It is already apparent that as a presidential possibility, George B. McClellan will never get beyond the "also mentioned" class.

It was a shrewd move to interest Senator Tillman in the railroad bill. While he is regulating rates he will have no time to stir up race prejudice.

CHORTS of consumers: Old King Coal was a greedy old soul, a grouchy old soul was he; in the pile of consumers he made a big hole, but he doesn't mind them, no he.

It looks as if it would be necessary to nominate three or four Democratic candidates for the Presidency in order to satisfy the many different kinds of Democrats now scattered over the country.

It is with a good deal of pleasure that the REPUBLICAN notes the selection of Hon. J. Ross Raymond, of North East, as one of the Republican nominees for Assembly in Erie county, at the recent primaries.

Also each Election Precinct shall elect one person as member of the County Committee for the ensuing year.

The candidates for the several offices shall have their names announced in one or more of the county papers at least three weeks previous to the Primary Election, stating the office and subject to action of the Republican party at the said primary election.

The necessary blanks, etc., for holding primary election will be mailed to the Committeemen of the several precincts, whose duty it is to see that the election board is properly organized, and that the polls are opened and closed at the hours above stated.

The Return Judges shall appoint Conferees—Representative, Congressional and Senatorial—whose acceptance of said appointment shall be a pledge to support the person who may receive the largest number of votes cast for that office.

Attention is called to the Act of June, 29, 1881, regulating primary elections, that Judges and Clerks, before entering upon the discharge of their duties, shall take and subscribe an oath or affirmation in presence of each other.

Attention is also directed to the following Republican Primary Rules, adopted by the County Committee at its last meeting held Feb. 27, 1905:

"That all Republicans be required to vote in their proper primary precincts, when such is possible, and in case the voter is unable to reach his proper voting place he shall, before voting, be obliged to have at least two Republicans vouch for his Republicanism, and legal right to vote."

"The Return Judges shall be competent to reject by a majority the returns from any district where there is evidence of fraud, either in the returns or otherwise, and shall reject them where there is evidence of three or more persons voting at the Primary Election who are not Republicans."

The returns shall be properly sealed and addressed to the Chairman of the Republican County Committee, and then delivered to the judge of the primary election, who shall be the return judge and represent the precinct in the convention.

The said return judges shall meet in convention at the Court House, at Tionesta, on Tuesday, May 8, 1906, at 2 o'clock p. m., for the purpose of counting the votes and declaring the results, and the transaction of such other business as may be brought before the said convention.

A MUCH neglected law is to be enforced at Greenville, according to the News, which says: "Every town has a certain element who deem it an accomplishment to use profanity, vulgar and obscene language on the streets and in public places. A warning to this class may save them from being arrested and paying a stiff fine, for Burgess McNary will not tolerate the use of such language on the streets, and police officers have been instructed to arrest all such violators of the law."
