Affiliated Schools

The Meadville Commercial College, of Meadville, Pa., is one of the two schools in the state of Pennsylvania that is affi-lated with the American Commercial Schools Institution of Washington, D. C. Schools Institution of Washington, D. C. Schools cannot become affiliated unless they are first-class in every particular. Those who expect to take a course in a business school will find the Meadville Commercial College up-to-date in every way. Good teachers, good equipment and good organization coupled with mod-em methods as a second school with modern methods assure patrons the very best in the way of business education. Students who attend a business school us-ually do so with an idea of securing a po-sition as soon as they are qualified. The Meadville school has always been able to secure suitable positions for graduates as well qualified clerical heip is always in demand. Catalogue and literature sent on request.
