The new pension law, which allows a pension to all veterans of the civil war over the age of 62 has caused a rush of these faithful old citizens who have heretofore been prevented from securing a pension. One old soldier said that he had always been too lame to get a pension, but now that he is past seventy years of age, and still able to make a living, he can nevertheless, receive a pension.

On last Friday night about 7:30 o'clock, Esquire C. H. Wilton very unfortunately slipped and fell on the pavement opposite the Star Grocery breaking both bones in his right leg just above the ankle. He was taken to his home and Dr. S. G. Beatty called and reduced the fracture. The accident is extremely sad. The nature of the break, with the "Squire's" age, make a more serious one than if he was a younger man. We trust, however, that he may get along well and that it may not cripple him.—Marienville Express.

(Or, not later than the 10th of the month.)—All postmasters throughout the United States have been notified that the department is preparing to issue one-cent postage stamps in book form. There will be only one size, containing 24 stamps, interleaved and bound like the books of two-cent stamps. The selling price will be twenty-five cents per book. The department began issuing these books about March 1, but it will be some time before postmasters will be able to get their requisitions filled.

An order to all railroad conductors of the P. R. R., dated February 2, has gone into effect, and the result of it is already being noticed in this section of the country. The order is that hereafter there is to be no more turning of the seats of the railroad trains on that road. This will, of course, annoy the average "seat-bog," but the order will be appreciated by most travelers who do not think the whole train is being run for their especial comfort and convenience.

An oil deal of considerable importance was closed here last Thursday when Mr. and Mrs. G. E. Gerow and Robert A. Fulton purchased the one-fourth interest of A. F. Ledebur and the one-eighth interest of Herman Blum in the Willard farm oil lease in the Triumph Hill field, Warren county. The owners of the balance of the lease are also residents of Tionesta and vicinity. It contains 110 acres, on which there are 16 wells with a good production. Consideration private.

The Dunn & Fulton drug store had a narrow escape from a fire about six o'clock Monday evening. A bottle containing crystallized carbolic acid had been placed in a pan of water on the hot plate, to melt the stuff down. The pan boiled dry, the bottle broke and the acid caught fire. Robert Fulton grabbed the pan to throw it out doors and just about that time the stuff exploded. He hung onto the pan however and got it out the back door before any serious damage was done to himself or the building. The building was slightly scorched near the back door, but a little water put out the fire.

The enterprising Philadelphia Inquirer has taken exception to Chicago's claim that the Windy City possesses the most beautiful women in America, and proposes to find a handsome woman within the confines of the Keystone state. The Chicago beauty was found, after a spirited contest, to be Miss Della Carson, a Chicago stenographer, and while she is said to be very beautiful, the Inquirer is sure that Pennsylvania can beat them all in that line. So if you have a beautiful lady friend whom you would like to see honored in this distinguished contest send her photograph to the Inquirer. We'd like to see some fair Forest county damsel win this distinction, and verily believe she can be found within our borders.

The Philadelphia Public Ledger of a week ago Sunday contained short sketches of a number of new Congressmen-elect, among which appeared the following mention of the popular Forest county member: "Representative-elect Wheeler, who, after March 4, will fill the seat now occupied by Joseph Crocker Sibley, from the 25th Pennsylvania District, is a lumberman who lives near the heart of nature. His home is at a little place called Endeavor, up in the woods of Forest county. Mrs. Wheeler is a prominent worker in the Christian Endeavor organization—that explains the name of the town. The municipality might as justly have been called Wheeler, because Wheeler established it. The new lawmaker is a practical forester and sees to it that the land which his mills denude is given a chance to reforest itself. In that way he is providing work for his sawmills for practically all time."

Young men, the first question your employers ask themselves when business becomes slack and it is thought necessary to economize in the matter of salaries is, "Who can best be spared?" The barnacles, the shirks, the makeshifts, somebody's proteges, somebody's nephews, and especially somebody's good-for-nothing. Young men, please remember that these are not the ones who are called for when responsible positions are to be filled. Would you like to gauge your own future for a position of prominence? Would you like to know the probabilities of your getting such a position? Inquire within! What are you doing to make yourself valuable in the position you now occupy? If you are doing with your mind what your hands find to do, the chances are two to one that you will soon become so valuable in that position that you cannot be spared from it, and then, singular to relate, will be the very time when you will be sought out for promotion for a better place.

All is quiet and we don't expect it will be necessary to call out the state militia. RECENT DEATHS.

MORGAN.

The relatives and friends were more than saddened by the news of the death of Mrs. Beale E. Morgan, wife of Mr. Wm. E. Morgan, which occurred at her home last Friday evening, March 1, 1907, at ten o'clock. Although her brief illness was of the most serious nature, and from the first there was little hope of her recovery, yet its fatal termination came upon her friends with startling effect and caused them the most profound sorrow.

Mrs. Morgan was born in Bristol, England, in 1833. She lived there until she reached her young womanhood. In the year 1876 she came to America, joining three sisters who had already become residents of this country. Although she lived in Vineland, New Jersey, for a while, she came to Tionesta in 1878, where she has resided since that time, returning once to England to visit her former home and friends. In 1880 she was united in marriage with Mr. Wm. E. Morgan, who survives her and will feel a lasting bereavement in the loss of a most loving and devoted wife.

During the years of her residence in Tionesta, she won the affection of many friends. Her kindness and sympathy put her in touch with all. Her life abounded in good works, and there are many who could testify to her thoughtful care and aid. She was a member of the Free Methodist church, with which she united about two years ago. As a Christian she was consistent and was untiring in her efforts to build up and advance the kingdom of God. During her illness, she many times expressed her perfect love for and trust in her Savior, and it were his will to call her home, that she was ready to meet "her Pilot face to face when she had crossed the bar."

Besides her husband, she is survived by one brother and three sisters, Mr. John Greenslade, of London, England; Miss Lizzie Greenslade, of Shipperville, Pa., but formerly of Tionesta; Mrs. Sarah Pettit, of Hull, Ontario, Canada; and Mrs. Jennie Murphy, of Portland, Indiana. Beautiful floral gifts was the form many took to express their esteem for the memory of Mrs. Morgan. Her funeral services, which were largely attended, were held in the Free Methodist church Monday afternoon, March 4th, at two o'clock. The ceremonies were conducted by her pastor, Rev. H. D. Call and Rev. R. A. Zahniser, which were very impressive. Among the relatives from out of town who were present at the funeral were Miss Lizzie Greenslade, of Shipperville, and Mrs. Jennie Murphy and Mrs. May Murphy Emmons, of Portland, Ind.

BINGMAN.

Orlando Bingman was born in Snyder county, Pa., February 3, 1839, and died at the Mercer, Pa., hospital March 3, 1907, after an illness of several months, the last month being one of great suffering. In 1871 he was united in marriage with Salina A. Longstreth, who died 15 years ago. To this union seven children were born, all of whom survive, except one, as follows: Mrs. Chas. A. Harrison, Nebraska, Pa.; W. F. Bingman, New-Marksville, Pa.; J. F. Bingman, West Hickory, Pa.; G. W. Bingman, deceased; S. G. Orie and Truman Bingman, Nebraska. Four brothers, Fred and Girard, of Union county, James, of Ohio, and Perry, of Big Horn, Wyoming, also survive.

Mr. Bingman came to Forest county from Union county about 22 years ago, and bought a farm in Green township, which he cleared, cultivated and occupied until about two years ago, when he went to make his home with the family of his daughter, Mrs. Harrison. He was a veteran of the Civil war, enlisting in the 40th Reg't, Pa. Vols. in 1861, and remaining till the close of hostilities. His record as a soldier and patriot is an honorable one. Many years ago Mr. Bingman united with the M. E. church and remained a steadfast, earnest Christian to the end of his life. He was a man of strictest honesty, gentle and kind in disposition, and highly respected by his neighbors and all who knew him.

Funeral services will be held today at Newmansville, in charge of Rev. W. O. Calhoun, with interment in the Lutheran church cemetery.

REYNOLDS.

John Taylor Reynolds died Feb. 23, 1907, at his home at Johnstown, Clarion county, aged 59 years, two months and 21 days. He was born in Barnett township, Forest county. He was engaged a number of years in the lumber business, but has been on invalid for over twenty years, his affliction being rheumatism. He was married to Miss Mahala Edmiston of Clarion county, May 5, 1868, who survives him, together with four children, as follows: Walter, of Johnstown; Mrs. Stephen King, of Whig Hill; Ohnie, of Balltown; and Mrs. W. E. Withereil, of William, W. Va. Five grand children also survive. He was a consistent member of the United Evangelical church. The funeral services were conducted by Rev. Miller at the Evangelical church at Lickingville, on the 26th ult. Mr. Reynolds was a member of Yokohama Lodge No. 832, I. O. O. F., which order had charge of the funeral.

Mrs. H. E. Gillespie called on friends at Hastings on Tuesday afternoon.

Letter to G. G. Gaston, Tionesta, Pa.

DEAR SIR:—We asked City Drug Co., Crystal Springs, Miss., to sell Devos. They wanted to know, of their own knowledge, how it compared with another paint they knew all about—it was sold right there, and considered good.

They painted the house of W. B. McCune two coats on purpose to test the two paints against one another: one coat Devos 6 gallons; the other coat that other paint 10 gallons. Difference \$20; \$7 for paint, \$13 for labor.

That other paint is made in New Orleans; is pure; is considered an excellent paint, and has a good deal of local goodwill.

But the standard of paint has been low all through the southwest. That paint is thin; it is, you see, six-tenths of a paint. Devos saves \$20 over it on half a small job.

It is a case of local best compared with actual best.

Yours truly,
F. W. DEVOS & CO.,
