Not long after that he held at the residence in Toledo, Friday moved to Erie where he rapidly built up a lucrative law practice. His disease was cancer, from which he endured great suffering before death relieved him. Mr. Higgins was born in Spartansburg, Crawford county, Aug. 5, 1852. He is survived by his widow and one son, Weld. He learned the stonemason trade and followed it for a number of years, but he was ambitious to rise and took up the study of law which he persistently followed until admitted to the bar of Warren county, in 1880. He was full of energy, a hard worker, an honest man and a true friend. Many will grieve to learn of his demise.

John C. McNamara, station agent for the P. R. R. at Tionesta, died at his home here on Friday evening, Nov. 17, 1905, at 7:30 o'clock, after an illness, from a complication of stomach and heart trouble, extending over several months. For nearly two months past he had been unable to attend to his duties as agent here and had asked for an indefinite leave of absence, hoping that rest and out-door exercise might restore his health. Two years ago, on the first of October, Mr. McNamara was transferred from Red House, N. Y., to the station at Tionesta, taking the place of J. W. McCrea, who had resigned, and soon after moved his family here. During his residence in Tionesta he had gained the high esteem of all with whom he came in contact, and as an agent of the railroad company, at best a very trying position, he made a host of friends by his pleasing, patient and obliging manners. He was aged 42 years and had been in the employ of the Pennsylvania company for the past 17

The deceased, who was the son of the late James and Bridget McNamara, was born in Baltimore, Md., December 27, 1863. When a young man he went to Silver Creek, N. Y., and was shortly afterward employed as a telegraph operator, his first work being at Mayville, N. Y. He worked for the Northern Central, the Lake Shore and W. N. Y. & P. railroads. For fourteen years prior to coming to Tionesta he was passenger agent of the W. N. Y. & P., later the P. R. R., at Red House, N. Y., and for a short time was located at Salamanca. He was married September 12, 1894, to Miss Catherine McCabe, of Campbell, N. Y., who with three sons, Walter, Francis and John, survive him. One sister, Mrs. Mary Spencer, of Silver Creek, also survives him. He was a member of the Catholic church and a member of the
