

J. E. WENK, - EDITOR & PROPRIETOR.

WEDNESDAY, FEBRUARY 21, 1906.

ANNOUNCEMENTS.

TERMS.—Congress, \$20; Senate, \$15; Assembly, \$12; District Attorney, \$7.

CONGRESS.

I desire to present my name for the consideration of the Republican voters of this Congressional District as a candidate for member of Congress, subject to the will of the county primaries and the district conference.

O. C. ALLEN, Warren, Pa.

I hereby announce myself as a candidate for representative in Congress from the twenty-eighth district of Pennsylvania.

H. H. CUMINGS, Tidoute, Pa.

We are authorized to announce JOHN H. ROBERTSON, of Tionesta Branch, as a candidate for Assembly, subject to Republican usages.

We are authorized to announce T. D. COLLINS, of Green Township, as a candidate for Assembly, subject to Republican usages.

DISTRICT ATTORNEY.

We are authorized to announce A. C. BROWN, Esq., of Tionesta, as a candidate for District Attorney, subject to Republican usages.

Guthrie Wins in Pittsburg.

In the bitter contest for Mayor of Greater Pittsburg George W. Guthrie, the coalition candidate won yesterday over Jenkinson, the Republican nominee, by a majority of 4,000.

Kirschner, Republican, is elected mayor of Allegheny by about 6,000 majority. McConnell, Republican, is elected mayor of Franklin by a plurality of 242 over Borland, Prohibitionist.

SENATOR SMOOT is again in the limelight at Washington, which ought to be the last preliminary to his final disappearance from public life.

THE Chinese may have the discretion to keep quiet about it, but they never get that "foreign devil" idea entirely out of their heads.

It is probable that Senator Patterson's mind is subject to frequent changes but he should be given credit for finally landing on the right side, the Roosevelt side.

THE law passed by the recent legislature providing for uniform primary elections does not take effect till November 1st next, and so the primaries throughout the State this year will be held as heretofore.

SENATOR LAFOLLETTE has declined the invitation to become a member of Tom Lawson's insurance-busting committee. Lafollette persists in disappointing folks who are waiting for him to do something foolish.

THE meat packers no longer contend that they are not engaged in a conspiracy to throttle competition and squeeze the consumer; they have fallen back upon the plea that they cannot be prosecuted because they gave Commissioner Garfield inside information.

"I AM almost afraid to go to the table," says Dr. Wiley. "The butter is painted; canned goods are kept for years and sold for the genuine article, and the foods we eat are fraught with germ-life of a harmful nature." The doctor's talk is a rare sign of approaching spring. He needs sarsaparilla.

THE new Senatorial apportionment is made and Elk Republicans get insult added to injury, instead of relief, as they had hoped. The district is just the same as it was with the exception that Clinton, another Democratic county, is added on the east. It's a peach of a district. Just look at it.—Ridgway Advocate.

THE Erie railroad management will soon employ rate clerks to figure the price of tickets from points in other states to points in Ohio, the new 2-cent fare legislation of the Buckeye state necessitating a complete change of ticket prices all along the line from Chicago to New York. It is said that this work can not be accomplished in the thirty days within which the new law becomes operative.

MAJOR BROWN, Secretary of Internal Affairs, has instructed the Attorney General to begin suit against the Pennsylvania Railroad Company to stop the collection of the refund on mileage books. Each purchaser of a \$20 mileage book on the Pennsylvania Railroad lines is at present compelled to leave a deposit of \$10, which the company claims is for the purpose of preventing the illegitimate use of the book. Secretary Brown's action is the result of a complaint filed by organizations of traveling salesmen and business men of Philadelphia and Pittsburg on January 16.

THE final trade statistics for the year 1905 show a phenomenal degree of prosperity in the United States. To give an idea of the magnitude of the products of American farms, mines and factories, some imaginative statistician has figured out that it would require 33,184,857 freight cars to move it, and if combined in a single train would reach nine times around the earth. Or, combined with the necessary engines to haul it, would make a train 240,000 miles long. If this great trainload of American produce were placed on a track leading to the moon, the front engine would be speeding across the face of Luna while the osboone would not have left the yard on this earth.—Punxy Spirit.

It must have been with a purpose of saving for the minority party a numerically respectable representation in the upper branch of the state legislature that the senatorial apportionment bill was changed during the last days of the session so as to throw Elk, Clarion and Clinton counties into a district to overcome the small Republican majorities of Forest and Cameron. This string of counties reaches from the Allegheny river on the west into territory well east of the center of the state, and leaves the Elk county Republicans again without a chance at either branch of the state legislature. Some political talent should have been exerted to place Elk county under the protection of McKean's big Republican majority, in the senatorial alignment.—Kane Republican.

The bill intended to cure the practice of expending money unlawfully at elections, which passed the legislature in its dying moments, has received the signature of the Governor and is now a law. Unless it is most rigidly enforced it will have a tendency to drive the better element out of politics and give the tougher crowd, who do not care for consequences, or who would have no conscientious scruples against swearing falsely, full sway. It provides among other things that every candidate for an office, whether successful or not, must make an accounting of his expenses, naming each item, etc., and swear to it. It further provides that no candidate and no treasurer of any political committee shall give or lend or agree to pay, give or lend, either directly or indirectly, any money or other valuable thing for any election whatever except for the following purposes: 1. For printing and traveling expenses, stationery, advertising, postage, expressage, freight, telegraph, telephone and messenger services. 2. For dissemination of information to the public. 3. For political meetings, demonstrations and conventions and for transportation of speakers. 4. For the rent, maintenance and furnishing of offices. 5. For the payment of clerks, typewriters and stenographers actually employed. 6. For the payment of persons actually employed in canvassing and soliciting votes in making public speeches. 7. For the employment of watchers at primary meetings and elections to the number allowed by law. 8. For the transportation of voters to and from the polls. 9. For legal expenses, bona fide incurred, in connection with any nomination or election.

The special session of the legislature which adjourned last Thursday passed the following bills, which either have or will receive the approval of the Governor: Repeal of Philadelphia "Ripper." Greater Pittsburg. State Treasury Regulations. Personal Registration. Senatorial Apportionment. Representative Apportionment. Uniform Primary Elections. Regulations for Rebuilding Bridges. Corrupt Use of Money in Politics. Philadelphia Civil Service. Pernicious Activity in Politics. Abolishing Fees of Insurance Commissioner and placing him on \$6,000 salary. Abolishing Fees of Secretary of Commonwealth and placing him on a salary of \$8,000.

Our Representative, Hon. Joseph C. Sibley, will spend his summers at Lake Champlain and his winters in Florida, but denies that he will surrender his residence in Franklin. In a letter to the News he says: "We have located our winter home at St. Petersburg, Florida, which has the softest, driest and most even temperature that I have ever found anywhere. There I am following the natural bent of my tastes and inclinations in the cultivation of the soil. I think I have said not infrequently to my farmer friends that one of the most ambitious hopes possessed by me was that some day I might be able to have enough money to become a farmer. I know that it has been said that it takes a smart man to be a successful hotel-keeper, but it is my judgment that to be a successful farmer requires a higher degree of ability, industry and self-denial than any avocation known to me. It is not my belief that it will prove highly remunerative. None the less, it brings me close to nature's heart. I have there several acres of oranges and grape fruit in bearing and am setting out 5,000 additional trees this spring, and am aiming on my place to produce every tropical fruit known to our country. This will afford healthful exercise for both mind and body, and with my love for books and for friends, I am confident of being able to pass my remaining years usefully and pleasantly."

Phillips Drug Co. WARREN, PA. Dear Sir:—I had been afflicted with rheumatism for 15 years and had tried every known remedy, but without any success, until I got a 50c bottle of Crocker's Rheumatic Remedy and only needed half a bottle and have not suffered any pain since. Would not take one hundred dollars for the other half of the bottle if I could not get any more. It will cure. If you are suffering get a bottle at once. M. L. AMANN, Merchant Tailor. For sale by Dunn & Fulton.

Protect Proprietary Medicines. Did it ever occur to you that proprietary medicines are a blessing to mankind generally? The good ones have long continued sale; the poor ones have short life and soon leave the market. If we had to depend entirely upon physicians and druggists it would be expensive and very inconvenient at times, especially in the country and at night when neither could be conveniently reached. For nearly forty years Boschee's German Syrup has been used in many families, and thousands of lives of adults and children have been saved by its use, when it was impossible to reach a physician. German Syrup is the best household remedy for coughs, colds, throat and lung trouble. It quickly relieves the hacking cough, loosens the phlegm, and brings sound and refreshing sleep. Twenty-five and seventy-five cents. Get a copy of Green's Prize Almanac. For sale by Dunn & Fulton.

A GUARANTEED CURE FOR PILES. Itching, Blind, Bleeding or Protruding Piles. Druggists are authorized to refund money if Pape's Ointment fails to cure in 10 to 14 days. 50c.

Grove, late of Tionesta Borough, Forest County, Pa., deceased, having been granted to the undersigned, all persons indebted to said estate are hereby notified to make payment without delay, and those having claims or demands will present them, duly authenticated, for settlement. MINNIE GROVE, Adm'r. Tionesta, Pa. A. C. BROWN, Attorney.

Notice to Bidders. The Road Commissioners of Tionesta Township will meet Thursday, March 15, 1906, at 10 o'clock a. m., at Little Tionesta bridge, on the Tionesta and Lineville road, in Tionesta Township, for the purpose of viewing the route for the new road in said township and receiving bids for the construction of the said road according to the order of court to open said road, the Road Commissioners reserving the right to reject any and all bids. JACOB WAGNER, WM. MORSE, HENRY SIBBLE, Road Commissioners.

Lame Back. This ailment is usually caused by rheumatism of the muscles and may be cured by applying Chamberlain's Pain Balm two or three times a day and rubbing the parts vigorously at each application. If this does not afford relief, bind on a piece of flannel slightly dampened with Pain Balm, and quick relief is almost sure to follow. For sale by Dunn & Fulton.

Hopkins. —It's up to some men who think they know it all to live and unlearn. —San-Cura Ointment cures old sores, fever sores and ulcers, leaving a sound, healthy skin, 25c. The 50c size holds three times as much. —Only a very lazy man is afraid to earn money because it may be tainted. —Don't miss the best opportunity you have had for years. The Hopkins clearance sale is still in progress. There's lots of the best yet left. —Nothing equals the arrogance of some men's so called humble opinions. —If you feel all tired out and weak, have no energy, and suffer with a weak back, take Thompson's Barosma, Kidney, Liver and Bladder Cure at once. 50c and \$1.00. All druggists. —In order to succeed a man must appreciate the value of his opponent's abilities. —I suffered everything with piles, but was cured by San-Cura Ointment and I have not been troubled with them since. Enclosed finds stamps for a bottle which I want for a friend. Mrs. Josie Robinson, Central House, Conneaut, O. —There may be balm in Gilead, but there are no cheap excursions to that town. Common Colds are the Cause of Many Serious Diseases. Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Every one knows that pneumonia and consumption originate from a cold, and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by each fresh attack. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy will cure it before these diseases develop. This remedy contains no opium, morphine or other harmful drug and has thirty years of reputation back of it, gained by its cures under every condition. For sale by Dunn & Fulton. —My little girl, five years old, was doctored for several months for bladder trouble but without success. She was very bad and caused us much anxiety. Finally we put aside the doctor's medicines and tried Thompson's Barosma or Kidney and Liver Cure. Five bottles made a complete cure and she is now a sound healthy girl. N. F. Leslie, Oil City, Pa. —Itching Piles. If you are acquainted with anyone who is troubled with this distressing ailment, you can do him no greater favor than to tell him to try Chamberlain's Salve. It gives instant relief. This salve also cures sore nipples, tetter and salt rheum. Price 25 cents. For sale by Dunn & Fulton. —San-Cura Ointment will positively cure pimples, boils and carbuncles. It is pleasant and soothing, gradually drawing out all poisons and foreign matter, leaving a sound, healthy skin. San-Cura Ointment is a great aid in preventing scars. It is antiseptic and cleansing, allaying the inflammation. San-Cura Ointment, 25c and 50c. All druggists.

To the People. Rich's Famous All Wool Sock has fallen into competition with a very inferior article. The imitation is so perfect that only an expert is able to detect the counterfeit with its cotton and shoddy mixtures, until the sock is put into service. Unscrupulous competitors are representing the sock as Rich's All Wool, thus deceiving the customer and injuring our reputation. To protect ourselves and the trade in the future Rich's Socks will bear a Red Seal Trade Mark printed in white, a fac simile of which is shown above. Respectfully, John Rich & Bros., Woolrich, Pa.
