No one was observed passing the building at the time of

VOL. XXXIX. NO. 35.

The United States now holds the record of "farthest north," 87 degrees 6 minutes, 203 miles from the pole. This feat was accomplished by Commander Robert E. Peary of the United States navy. The intrepid Arctic explorer failed to reach the North pole as he had confidently hoped to do died of apoplexy at a hospital in New with his specially constructed vessel, York Saturday, aged 74 years. He the Roosevelt, but he penetrated nearer to the pole than the Duke of Abruzzi's expedition, which had held the Arctic record, 86 degrees 34 minutes.

summarized in a communication received last week by Herbert L. Bridgclub. This communication follows: Newfoundland, Nov. 2. To Herbert L. Bridgman:

Roosevelt wintered north coast of Grant Land, somewhat north of Alert winter quarters. Went north with sledges February via Heckla and Columbia. Delayed by open water between \$4 and \$5 degrees. Beyond \$5 six days. Gale disrupted and ice destroyed caches, cut off communication with supporting bodies and drifted due east. Reached 87 degrees 6 minutes north latitude over ice, drifting steadily eastward. Returning ate

# BEHEADED BY ELEVATOR.

**Girl Puts Her Head Through Gate Win**dow; Car Drops Upon It.

Pittsburg, Nov. 6 .- Beheaded by an elevator as if by a guillotine was the distressing accident which befell Miss Maud G. Weaver, aged 23, at the Fort

Pitt hotel Sunday afternoon at 4 Cream of the News Culled From Long o'clock. Death was instantaneous. **Dispatches and Put In Proper Shape** The accident occurred at the third For the Hurried Reader Who is Too floor of the hotel. There is a window in the gate of the service elevator, not Busy to Read the Longer Reports used by guests of the hotel, and as the glass had been broken out Miss Six men killed is the record thus far Weaver must have put her head in the present hunting season in the through the opening to see where the elevator was.

While her neck was resting on the slender sill of the window down came the elevator with a rush, chopping off most of the girl's head and hurling it down the shaft to the basement. The victim's body fell backward upon the floor and the elevator operator, having seen her fall, stopped the car and hurried back to see what had happened.

while driving home and was killed by Miss Weaver was a house maid at the hotel. While working on the third Severe punishment was inflicted upon Englishmen in Cairo as an illusfloor she had been summoned to the tration of Lord Cromer's new policy of sixth. Instead of ringing the bell It is believed she put her head through equal treatment of British subjects the window to locate the elevator, appurently believing it was some distance away. The elevator shaft was The Utes have crossed the Wyoming dark and nothing could be seen. Death line and are apparently making for must have come before the girl had a chance to realize the peril of her Ashland, appointed as a meeting place method of locating the elevator.

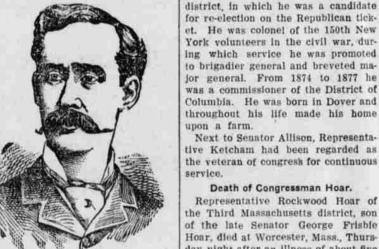

Samuel Elbert, the young man in charge of the elevator, says he is certain that the bell was not rung for him to stop at the third floor. As he could not see the girl, he says he had no means of knowing she was there. He will be called to testify at the coroner's inquest.

## Scarcity of Platinum.

Cleveland, Nov. 6 .- The price of false teeth is mounting at an alarming lative authority for taking its water rate as the result of a scarcity of platisupply from the Niagara river. It has num. The last month the increase been obtaining its supply from the has been more than \$1 per set. Since Erie canal for many years and has dentistry has reached its present stage been compelled for sanitary reasons of perfection it has been almost impossible to supply the increasing demand for artificial teeth. Platinum is used in pluning the porcelain tooth to the plate. It is the only metal that In the suit of Comtesse Boni de Castellane for divorce she charges cruelty will resist the great heat necessary to as well as infidelity, alleging that the fuse the porcelain. For similar reasons platinum is the only substance that can be used in the manufacture Judge Joseph E. Gary of the Chicago of electrical contact points and consuperior court, who presided at the ductors, and this industry is one cause of the shortage.

by open water, reached north coast of Greenland in straightened conditions. Killed musk oxen and returned along Greenland coast to ship, Two supporting parties driven on north cost of Greenland. One rescued' by me in starving condition. After one week recuperation on Roosevelt sledged west, completing north coast Grant Land and reached other land, near 100th meridian. Homeward voyage incessant battle with ice, storms and headwinds. Roosevelt magnificent ice fighter and seaboat. No deaths or illness in expedition.

PEARY.

President Roosevelt's Visit to Panama. President Roosevelt after voting at Oyster Bay Tuesday, morning immediately returned to Washington to board the naval yacht Mayflower, which took him to a point off Wolf Trap light, where he embarked in the battleship Louisiana for his trip to

Porto Rico and Panama. The president was accompanied by Mrs. Roosevelt, Surgeon General P M. Rixey of the navy, M. C. Latta, the president's assistant secretary, and Rear Admiral Robley D. Evans, who will act as the president's personal aide. The president expects to reach Colon Nov. 13. One very interesting feature of the

president's visit to the canal zone will be his inspection of the Culebra cut, which is set for the 16th. On this tour of inspection he will be accom panied by Chairman Shonts and Chief Engineer Stevens. An entire day will be spent in viewing this difficult sec tion of the canal, which has presented some of the most serious problems en countered in the great work.

Verdict For Sam Shubert's Death. The jury in a New York court re turned a verdict awarding \$25,000 damages to Sam Shubert's father and shother.

The story of how "Everything Sam Shubert touched turned to gold," was told in the United States circuit court here by Lee Shubert, a brother and business partner of the dead theatric al manager. Sam Shubert was killed in a wreck on the Pennsylvania rail road at Harrisburg on May 10, 1905 and ihs father and mother have brought suit against the railroad company for \$250,000 damages. It was at the opening of the trial

of the suit that Lee Shubert told the story of his brother's success. At the age of 18 a bellboy in a hotel in Sy racuse, Sam Shubert died at 28 the head of a partnership which controlled nearly half a hundred theatres in the United States and England and a large number of prosperous and successful theatrical companies on the road, his brother said.

**Disinherits His Three Daughters.** The will of William Scully, other wise known as "Lord" Scully, said to be the largest owner of real estate in America, was filed at Washington D. C., for probate. The document was executed April 22, 1901. All his lands, none of which are outside the United States, are left absolutely to his wife, E. Angela Scully, Mr. Scully totally disinherits his three daughters, Maria, Julia and Kathleen,

## Killed Himself In the Morque. Patrick Hurley, a policeman at-

tashed to the Fourth precinct in Rochester, N. Y., shot himself in the head Friday afternoon. He walked into the morgue and after a brief conversation with the man in charge clapped a revolver to his head and pulled the trigger. Death was instantaneous. Ill-health is given as the cause of his death.

Continuation of Castellane Suit. A continuation of the plea of the Countess de Castellane for absolute divorce from her husband, Count Boni, Lieutenant Frank T. Evans, son of and the custody of their children, will be presented before the tribunal of first instance of the Seine at Paris by Maitre Cruppi, counsel for the countess, Nov. 7, after which the defense of Count Boni will be heard.

# Death of Bill Nye's Widow.

Mrs. Edgar W. Nye, widow of the late "Bill Nye," the famous humorist, died at New Orleans Sunday at the home of her daughter, Mrs. E. W. Pharr, at Avoca plantation, near Morgan City. Mrs. Nye was 56 years of age and was formerly a resident of North Carolina.

# Rockefeller's Conditional Gift. It was announced that J. D. Rocke

feller had made the American Baptist Home Mission society a conditional gift of \$75,000 toward the rebuilding of the destroyed and injured Baptist churches in and about San Francisco The condition is that the society shall raise as much more by April 1 next.

# Loose Rail Caused the Accident.

Coroner Gaskell at Atlantic City N. J., announced on Sunday night that experts in his employ had decided that a loose rail caused the accident on the Pennsylvania railroad Thoroughfare a week ago last Sunday, in which more than 50 persons lost their lives.

Thaw Trial May Be Called This Week The case of Harry K. Thaw, charged with killing Architect Stanford White is No. 2 on the revised list of homicide cases, the prisoners in which are awaiting trial in the Tombs and may

be called this week.

Death of Horace Greeley's Sister. Mrs. Margaret Bush of Clymer, N

Y., a sister of Horace Greeley and only survivor of his immediate family, died at Corry, Pa., Saturday, aged 83 years.

Philadelphia, Nov. 6.-The vigorous campaign which has been waged throughout Pennsylvania and the complex character of the several tickets which are in the field have created more than ordinary interest in the is sues, with the result that the voting in this city is proceeding with vigor. Citizens have been lined up to the polls almost continuously and the number of votes cast at this time will greatly exceed the record of previous worth \$5,000. off years. Notwithstanding the ex citement no disturbances of import ance have been reported. Reports re ceived from throughout the state

would indicate great interest in the campaign and a heavy vote.

Pittsburg, Nov. 6 .- The war of bal lots is progressing vigorously and full registration is being polled. Interest is intense but citizens are exercising their right of franchise in a proper manner and no disorders of a serious character are reported.

## Good Money For Paper.

Dunbar, Pa., Nov. 6 .-- George Wecola, a Dunbar coke drawer, was fleeced out of \$125 by three strangers in Con nellsville. Wecola went there to send money to his wife in the old country While in a barroom he exposed his roll. Three strangers followed hin when he left and accused him of hav ing their money. He showed his roll to the strangers, who examined it They returned a roll of newspaper clippings covered with two \$1 bills. Wecola did not discover his loss until he reached the bank and turned his bunch of newspaper clippings over tv. the cashier. The three men escaped

## Decision as to Party Advertising.

New York, Nov. 6 .- The appellate division of the supreme court has handed down a decision in the case of Thomas C. Quinn, proprietor of the New York Dally News, against the board of elections, holding, in sub and four other children had a narrow stance, that the newspapers in Man hattan borough which should receive the election advertising as being Dem ocratic papers are not limited to those supporting W. R. Hearst. exploded.

## Pope on Clemenceau Policy.

Rome Nov. 6 .- A telegram contain ing a summary of the declaration of policy made by Premier Clemenceau in the French chamber of deputies vesterday reached the pope last evening. After its perusal the pontiff is reported to have said: "The French churches are prepared for all kinds of persecution. They have already shown the power of resistance they possess.

Mormon Vote Is Republican.

Salt Lake City, Nov. 6 .- That the Republicans today will re-elect Con gressman Joseph Howell and will elect Joseph Frick, their candidate for justice of the supreme court, generally is conceded. The Mormon vote, so fai as it can be controlled by the church leaders, will, it is said, be cast for Republican candidates.
