

1906 AUGUST 1906

Calendar table for August 1906 with days of the week (Su. to Sa.) and dates (1-31).

MOON'S PHASES table showing Full Moon, New Moon, and other phases with dates and times.

Republican Ticket.

STATE. Governor, EDWIN S. STUART. Lieutenant Governor, ROBERT S. MURPHY. Auditor General, ROBERT K. YOUNG. Secretary of Internal Affairs, HENRY HOUCK.

COUNTY. Congress, Hon. N. P. WHEELER. Assembly, T. D. COLLINS. District Attorney, A. C. BROWN. Coroner, Dr. C. Y. DETAR.

Important to Republicans.

The duplicate copy of registry list of voters is now hanging up, or should be at the voting place in each election district ready for inspection.

All voters twenty-two years of age or over who have not paid a state or county tax within two years, which tax has been assessed at least sixty (60) days and paid at least thirty (30) days before election, November 6th, cannot vote.

A good way to boom Bryan for 1908 is to boom Emery for 1906.

The railroads are coming to time with reduced passenger rates. Government regulation blesses alike the giver and the receiver.

The Lincolnites endorse local option and their candidate endorses breweries, so there you have it. Catch 'em going and coming.

"READ Emery's letter of acceptance," shouts a Democratic exchange. Better first read his letter to Editor Likins and get his gauge on breweries, churches, schools and hospitals.

SENATOR TILLMAN is reported to have said in a recent address: "I walk into a bar as reverently as I do into a church."

THE associates of the late Senator A. P. Gorman were rather surprised when it was found that the value of his estate approximated three million dollars.

TREASURER BERRY says that Emery will win, in spite of Swallow and Castle. This is a flat contradiction of the statements of these two gentlemen.

AS IF Dr. Swallow hadn't smashed the Wauwanesau candidate into smithereens, Homer Castle jumps on and finishes the job. Oh, how, come off. You've made a bad mess of it so early in the game.

LEWIS EMERY, JR., the Lincoln and Democratic candidate for Governor, in his letter of acceptance, asserts in his own incisive manner the well nigh forgotten principle that the people are the rulers and office holders only servants.

HE likewise asserts in another letter that "he would not withhold his donation from a brewery, no more than he would from the churches, schools and hospitals."

LEWIS EMERY JR., is running on a platform which expresses the confident hope of Mr. Bryan's election to the presidency in 1908. His election next November would be hailed as a Democratic victory in the strongest of Republican states.

THAT hitherto great apostle of morality, the Philadelphia Press, once looked up to by the better class of people in this state as the advocate of all that is decent in politics and everyday life, is just now engaged in an effort to induce the voters to support a man who places churches, schools and hospitals on the same plane with breweries.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand.

At Harrisburg yesterday the Prohibition state executive committee filled the vacancies in their state ticket by nominating Homer L. Castle for governor, H. D. Patton for lieutenant governor, George Hoffman for secretary of internal affairs.

THE Inter-State Commerce Commission has issued its first general order to the railroads of the country, growing out of the recent enactment of the Hepburn railroad rate law.

DR. SWALLOW'S pointed criticism of Mr. Emery, followed by the blast sent out by Mr. Castle, make the endorsement of Mr. Emery by the Prohibitionists utterly impossible.

Brother of G. W. Sawyer Dead. Jefferson Sawyer, a brother of our townsman, ex-Sheriff Sawyer, passed away on the 3d inst., while attending to his duties in the fire room of the ropewalk at the Navy Yard, in the city of Charlestown, Mass.

Jefferson Sawyer passed away yesterday morning in the fire room of the ropewalk at the Navy Yard, where for thirty-nine years he had been an engineer.

From Washington. COLVILLE, WASH., July 30, 1906. To My Friends in the East:—Since I have written the last letter we have had a month of very warm and dry weather.

The ranchers are busy putting up their hay. The crop this year is large and good. Crops seem to do well with far less rain than they would in Pennsylvania.

In the last two weeks there have been three claims taken within one and a half miles of mine. I don't think it will be very long until all the good claims will be taken.

Work is good now. The price for common labor at the band saw mills is \$2.25 per day.

In compliance with the requirements of the State law requiring that all school children must produce a certificate of vaccination on entering the schools, notice is hereby given that pupils of Tionesta Borough schools must furnish such certificate on the day of entrance to schools.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable.

Two dog pups 10 weeks old, a cross between a Dwarf Beagle Hound and English Rabbit Terrier. Both are good hunters. Will sell them reasonable.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand.

Cream of the News.

—Few men are as brave as their convictions. —For all blemishes of the face and skin use San-Cura Ointment and San-Cura Soap, 25c, at Dunn & Fulton's.

—The most deceptive cause of nervousness is diseased kidneys. Thompson's Barosma cures the kidneys and tones the nerves, 50c and \$1. Dunn & Fulton.

—An itching, burning pain, caused by eczema, piles or any skin disease, is stopped at once by San-Cura Ointment, 25c and 50c, at Dunn & Fulton's.

—The intense itching characteristic of salt rheum and eczema is instantly allayed by applying Chamberlain's Salvo. A cure for skin diseases this salvo is unequalled. For sale by Dunn & Fulton.

—Thompson's Barosma has positively made wonderful cures in Bright's disease, sciatic rheumatism, kidney and liver diseases, lumbago and female weakness.

—No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin, of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for several years, but, thanks to Chamberlain's Stomach and Liver Tablets, am almost cured."

Everybody knows them. All skirts go at a price now: \$6.00 skirts for \$4.00. \$5.00 skirts for \$3.00. Only 23 left. Come before they are all gone. HOPKINS' STORE.

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are liable to follow.

—I can truthfully recommend Thompson's Barosma, Kidney and Liver Cure as a fine medicine and a cure for all you claim for it. When I commenced taking it I weighed 114 pounds and after five months I weighed 136 pounds.

A prominent lady of Geneva, Ohio, says Crocker's Rheumatic Cure is all right. Under date of Jan. 5, 1906, she says: "This is to certify that I have had rheumatism more or less all my life, and have taken only one and a half 50 cent bottles of Crocker's Rheumatic Cure and have been very much benefited by it."

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious.

Take Laxative Bromo Quinine Tablets. Druggists refund the money if it fails to cure. E. W. Grove's signature is on each box, 25c.
