We of New York, we of Maine, we of Oregon, we of the entire union, are looking to you here in Pennsylvania to roll up an old-fashioned majority for the regular Republican ticket."

OUR candidate for Congress, Hon. N. P. Wheeler, paid a friendly visit to Mercer county people last week, where he met with a most cordial welcome at the hands of the people irrespective of party affiliations. He attended the fair at Mercer one day and his reception seemed like a continuous ovation. The town was filled with residents from all over the county and from every section Mr. Wheeler received the warmest assurances of support, the people being delighted with his personality and business-like ways. Of his visit to Sharon the daily Telegraph of that wonderfully busy city every suit. Hopkins. has this to say : "Nelson P. Wheeler, Republican candidate for Congress in this district, of Endeavor, Pa., accompanied by his private secretary, Gus B. Evans, visited his friends in Sharon today, and was about among the voters. Mr. Wheeler will be an easy victor in this district, as the opposition against him is very weak. Yesterday he visited Mercer fair and saw a great many people and was well pleased with his reception, He was a caller on James P. Whitla, who enabled him to make the nomination at Franklin last spring and the two had a pleasant visit. Mr. Wheeler and Mr. Evans also paid a visit to the office of the Daily Telegraph. The Republican candidate is a pleasant and affable man, and | beats her. has no trouble whatever in making and retaining friends, a qualification which assists him very much during his campaign. He will make other visits to Sharon as the campaign progresses,"
