Mr. Emery's candiadey. Now if some body will corrall Dr. Swallow's meat axe and Homer Castle's bazoo the deadly weapons will be pretty well under cover. -Brookville Republican.

AND the Rev. Silas C. Swallow is still going some. He says: "Let Mr. Emery beware how he challenges men to come out in the open and dubs them cowards and insinuates corruption. Mr. Castle will be abundantly able, in his turn, to demonstrate the truth of his assertion that Mr. Emery as a reformer is in sincere."

UNFORTUNATELY for Mr. Emery, the Democratic party in Pennsylvania does not agree with him that national affairs have no part in the campaign. It was the presiding officer of the Democratic State Convention-Michael J. Ryan-who second, Haslet singled and side second, aroused the intense enthusiasm of the Convention-Michael J. Ryan-who delegates who had assembled to nominate Mr. Emery by declaring that-

"The success of the ticket named today will result in the election to the Presidency of that trionne of the people, William Jennings Bryan.

A MEETING of the Democratic county committee was held at the court house this morning to complete the nominations J. Bankhead, 3b on their ticket occasioned either by failure to nominate at the convention held some time ago or the refusal of the nominees to accept the honors thrust upon them. John O'Neil of North Clarendon, was nominated for sheriff in place of H. T. Russell, declined; Dr. G. F. Bowman of Tidioute, was named for prothonolary Wilbur, s. and T. L. Hampson of Glade, was selected as a candidate for district attorney. -Warren Mirror.

THE issue in a nutshell : Lewis Emery advocates certain reforms. Edwin S. Stuart stands for every one of those reforms. Emery is running on a ticket with three rampant Bryan Democrats and standing on a platform that acclaims Bryan as the next President, Stuart is running on a ticket with three Republicans who, like himself, are the sincere supporters of and sympathizers with President Rossevelt. Pennsylvania is a Republican State and the administration at Washington needs its endorsement and help. It ought to be very easy for any Republican to make up his mind what to do.

THE Lancaster Now Era hands Mr. Emery and his supporters this "hot one:" "Candidate Lewis Emery, Jr., in ers are the only men in the land worthy of public confidence. Of course, it is a good thing when a man thinks well of himself, but it does no man credit to say or believe all men are rogues save him. or believe all men are rogues save him-self and such as train under him. There were kings before Agamemnon, there will be bonest men left after Mr. Emery's departure." And there were six errors behind him. We could not get a complete box score, The Yanigans lined up as follows: Stroup, p., Foreman, c., Paul Carson, ib., Gil-bert Hagerty, 2b., Glenn Henry, 3b., Crawford, ss., Weaver, If., Ed. Lawrence, mf., and Herb. Hepler, rf. Construction of the state of the undersigned Administra-tor, or his connsel. John W. JAMIESON, Adm'r. S. D.
