

## THE FOREST REPUBLICAN.

J. E. WENK, - EDITOR & PROPRIETOR.  
WEDNESDAY, FEBRUARY 7, 1906.

### ANNOUNCEMENTS.

TERMS.—Congress, \$20; Senate, \$15;  
Assembly, \$12; District Attorney, \$7.  
The cash must invariably accompany the  
order for announcement.

CONGRESS.

I desire to present my name for the  
consideration of the Republican voters of this  
Congressional District as a candidate for  
member of Congress, subject to the  
will of the county primaries and the  
district conference. —O. C. ALLEN,

Warren, Pa.

I hereby announce myself as a candidate  
for representative in Congress from the  
twenty-eighth district of Pennsylvania.  
—H. H. CUMINGS, Tidioute, Pa.

ASSEMBLY.

We are authorized to announce JOHN H. ROBERTSON, of Tionesta, Borough, as a  
candidate for Assembly, subject to Rep-  
ublican usages.

AS FAR AS heard from, publicity seems  
to be an exceedingly useful weapon  
against grafting.

DENMARK's new king has eight sons  
and daughters and seven grandchildren.  
Nothing in the nature of social suicide is  
threatened in European royal circles.

The cigar-shaped automobile that ran  
a mile in 28 1/2 seconds has been known  
as a "freak steamer." The builder has  
proved that there was method in his  
madness.

YALE's present says football is "the  
safest of the major sports." Trapeze perfor-  
mances on flying machines and thaw-  
ing out dynamite must come under this  
classification.

At a poultry show in Boston last week  
a hen sold for \$750. In political economy,  
size considered, the hen has strong  
grounds for claiming first prize among  
domestic animals.

THE frequent suggestion that mothers  
should not be exclusively the subject of  
popular songs has been heeded, but the  
fathers are not yet certain that the matter  
has been equalized.

During the last six months 28,000 pen-  
sioners of the civil war have died, which  
is a mortality of more than a full reg-  
iment every week, and the rate must con-  
tinue to increase for several years. The  
heroes who fought for the Union are still  
a host, but fast diminishing.

GREAT BRITAIN'S parcels post carried  
last year 4,000,000 packages at a profit of  
\$12,000,000. The charge in the United  
Kingdom for a 3-pound parcel by mail,  
with house-to-house collection and delivery,  
is 10 cents. In the United States the  
postage on a 3-pound parcel is 48  
cents. The British postal surplus last  
year was \$22,000,000. In the United  
States last year the postal deficit was  
\$13,000,000.

THE new Senatorial apportionment bill,  
which has been so adjusted as to gain the  
support of thirty-eight of the fifty Senators  
at Harrisburg, tears up this hitherto  
strongly Democratic district and practi-  
cally legislates our present Senator Hall  
out of office. Clarion and Forest are  
joined with Warren and Venango, while  
Elk is placed with Clearfield, making a  
safely Republican district, at least it is  
not at all likely that Elk's Democratic  
majority can cope with the heavy Repub-  
lican majority which Clearfield has  
been in the habit of giving late years. The  
joining of Forest with Venango and  
Warren makes a much more congenial  
arrangement than has prevailed for the  
past 32 years, and will be very agreeable  
to our county Republicans.

AN exchange truthfully remarks: The  
newspaper is for everyone, and hence  
must publish something for everybody.  
If you see something that is of little  
interest to you, remember that there are  
others, and that the entire paper is not  
printed especially for you. The very  
thing that is dull and uninteresting to  
you may be the best thing in the paper  
for some other reader, and other readers  
have just as good a right to be pleased as  
you have. There are whole pages in the  
daily papers that are of no interest to us,  
but they are to others. A paper which  
contained nothing but such matter as  
would interest any one of us would have  
a limited number of readers. There are  
many people of many minds, and the  
paper should have something for all of  
them.

Mr. Sibley Won't Leave Franklin.

General Charles Miller on Saturday  
stated that he knew nothing of the report  
that Hon. Joseph C. Sibley had made  
large investments in Florida and would  
take up his residence there. He said,  
however, that he was aware that Mr. Sibley  
had bought a winter home in that  
state. The Congressman has said nothing  
to General Miller that would lead him  
to believe that he intended giving up his  
home here. The reason Mr. Sibley has  
not spent more of his time in Franklin is  
that he has a summer home on Lake  
Champlain, while his duties as Congress-  
man have kept him in Washington a  
great deal of the time in the winter.

Both Mr. Sibley and General Miller  
believe in the possibilities of the south,  
and Col. Huideker, of Washington,  
and General Miller purchased a very  
large estate in Florida several years ago.  
They have sold much of their property,  
but still have in their possession a very  
large acreage of the finest land in the  
south, capable of producing corn and all  
varieties of cereals, as well as oranges  
and lemons. There is a very beautiful  
home situated on this plantation, contain-  
ing 21 bedrooms, large parlor, dining  
room and other rooms to make it pleasant.  
Mr. Sibley and General Miller own  
many interests and they are planning  
for others in the south. Mr. Sibley and  
General Miller do not contemplate giving  
up their business interests in Franklin,  
in which they have been engaged for so  
many years; in fact, they are planning  
this business to the whole world, and  
they have been successful thus far.

Miller & Sibley disposed of all their oil  
producing farms some time ago because  
they felt it was out of their line of busi-  
ness, and because they received a very  
good offer for the same.—Franklin News.

### PLEA FOR DIVORCE.

COUNTESS DE CASTELLANE ABSOLUTELY DECLINED TO RESUME RELATIONS WITH HER HUSBAND.

Paris, Feb. 6.—Countess Boni De Castellane (formerly Anna Gould) entered a plea for divorce yesterday. Representatives of the countess and count appeared before Judge Henry Ditté of the court of first instance, who, in conformity with the French law, endeavored to arrange a reconciliation before allowing a definite suit to proceed.

It is said on unquestionable authority that Judge Ditté's efforts were not successful, the countess absolutely declining to resume her relations with her husband, and that after repeated but vain attempts by Count Castellane's advisers to arrange a settlement the representatives of the count and countess left the court and that the suit will proceed.

Another judicial effort at reconciliation will almost certainly be made before the suit comes to trial in the ordinary course.

No decision has been reached relative to the eventual custody of the children of the count and countess, but they, being under age, will for the present naturally remain in the care of their mother. Friends of the Count and Countess De Castellane express little hope that any adjustment of their differences will be brought about, but as divorce proceedings under the French law are very lengthy new developments may occur before the case comes up for trial. A decree cannot be pronounced under from three to six months.

### Greene and Gaynor Trial.

Savannah, Ga., Feb. 6.—The trial of Greene and Gaynor in the federal court on the charge of conspiracy to defraud the government was taken up largely with presentation of oral testimony, though after the examination of A. F. McCauley of Savannah, the evidence again reverted to documents, many of which were submitted. Mr. McCauley's testimony related to proposals on contracts issued under the supervision of former Captain O. M. Carter, such proposals, according to the government's counsel, having been but bluffs, Greene and Gaynor having really been behind them. Mr. McCauley, however, was shown to have been innocent of any collusion. Colonel John Tweedale, U. S. A. (retired), and J. W. O. Sterley, chief clerk in the office of the United States engineer at Savannah, were the other witnesses.

Why Suffer? WARREN, PA.

Phillips Drug Co.

Dear Sir:—I had been afflicted with  
rheumatism for 15 years and had tried  
every known remedy, but without any  
success, until I got a 50¢ bottle of Crocker's  
Rheumatic Remedy and only needed  
half a bottle and have not felt or suffered  
any pain since. Would not take one  
hundred dollars for the other half of the  
bottle if I could not get any more. It  
will cure. If you are suffering get a  
bottle at once. M. L. AMANNA,

Protect Proprietary Medicines.

Did it ever occur to you that proprietary  
medicines are a blessing to mankind  
generally? The good ones have long  
continued sale; the poor ones have short  
life and soon leave the market.

If we had to depend entirely upon physi-  
cians and druggists it would be expen-  
sive and very inconvenient at times, es-  
pecially in the country and at night when  
neither could be conveniently reached.

For nearly forty years Boesch's German  
Syrup has been used in many families,  
and thousands of lives of adults and  
children have been saved by its use, when  
it was impossible to reach a physi-  
cian. German Syrup is the best house-  
hold remedy for colds, rheumatism, and  
long trouble. It quickly relieves  
the hacking cough, lessens the phlegm,  
and brings sound and refreshing sleep.  
Twenty-five and seventy-five cents. Get  
a copy of Green's Prize Almanac. For  
sale by Dunn & Fulton.
