Republican Ticket. STATE. Governor, EDWIN S. STUART. Lieutenant Governor, ROBERT S. MURPHY. Auditor General, ROBERT K. YOUNG. Secretary of Internal Affairs, HENRY HOUCK. COUNTY. Congress, Hon. N. P. WHEELER. State Senate, JOHN K. WILSON. Assembly, T. D. COLLINS. District Attorney, A. C. BROWN. Coroner, DR. C. Y. DETAR.

The Republican Ticket. The ticket which the Republicans have nominated this year is one of the strongest, cleanest and best in point of moral worth that has been placed before the people in two generations.

There should be no lagging among Republicans from this on till the close of the polls next Tuesday. Let every one do his duty to himself, his party and his candidates on the ticket, and he will reap his reward in the thought that he has helped to achieve a splendid victory.

EVERY laboring man and every friend of labor should vote for Hon. N. P. Wheeler. He has employed thousands of laboring men during his long business career, and his uniform kindness, earnest consideration and fair treatment of all his employees has won their admiration and love, and we doubt if there is a single one among the army of men who have worked for him but that will find great pleasure in voting to send him to Congress.

LET your ticket be straight Republican next Tuesday. Our candidates are good, clean men, every one of them. THE muck-rakers are beaten to a stand still, that's settled. It is only a question as to how much a majority they will find themselves under after next Tuesday.

A Falsehood Nailed.

The opposition to Mr. T. D. Collins for some days past has been promising the voters of Barnett township that they would produce some startling revelations of what kind of legislation Mr. Collins proposes to sustain if elected to the Assembly. In Tionesta township on Saturday the promised "revelation" was sprung, and consisted of a few quotations from a digest of the Game, Fish, and Forestry Laws of the State, published in 1905.

Act of February 25, 1901. "Title to all lands purchased by the Commission shall be in the Commonwealth, held by the Commission of Forestry, and said lands are not to be subject to warrant, survey or patent, and are exempt from taxation."

Mr. Collins favors an equalization of taxes, so that our county may pay off her indebtedness while the timber land is yet valuable, that the burden may not fall on the small land owner and farmer in years to come.

ALL parties unite in praising the exemplary life and energy of the Republican candidate for Assembly in Forest county, Truman D. Collins. His success, achieved after years of toil, has not turned him from his life of sobriety, honesty, and regard for the welfare of those around him.

BEWARE of "roofbacks" and "last cards" which the opponents of the Republican party will attempt to flood the country with in the last hours of the campaign. It is understood the muck-rakers, finding their cause hopeless, will make a last desperate effort to deceive the people in the hope of winning a hopelessly lost cause.
