Our Semi-Annual
CLEARANCE SALE
Is Still Going On.

To those who are unacquainted with this important merchandising event we offer the following explanation: Twice a year, at the close of each season, January and July, we inaugurate a general cleaning up sale, at which some prices are reduced all over the house, the object being to effect a quick riddance of all surplus stocks. Reductions are big and merchandise offered the best. If you are in need of anything at all

Do Not Fail to Attend.

This Sale Positively Closes January 27th.

Don't be too late. We have been giving some great bargains and every day added attractions will keep the interest up. People all say it's the greatest sale we ever had, and it certainly is from a money-saving view-point. All over the country the complaint is advanced prices, while here in this store of good values we never offered our good wantable stuff at so little prices. Appreciated? Of course it is. If you doubt it, come in and see our crowds.

A STOLEN INVENTION.

How the Designer of the Hanson Cab Lost a Fortune.

Charles Hanson, the famous English architect, was a talented man in many respects other than in the exercise of his profession. He was dining on a certain day with a few friends when one of them taunted him with being unable to invent a vehicle which would supersede the old fashioned hacks and cabs in universal use in London. Mr. Hanson got a sheet of paper, and without any delay he sketched out his idea of a safe and convenient mode of passing through the crowded streets of the great metropolis. His friends watched him while he was at work and unthinkingly applauded the sketch which he had drawn. They dubbed it by the name of its inventor, and it was then and there called a "Hanson car." One of those present advised him to take out a patent for it, which he said he would do on the morrow. However, there was one dishonest man in the company, by whom he was forestalled, for on reaching his own house that evening and being, like Mr. Hanson, a clever draftsman, as all great architects are, he sketched out a car like the drawing he had seen, and early the following morning he took it to the office and got out a patent for it in his own name, thus robbing the talented inventor of all the remuneration which he deserved to reap from it. It brought an immense but ill gotten fortune to the one who had perpetrated the fraud, whereas Mr. Charles Hanson was never one penny the richer.—Donahoe's.

—Cut this out and take it to Dunn & Fulton's drug store and get a free sample of Chamberlain's Stomach and Liver These tablets are far superior to pills, being easier to take and more pleasant in effect. They correct disorders of the stomach, liver and bowels.

—My arm was badly scalded with steam and was very painful. I applied Stomach and Liver Ointment, which stopped the pain at once and the arm healed rapidly. I always keep it in the house. San-Cura is a wonderful ointment. Gilbert Hard, Rindard's Mills, Monroe Co., O. San-Cura, 25 and 50c. All druggists. if
