. EDEN.

A VOTE for the Republican ticket next Tuesday is a vote to put the best men in office.

INCIDENTALLY the President takes pains to remind the Senate that he can tell a railway rate regulating bill from a large ornamental bluff.

Don't stay at home on election day, Republicans. Make it a point to get out early and cast your vote for the straight ticket, and then do a little good work for it besides.

A VOTE for J. C. Geist is a vote to retain one of the most competent, careful, painstaking and obliging officials that has ever occupied the Prothonotary's office.

REPUBLICANS are admonished to get to the polls and vote next Tuesday, and to bring with them their indifferent neighbor if they have one. Let there be no stay-at-homes.

VOTE for David B. Shields for Associate Judge, a man of highest character and standing, of unbiased mind, clear headed intelligence and solid sense. Just the right kind of man for a seat on the Bench.

No good excuse can be framed by any Republican in Forest county for not loyally supporting every man on his ticket next Tuesday. Complimentary votes often kill. Vote your ticket straight, Republicans.

In the election to the throne of Norway it looks like a sure thing for Prince Charles of Denmark. One of the strange and interesting features of the election is that no "municipal ownership" candidate is running against him.

If any one should ask his Republican friend to split his ticket and give a vote to the opposition, ask him why? The Republican candidates are all trustworthy and competent, fully as much so as any of the opposing candidates. Then why should they not receive their party's full support?

Messrs. Stiles and Klinestiver for Auditors, and J. B. Eden for Jury Commissioner are safe men to vote for. Their selection as candidates on the Republican ticket was undoubtedly due to a desire to get the best men for the places, and they will abundantly size up to the situation.

From now till the polls close let every Republican do a little good hustling for his party ticket. There are no objectionable candidates on the ticket and there is no need to go outside the party to get good men to fill the offices. Support your ticket loyally, and you'll feel the better for it after the election is over.

If the taxpayers of Forest county desire their business affairs to be safely, economically and carefully administered they will elect Andrew Wolf and Leonard Agnew County Commissioners by rousing majorities next Tuesday. With the county's business in such safe hands there will be no question of the very best outcome to the taxpayers.

GIVE your united and loyal support to A. W. Stroup for Sheriff and aid in the election of one of Forest county's most worthy citizens. A man whose moral character is above reproach, and whose lifelong residence in his community has been an honorable and upright one, a worthy Republican capable of filling the office with credit to himself and the entire satisfaction of the people.

SO GENUINE and sincere has been the cordial feeling extended toward President Roosevelt, in the balmy land of sunshine and flowers, that a Mississippi audience hissed Governor Vandarmar for viciously attacking him in a speech. That is a certain sign that the President's conquest of the south has been complete, for the people of Mississippi have been disposed to admire their Governor. When the south was oppressed with the conviction that President Roosevelt was not its friend, the state of Mississippi was the first to support the sentiments of the racial demagogues and attained the leadership in the sectional animosity toward him.—Blizard.

There is every reason why the Republicans of Forest county should vote the straight county ticket at the election next Tuesday, and not one valid reason why they should not. The gentlemen comprising the ticket are all good Republicans, honest men, peculiarly fitted to fill the offices to which they aspire with credit and honor to themselves and the county. They have proved their good citizenship by years of honest toil and business ability; no taint of dishonesty attaches to any of them and the communities in which they severally reside respect them as among their most desirable residents. In short the ticket is as good as any has ever been before the people, and every loyal Republican can support it with a clear conscience.

THE candidates on the Republican county ticket are as follows:
Associate Judge—David B. Shields.
Prothonotary—J. C. Geist.
Sheriff—A. W. Stroup.
Commissioners—Andrew Wolf, Leonard Agnew.
Auditors—Chas. F. Klinestiver, W. H. Stiles.
Jury Commissioner—J. B. Eden.
All good men and true. Not one name on the ticket but that is worthy the hearty, loyal support of every Republican. Give it your earnest support and assist in the election of the best men to handle the affairs of the county.

Had It Bad.
HAINES CITY, FLA.
Phillips Drug Co., Warren, Pa.
Dear Sirs:—December 25, 1901, I was taken with what physicians pronounced MUSCULAR RHEUMATISM. I had it bad. I took, as I thought, every known remedy; paid out enough money, anyhow. I was entirely helpless for nearly eighteen months; about that time saw your ad. in the National Tribune; sent for a bottle; then sent for another; then another, and now I am out of the medicine business entirely. I give Crocker's Rheumatic Remedy the credit of curing me. I can heartily recommend it. Very truly, I. F. TOWER.
For sale by Dunn & Fulton, Tionesta.

—Six months ago I was very thin, pale and weak. In the morning I would feel dull and sleepy and not rested, felt like going back to bed again. I had made up my mind to go out of business, when a friend urged me to try Thompson's Barometer as a last resort. I began using it at once. Four bottles of Thompson's Barometer restored my health entirely, and I gained 55 pounds in weight. C. L. Schultz, 120 Robin St., Dunkirk, N. Y.

Millionaire's Poor Stomach.
The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the toilers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse tortures than the millionaire unless they avail themselves of a standard medicine like Green's August Flower, which has been a favorite household remedy for all stomach troubles for over thirty-five years. August Flower rouses the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25c; regular size, 75c. For sale by Dunn & Fulton.

DR. KENNEDY'S FAVORITE REMEDY
Breaks no Hearts, Excuses no Crimes.
Dr. David Kennedy's FAVORITE REMEDY is not a disguised enemy of the human race; where it cannot help, it does not harm. It is composed of vegetable ingredients and does not heat or inflame the blood but cools and purifies. In all cases of Kidney troubles, Liver complaints, Constipation of the Bowels, and the delicate derangements which afflict women, the action of Dr. Kennedy's FAVORITE REMEDY is beyond praise. Thousands of grateful people testify to this, in letters to Dr. Kennedy; and with a warmth and fullness of words which mere business certificates never possess. It makes no drunkards—excuses no crimes—breaks no hearts. In its coming there is hope, and in its workings there is healing. We challenge a trial and are confident of the result. Your druggist has it, ONE DOLLAR A BOTTLE. Bear in mind the name and address: Dr. David KENNEDY, Rondout, New York.

Cole's Hot Blast
WILL SAVE \$25.00 IN FUEL THIS WINTER

Cole's Hot Blast is a great value. We sell it under a positive guarantee. It burns soft coal, lignite coal, coke, hard coal, wood or any fuel without any change in the stove. You only need one stove for the entire year, Spring, Fall or dead of Winter. Strikes or coal combines cease to be a terror if you have a Cole's Hot Blast.
Fire Never Out
It is the only stove that keeps the house warm all night and gives the family a warm breakfast room in the morning without kindling a new fire. Guaranteed to hold fire from Saturday night to Monday morning.

Saves the Dollars
If you feel poor it saves half your fuel bill, while giving the above beautiful results. It will even make a ton of cheap slack soft coal, do more work and hold fire better than your neighbor gets out of a ton of hard coal in his \$50.00 stove.
Scientific and Air-tight
construction throughout. A patented steel collar connects the elbow draft to the stove body and cannot open by action of the fiercest heat. The patented compound hinge on the lower draft cannot warp and the draft door closes air-tight by its own weight. The guaranteed smoke-proof feed door prevents smoke, dust or gas escaping when fuel is put in the stove. Perfect results, therefore, from any fuel. The heavy fire box protects the points where other stoves burn out first, and insures great durability.
Ask to see the patented "dustless ash cover" for removing ashes. Our method is the only clean way.
Cole's Hot Blast makes \$50.00 worth of fuel give more heat than \$10.00 worth in any other stove. Sold on a positive guarantee. Investigate today.

CAUTION
See the words, "Cole's Hot Blast from Chicago" on the feed door of each stove. None genuine without it.

Our stock of Stoves, as usual, consists of the latest makes of **CAS RANGES AND HEATERS**, which are sold at the lowest possible figure. Economize on gas bills. We have the goods to do it with.
