Over 300 Lives Lost---Emigrants In Awful Fight.

John W. Neff Convicted-Electrification of New York Central-To Reclaim Oyster Bay's Water Front. Racing Events of Week-Labor Law Unconstitutional.

A terrible marine disaster occurred Sunday evening off Cape Palos, near Cartagena, Spain. hTe Italian steamship Sirio, from Genoa for Barcelona, Cadiz, Montevideo and Buenos Ayres, with about 800 persons on board, was

The bishop of Sao Pedro, Brazil, also was lost, and it is reported that another bishop is among the missing.

Three hundred emigrants, most of them Italians and Spaniards, were

Before he committed suicide the captain declared the steamer had 645 passengers on board and that her crew numbered 127 men. The Sirio had 570 passengers when leaving Genoa, but additional Spanish passengers were taken on board at Barcelona, The captain of the Sirio, before he

Genon Aug. 2. A roll call taken on shore shows that 385 persons from the Sirio are missing, but it is believed that a few were taken on board French and German steamers which continued their voyage after the Sirio sank. It is said that many of the first and second cabin passengers were drowned, their cabins being the first to go under wa-

The remainder of the passengers and the officers and crew got away in the ship's boat or were rescued by means of boats sent to them from the shore. were taken on board at Barcelona.

The Madrid correspondent of The Daily Telegraph of London describes Sirio disaster as one of the worst on record. The Italian emigrants, with knives in their hands, and without regard for the women or children fought with the greatest brutality for the possession of life buoys and boats.

Many were killed or wounded, including several members of the crew who were attacked by emigrants.

John W. Neff Convicted.

John W. Neff, former auditor of Eric county, was found guilty early on Phursday morning at Warsaw, N. Y. of grand larceny in the first degree. all hope of a conviction.

Neff is the second man to be con victed in the graveyard scaudal, which has stirred up Buffalo and Erie county for two years. Rowland J. Conover, the man who had the contract to clear the graveyard for an armory site, was the first to be convicted. Sentence upon him had been held up for several months, and he was the chief witness for the people.

Others indicted in this case were Frederick Greiner, the postmaster of Buffalo: Frederick O. Murray, the collector of the port; Gibson, Jackson and Stock, supervisors, who, it is alleged, shared the swag with Neff. Greiner

Neff was sentenced Monday to seven years at hard labor in Auburn prison. Execution was deferred till Thursday so his attorney can make application for certificate of reasonable doubt.

Central on the Hudson River division the rate of \$2 per day for 10 hours. The runs are to be between Grand Central station, New York, and Poughkeensie on the Hudson River division and Grand Central station and Wake-

field on the Harlem division. The electrification of the road will reduce the engineers' mileage to such FANCY BOOT & SHOEMAKER.

Prompt attention given to mending, and prices reasonable. an extent that it will mean a reductlement and thus avoid the possibility of conflict with the Brotherhood of En-

gineers and Firemen. To Restore Oyster Bay's Water Front. The Oyster Bay board of highway commissioners, commanding a force of 25 Italian laborers, technically demolished p iers and stone walls obstructing what is known as the shore road, which skirts Sagamore Hill and

Roosevelt, George F. Maxwell and

Frederick L. Coudert. The movement to restore the water front of Oyster Bay to the town is backed by decided public sentiment. In the year 1677 what is known as the Andros patent conveyed in fee simple to the town of Oyster Bay all land be-

hundred years ago the shore road was declared a highway by the Oyster Bay board of highway commissioners.

The road was surveyed 66 feet wide and followed the high tide mark along the shore. Gradually it has been en croached on. The piers which were destroyed crossed the road, as did the stone walls.

Race For King's Cup Off Newport.

One of the main events of the sport ing world in the coming week will be the Cowes regatta, which opens as Cowes, Eng., on Tuesday, under the auspices of the British Royal Yacht squadron. Yachts belonging to the squadron will compete in a handicar over the Queen's course for King Ed ward's cup. King Alfonso and Queer Victoria of Spain, who arrived a Cowes Aug. 1 on the Spanish roya. yacht Giralda, escorted by the ar mored cruiser Princess de Asturias will witness the contests.

On Wednesday the largest and Leetest yachts of the big fleet of pleas ure and racing craft now taking parin the annual cruise of the New York Yacht club from Glencove to Newport R. I., will race for the king's cup over a course off Newport.

At Worcester on Friday and Satur day the oarsmen of the N. A. A. C. will compete in the annual regatta of that organization.

Racing at Buffalo and Saratoga.

The grand circuit light harness meet will begin at Buffalo on Monday, and the runners who have been at the big tracks around New York since early spring will open the racing season at Saratoga the same day.

The golfing event of the week will be the Metropolitan Golf association open championship in New York city on Friday.

The big sporting event of the week in Canada comes on Monday when the international firemen's tournament is held at Hamilton, Ont.

Restriction Law Unconstitutional.

The state law of New York state which restricts the labor by wo men and children to 10 hours a day and 60 hours a week in a factory was declared by Justice Olmstead, in a decision handed down in the court of special sessions, to be "an unwarranted invasion of constitutional rights." The ruling was concurred in by Justices McKeen and Deuel.

Attorney General Meyer announced that he would appeal from the decis

"I will carry the case, if needs be," he said, "to the United States su preme court so long as the question of the constitutionality of the statute has been raised."

General Strike of Lithographers. A strike of the Lithographers' International Protective and Benefit as sociation of the United States and Canada was ordered Wednesday night by John A. Hamilton, president of the association. The strike went into effect at once, and affects 20,000 men of lithographing concerns in the United States and Canada. The associa tion made a demand on July 9 for 48 instead of 53 hours work per week, compled with notice that in default of compliance a strike would be ordered

on July 25. Accept Transvaal Charter. The proposals of the British government for the establishment of a constitutional government in the Transvaal were received with a feeling of relief and were welcomed as being reasonably democratic. It is anticipated that all the parties will accept the constitution and loyally try to make the best of it. The margin between Britons and Boers is so narrow that it is impossible to forecast who will obtain the majority in the first

The Broncho Broke World's Record. The Broncho, -daughter of Storm Cliffe, who recently was purchased by Messrs. Rochon and Doble of Winnipeg, Man., for \$10,000, won the three heats of the free-for-all pace at Cleveland, O., in 2:03, 2:0314 and 2:02%, thereby breaking the world's record for three consecutive heats by 4 second, the world's record for pacing mares in a race, and the world's record for the fastest third heat in a

Sage Estate \$150,000,000.

It was stated in New York Friday that the executors of the estate of Russell Sage were amazed in proceeding with the inventory of his estate to discover \$50,000,000 in securities, the existence of which had never been enspected. It was stated that the estate now amounted to \$150,000,000.

180 Square Miles of Timber Sold. One hundred and eighty square niles of timber land worth \$1,500,000 were sold at Toronto on Wednesday to Holland & Graves of Byng In-The tract is situated on the north shore of Georgian bay and includes the townships of Hyman, Porter, Totten, Vernon and Berth No. 1. The limit is covered with virgin pine.

Bishop Refuses "Unclean" Money. Bishop Brent of the Protestant Episcopal church of the Philippines has refused \$1,000 offered him for charities by a jockey club as unclean money. All churchmen at Manila are united in the movement against race tracks and cockfights in the Islands.

Many National Conventions. One of the features of the coming week will be the unusually large number of national and international con-

Governor Appoints a Man to Fill Vacancy.

Evidence Showed Sheriff Appointed Hart at Vankirk station. as Court Attendants Persons Already In His Employ as Sheriff and Tha They Did No Additional Work, Him self Appropriating Proceeds.

Albany, Aug. 7.—Governor Higgin. and appointed Stanley Day of Elmin perforated by bullets. to fill the vacancy. McDowell was

The evidence, according to a mem as sheriff, that they performed no ser | them. vices except such as they would nat urally render as employes of the sher iff, and that the sheriff appropriated to his own use the proceeds of certifi cates payable for their services. In conclusion Governor Higgins

"A bare statement of these facts seems sufficient. The defense that al this was by agreement with the ap pointees might, if made out, qualify the act of signing their names to the certificates, but could not mitigate the offense against the county treasury.

"The further plea that in this course of conduct the sheriff was but follow ing the practice of his predecssors it office is not made out, as there is no evidence that any prior sheriff appro priated the fees of his employes, wher they served as court attendants, or that his employes when appointed as court attendants rendered no service. "Even if this were so it is a viclous

THREE CARNEGIE PENSIONS.

son College to Retire.

Washington, Pa., Aug. 4.-President James D. Moffat of Washington and Jefferson college on his return from New York gave notice that three professors of the institution had been granted annual pensions by the committee for the placing of the Carnegie teachers' endowment fund. Those granted annulties are Professors J. F. Ray, Henry W. Woods and George B. McCutcheon, each of whom will receive \$1,000 a year.

Professors Wood and Ray have been connected with the faculty for more than 25 years, a service of this length being necessary for the obtaining of a pension. A special pension was arranged for Professor McCutcheon, who has taught here for about 10 years. He is incapacitated for duty on account of illness.

Decision In Toledo Ice Cases.

has dismissed the charges against court. Were it not for the fact that Harry H. Bender, fiscal supervisor of the ice men's attorneys succeeded in state charities.
