Republican Ticket.

STATE.

Governor, EDWIN S. STUART. Lieutenant Governor, ROBERT S. MURPHY. Auditor General, ROBERT K. YOUNG. Secretary of Internal Affairs, HENRY HOUCK.

COUNTY.

Congress, HON. N. P. WHEELER. Assembly, T. D. COLLINS. District Attorney, A. C. BROWN. Coroner, DR. C. Y. DETAR.

When a candidate is unable to distinguish between breweries and churches, he ought to be elected governor—NIT.

BREWRIES, churches and schools, these three; but the greatest of these is breweries—in the opinion of some candidates.

THE DELEGATES of this district, in conference at Oil City last evening, gave E. H. Bashlin, of Warren, the compliment of the nomination for Congress. There was no contest, and it was difficult to get a candidate to stand for the nomination.

DR. SWALLOW cries out in wrath that Mr. Emery isn't fit. Considering the number of tailors who have fashioned the gentleman's political coat, we would remark that Dr. S.'s eye for the artistic is eminently o. k.—Brookville Republican.

Bro pardon, but has anyone heard whether candidate Emery endorses that plank in the Democratic platform which condemns the state constabulary, or does he endorse the murder of the three members of the state police at Florence since recently by Italian desperadoes? Which horn of the dilemma does Lewis Jr. grasp?

AN ex-Governor of Connecticut and a party of friends refused to pay his fare because the New York, New Haven & Hartford Railway did not provide seats for him. He rode with the rest in the crowded car to the New Haven station and there the police refused to make any arrests. Perhaps the next great popular crusade will be a no-seat-no-fare movement.

REFORM? Yes, to the limit. But deliver us, please, from the Professional Reformers—those who make a business of calling everybody else thieves. We have had quite enough of the "holier-than-thou" proposition in the Real Estate Trust affair. "Reformers"—such as they were—ran that institution, and one of them is dead and there are others who need to learn how to reform themselves in solitary reflection.—Phila. Inquirer.

WHY don't the Democratic and "reform" papers urge the looting of the Real Estate Trust company bank in Philadelphia as a reason for supporting the "reform" ticket? About all the directors, including the suicide president of the bank, were of the holier-than-thou stripe, and up to the time of the crash were crying aloud for "civic righteousness." It was a good card to work when the Enterprise bank of Allegheny went down last fall; why wouldn't it make good campaign material this fall?

THIS does not seem to be a good year for Republican kickers. In Vermont the Republicans named an estimable man for Governor and some other alleged Republicans considered him not good enough, so they selected a candidate who got a Democratic indorsement. The Republicans won by an old-fashioned majority of about 10,000, showing that the Republican defection was small. The Vermont carried every county but one and have practically all of the Legislature, the minority representation not being enough to make the situation interesting.

CLOSE observers of the political field, declares the Williamsport Gazette and Bulletin, are agreed that the Lincoln party, which at one time threatened to cut considerable of a figure in the campaign, is gradually dying out. The cause of this is twofold. First, the attempt to draw Republicans away from their faith, second, by adding the Democratic party; second, the acceptance of Lewis Emery, Jr., of a Democratic nomination on a Bryan platform. There are few sane Republicans in this state who could be deluded by such a combination as that, and for these reasons the Lincoln party movement is proving a laughable fiasco.

AND now Maine has spoken, and her voice is the same as when she heralded the memorable victory of the late lamented Governor Kent. The entire Republican ticket, from Governor down, is elected by the usual off-year majorities, including the re-election of Congressman Littlefield, who was made the target of all the isms known to the present generation. The elections were held on Monday, and the vote of the opposition was the heaviest that has been polled in many years. This doesn't seem to be a good year for Democratic and fusion victories. When the voters stop to think it always means a Republican victory.

Report of W. C. T. U. Convention.

The twentieth annual convention of the Woman's Christian Temperance Union of Forest county convened in the Presbyterian church of Tionesta, Sept. 4th and 5th, 1906. Mrs. Margaret B. Beck in the chair. At 3 o'clock Tuesday afternoon, Mrs. Meehling, of Clarington, conducted the devotional services. "Guide Me, Oh Thou Great Jehovah" was sung. 25th Psalm read and prayer by Mrs. Work. "The Good Shepherd" was beautifully rendered by Mr. Frank Wheeler, Jr. Minutes of executive read and approved. Roll call was responded to with scriptural verses by twenty-four members. Convention was welcomed by Mrs. Adams. Response by Mrs. Sue Warden, of Endeavor. The annual address of the President was full of interest and received with a rising vote of thanks. Miss Lillian Phelps, the speaker for the evening, was then presented to the convention and expressed great pleasure in being present at a Forest county convention, this being her third visit to Tionesta. Mrs. A. B. Kelly's report showed the finances of the county in good condition. She took this opportunity to thank the Union and the Y's, who recently presented her with a life membership, and others might be remembered in a similar manner. Mrs. Alice Siggins, County Superintendent of Parliamentary Practice and Physical Culture, after giving Mrs. Bishop's method of resting an audience, conducted a parliamentary drill. Miss Phelps gave a brief talk on the condition of affairs in Utah and urged every woman be vigilant in waging the war against Mormonism. The following committees were appointed by the President: Resolutions—Mrs. Warden, Mrs. Meehling, Mrs. Derickson, Mrs. Siggins, Mrs. Cook, Mrs. Watson, Time and Place—Mrs. Kelly, Mrs. Adams, Mrs. Catlin. Grouping Unions—Mrs. Hill, Mrs. Siggins, Mrs. Cook. All joined in singing "Blest Be the Tie that Binds," after which meeting adjourned.

Tuesday evening, 7:45.—Praise service conducted by Rev. J. F. Scherer, of Endeavor. A bass solo was sung very acceptably by Mr. Frank Wheeler, Jr., after which Miss Lillian Phelps, of St. Catharines, Ontario, gave an address which delighted her hearers and nothing but words of praise were heard from the audience present.

Wednesday, 9 a. m.—After devotional service led by Mrs. Ellen Catlin, the reports of County Superintendents were listened to, most of which showed good work done the past year. The Corresponding Secretary, Mrs. Sue May Sharpe, reported for the various Unions as follows: Tionesta has a membership of 49 and 5 honorary members; held a very delightful parlor meeting, at which time report of state convention was read; gave annual dinner at the county home, which is always a bright day in the year for the inmates; principal work of the year was remonstrating against the saloons and while not successful, made a good fight and feel that work was not in vain. Clarington has a membership of 25, also a flourishing L. T. L.; has held five public meetings and held commemorative services for Miss Willard. A letter of greeting from the State Corresponding Secretary, Miss H. Frances Jones, was read. Mr. Frank Wheeler, Jr. sang another beautiful solo, "The Slumber Boat." An election of officers followed, Mrs. Margaret Beck, of Marienville, being re-elected President; Mrs. G. F. Watson, of Tionesta, Vice President; Mrs. Ellen Catlin, of Kelleetsville, Recording Secretary; Mrs. Elizabeth Kribbes, of Marienville, Corresponding Secretary; Mrs. Augusta Kelly, of Tionesta, Treasurer. Noonday prayer was voiced by Mrs. Augusta Kelly. Adjourned.

Wednesday afternoon, 1:15.—The President presided over an executive meeting, at which time the following Superintendents were elected: Evangelistic and Sabbath Observance, Mrs. Elizabeth Crossman; Flower Mission, Mrs. Arley Lynch; Literature, Mrs. Savilla Shippe; Lumbermen, Mrs. G. F. Watson; Mercy, Mrs. Emily Cole; Parlor Meetings, Mrs. Belle Hunt; Purity, Mrs. Euphemia Meehling; Prison and County Home, Mrs. Clara Carson; Anti-Narcotics, Mrs. Alice Turner; Press, Mrs. Martha Derickson; School Savings, Mrs. Sara Haggerty; Suffrage, Mrs. Ida Small; Scientific Temperance Instruction, Mrs. Ellen Catlin; Sabbath School Work, Mrs. Henderson; Juvenile Societies, Mrs. Hill; Soldiers and Sailors, Mrs. Cook; Young Woman's Branch, Mrs. Sue Warden; Parliamentary Practice and Physical Culture, Mrs. Alice Siggins; Mothers' Meetings, Mrs. Rachel Wheeler; Railroad, Mrs. Sue May Sharpe; Petitions and Legislative, Mrs. Marion Kendall; Unfermented Wine, Mrs. Joseph Dale. Devotion meeting at 2:00, led by Mrs. Watson. "America" was sung. Crusade Psalm read responsively and prayer voiced by Mrs. Catlin. "Remember Now Thy Creator" was sung in a most effective manner by Mr. Frank Wheeler, Jr. Four delegates were elected to represent the county at the state convention to be held at Ridgway, October 5-10, Mrs. Carson, of West Hickory, Mrs. Work, of Clarington, Mrs. Derickson, of Tionesta, and Mrs. Cook, of Nebraska. The alternates are, Mrs. Stewart, of Endeavor, Mrs. Small, of Nebraska, Mrs. Wenk, of Tionesta, and Mrs. Hill, of Clarington. The President announced that Forest county had the honor this year of electing a delegate to represent the three counties of Warren, Clarion and Forest in the world's convention to be held in Boston, Oct. 18. Mrs. Elizabeth Kribbes, of Marienville, was elected delegate. Owing to the illness of Mrs. Wheeler, the Mothers' Symposium was conducted by

Mrs. Arley Lynch, of Endeavor, who read an interesting paper on "Mothers' Ideals." This was followed by talks on the subject of child training by Mrs. Hill, and Miss Judson, who has had considerable experience in kindergarten work. Before demanding obedience be sure that obedience is possible. Heredity and environment are the two great factors, but environment counts most. The speakers emphasized the importance of getting all the joy possible out of life. Miss Gladys Sutton, of Marienville, gave a very interesting report of the L. T. L. Convention at New Castle. Mrs. Kelly, chairman of Time and Place committee, reported West Hickory as the place for holding the next convention. Mrs. Warden, chairman of Resolutions committee, reported and upon motion it was decided to have resolutions published in connection with report of convention. After singing "God Be With You Till We Meet Again," the President declared the convention adjourned.

Wednesday evening, 7:45.—Praise service conducted by Rev. Paul J. Slonaker, of the Presbyterian church. The beautiful solo, "Abide With Me," was sung by Mr. Frank Wheeler, Jr., whose singing at each session added greatly to the pleasure of every one and not soon to be forgotten. The address of the evening was delivered by Rev. J. B. Keeley, of Franklin. An offering was taken, after which all joined in singing the doxology and were dismissed with the benediction. RECORDING SECRETARY.

RESOLUTIONS.

Whereas, God in His mighty providence has brought our County Woman's Christian Temperance Union to this, the twentieth convention assembled, do render thanks and praise unto His holy name for His care and guidance and the prosperity that has attended our work, and for the uplifting of humanity that has come from the combined efforts of Christian women; we tender the following resolutions:

First. That we will endeavor to promote the religious observance of the Lord's day; that we will in every way oppose and discountenance its desecration, believing it to be the cornerstone of a nation, a blessing to the commonwealth. Second. That we most heartily endorse the movement to observe the fourth Sabbath of November as Temperance Day in all our Sabbath schools.

Third. That as prevention is better than a cure, and as there are more children in the public schools than the whole number of individuals whom we can certainly influence outside of them, that we will work during the year before us to make a special effort to have their parents, teachers of the schools to organize a K. O. Y. or some branch of juvenile training, feeling that the hope of the future lies in the careful teaching and proper environment of our children.

Fourth. That we continue to labor for a single standard of purity for men and women, and that we strive to banish impure literature from the home and from places of public resort.

Fifth. That we hereby give hearty expression of our indebtedness to the editors of the county for the space they so kindly give us for temperance reports in their papers. Sixth. That we are under obligations to the local Unions for their all-year-round faithfulness, who have made it possible to come together to plan for another year's work.

Seventh. That since our Prohibition brethren are just now in the midst of a very important campaign in the county, and since we recognize that their principles are the same as those for which we contend, we express our deep interest and earnest sympathy in their success and that we pledge our influence to advance their cause whenever possible, and that we co-operate with the Anti-Saloon League in its efforts to abolish liquor from our county.

Finally, That we tender our heartfelt thanks to the ladies of Tionesta for their royal welcome, and to the trustees of the church for the use of the same; to the ladies for their beautiful decorations; to Frank Wheeler, Jr. for his fine solos, which were so much enjoyed by every one; and to the organizers, Miss Randall and Miss Vought, and to all those who in any way contributed to the enjoyment of the convention.

SUE E. WARDEN, EUPHEMIA MEHLING, MARTHA DERICKSON, Committee.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
