ON SATURDAY, MAY 5, 1906.

Between the hours of 2 o'clock p. m. and 7 o'clock p. m., at which time the qualified Republican voters of each aforesaid named place shall vote as follows:

- One person for Congress. One person for Assembly. One person for District Attorney. One person for Governor. One person for State Delegate. Also each Election Precinct shall elect one person as member of the County Committee for the ensuing year.

The candidates for the several offices shall have their names announced in one or more of the county papers at least three weeks previous to the Primary Election, stating the office and subject to action of the Republican party at the said primary election.

The necessary blanks, etc., for holding primary election will be mailed to the Committees of the several precincts, whose duty it is to see that the election board is properly organized, and that the polls are opened and closed at the hours above stated.

Any two or more candidates having an equal number of votes for the same office, the return judges shall proceed to ballot for a choice, the person having the highest number to be the nominee.

The Return Judges shall appoint Congressmen—Representatives, Congressional and Senatorial—whose acceptance of said appointment shall be a pledge to support the person who may receive the largest number of votes cast for that office.

Attention is called to the Act of June 29, 1881, regulating primary elections, that Judges and Clerks, before entering upon the discharge of their duties, shall take and subscribe an oath or affirmation in presence of each other.

Attention is also directed to the following Republican Primary Rules, adopted by the County Committee at its last meeting held Feb. 27, 1905:

"That all Republicans be required to vote in their proper primary precincts, where such is possible, and in case the voter is unable to reach his proper voting place he shall, before voting, be obliged to have at least two Republicans vouch for his Republicanism, and legal right to vote."

"The Return Judges shall be competent to reject by a majority the returns from any district where there is evidence of fraud, either in the returns or otherwise, and shall reject them where there is evidence of three or more persons voting at the Primary Election who are not Republicans."

The returns shall be properly sealed and addressed to the Chairman of the Republican County Committee, and then delivered to the judge of the primary election, who shall be the return judge, and represent the precinct in the convention.

The said return judges shall meet in convention at the Court House at Tionesta, on Tuesday, May 8, 1906, at 2 o'clock p. m., for the purpose of counting the votes and declaring the results, and the transaction of such other business as may be brought before the said convention.

H. S. BROCKWAY, Chairman, Marienville, Pa., March 14, 1906.

Whereas, by the rules adopted by the Republican party representing the 28th

Congressional District of Pennsylvania, composed of the Counties of Mercer, Venango, Warren, Forest and Elk, governing the Republican primaries in said Congressional District, it is provided that the said Republican primaries shall be held upon the same day in said Counties when a member of Congress is to be nominated, and that the date of holding said primaries to be fixed by the Chairmen of their respective committees of each of the said Counties in said Congressional District; and,

Whereas, a member of Congress is to be nominated in said district at the coming Republican Primaries;

Therefore, We, the undersigned Chairmen of the Republican County Committees composing the said Congressional District, hereby agree and fix Saturday, the 5th day of May, 1906, as the date for holding said primaries in said Counties.

Witness our hands the 26th day of February, 1906, at Warren, Pa. W. J. WHELDON, Chairman Mercer County, MASSARD PAPPE, Chairman Venango County, W. W. WILBUR, Chairman Warren County, H. S. BROCKWAY, Chairman Forest County, JAMES A. GIER, Chairman Elk County.

The coal consumer will be a passive spectator of the strike except to the extent that, with his usual luck, he is called on to pay, pay, pay.

The suggestion of Judge Parker that the Democrats ought to nominate a southern man for President shows that the voice of the siren will not be permitted to invade the quiet precincts of Esopus in 1908.

Possession of great riches may be a delightful thing, but millionaires as a rule are not happy. Mr. Rockefeller rarely smiles and the thought of a humorous little thing like a subpoena throws him into a spasm.

Since the 2-cent a-mile passenger rate went into effect in Ohio excess baggage costs 50 per cent. more than before, and but for the electric roads all baggage would be charged for. The traction lines move into the situation quietly, but they get there.

\$100 REWARD, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Suffered for Five Years With Kidney and Liver Trouble.

"I suffered for five years with kidney and liver trouble, which caused severe pains across the back and a blinding headache. I had dyspepsia and was so constipated that I could not move my bowels without a cathartic. I was cured by Chamberlain's Stomach and Liver Tablets, which have been well known to me for six months," says Mr. Arthur S. Strickland, of Chattanooga, Tenn. For sale by Dunn & Fulton.

Crocker's Rheumatic Cure Is It!

Mr. Thomas Secrist says, under date of Jan. 31, 1906, that he had muscular rheumatism for six years, part of the time suffered so he could not sleep nights. Says he has taken two 30-cent bottles of Crocker's Rheumatic Cure, and can sleep and has not felt the pain in his arms since. He recommends any one suffering with rheumatism to try a fifty-cent bottle.

My daughter was troubled for over a year with a severe sore on her leg, and was helpless in bed for three months. To the great surprise of all, including the four doctors who had attended her, San-Cura Ointment healed the great sore in less than six weeks. J. D. Hood, Towson, Md. Pa. Protect Proprietary Medicines.

Did it ever occur to you that proprietary medicines are a blessing to mankind generally? The good ones have long continued sale; the poor ones have short life and soon leave the market. If we had to depend entirely upon physicians and druggists it would be expensive and very inconvenient at times, especially in the country and at night when neither could be conveniently reached. For nearly forty years Boschee's German Syrup has been used in many families, and thousands of lives of adults and children have been saved by its use, when it was impossible to reach a physician. German Syrup is the best household remedy for coughs, colds, throat and lung trouble. It quickly relieves the hacking cough, loosens the phlegm, and brings sound and refreshing sleep. Twenty-five and seventy-five cents. Get a copy of Green's Prize Almanac. For sale by Dunn & Fulton.

Caught Cold While Hunting a Burglar.

Mr. Wm. Thos. Lamorgan, provincial constable at Chippewa, Ontario, says: "I caught a severe cold while hunting a burglar in the forest swamp last fall. Hearing of Chamberlain's Cough Remedy I tried it, and after using two small bottles, I was completely cured. This remedy is intended especially for colds and coughs. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by Dunn & Fulton."
