

THE Smart & Silberberg STORES.

Come and See the New -Spring- Coats-

We are now making our initial showing of advance models in Spring Jackets. The bare announcement should insure large attendance. Though far from exhaustive the exhibit is educational, forecasting as it infallibly does, the fashion trend.

The long Coats of recent seasons will be supplanted by short, jaunty affairs to be worn with separate waists and skirts. These include box and half fitted and pony models, some collarless.

The fashionable fabrics are Coverts, Mannish Mixtures and Broadcloths.

Prices range \$5.00, \$6.00, \$8.00, \$10.00, \$12.00, \$15.00, \$20.00.

Walking Skirts that are worth more money, \$5.00.

There are some Walking Skirts in this lot.

They are designed according to the best fashions of the hour, trimmed with plaits, stitched with strappings, cut with full flare, etc. The most comfortable and sensible garments that can be worn during the stormy months of Spring.

The materials are Black and Blue Cheviot, Black and Blue Panama, Black and Blue Serge, Invisible Checks and Striped Mannish Mixtures and the Popular Plain Grays. Do not fail to see them.

DR. KENNEDY'S FAVORITE REMEDY

Breaks no Hearts, Excuses no Crimes.

Dr. David Kennedy's FAVORITE REMEDY is not a disguised enemy of the human race; where it cannot help, it does not harm. It is composed of vegetable ingredients and does not heat or inflame the blood but cools and purifies it. In all cases of Kidney troubles, Liver complaints, Constipation of the Bowels, and the delicate derangements which afflict women, the action of Dr. Kennedy's FAVORITE REMEDY is beyond praise. Thousands of grateful people voluntarily testify to this, in letters to Dr. Kennedy; and with a warmth and fullness of words which mere business certificates never possess. It makes no drunkards—excuses no crimes—breaks no hearts. In its coming there is hope, and in its wings there is healing. We challenge a trial and are confident of the result. Your druggist has it. ONE DOLLAR A BOTTLE. Bear in mind the name and address: Dr. David KENNEDY, Rondout, New York.

A HEARTY LAUGH.

The cold, chilling atmosphere which sometimes pervades a reception or other social gathering is often entirely dissipated by the hearty, ringing laughter of some simple, genuine soul who is bubbling over with fun. The stiffness and constraint which a minute before embarrassed the whole company are relieved as if by magic. There is something in genuine, spon-

tanous humor which removes all restraint, scatters embarrassment, relieves tension and welds souls together as no introduction or conversation can. It puts the shy at ease, dissipates prejudice, gives confidence to the timid and reassures the shrinking soul. The cheery smile or the spontaneous laugh awakens sympathy and arouses feelings of friendliness. It seems to melt all barriers.

Oh, what riches live in a sunny soul! What a blessed heritage is a sunny face, to be able to fling out sunshine wherever one goes, to be able to scatter the shadows and to lighten sorrow laden hearts, to have power to send cheer into despairing souls through a sunny and a radiant heart! And if, happily, this heritage is combined with a superb manner and exquisite personality, no money wealth can compare with its value.

This blessing is not very difficult of acquisition, for a sunny face is but a reflection of a warm, generous heart. The sunshine does not appear first upon the face, but in the soul. The glad smile that makes the face radiant is but a glimpse of the soul's sunshine.
