In this week. Mrs. Bessie Carbaugh and Miss Bertha Burdick were callers at the Shonp house

Both style and value we know we can give you both in our Men's Suits. It is our ambition to give our customers the best tailoring, best fitting and the best materials in their suits that can be bought, and if our suits do not hold their own for quality, style and value, return them and get your money back.

We have them in blue serges, dark and light greys and fancy mixtures; whatever becomes you best you can find right here and we would suggest that you come in and look them over.

Prices, \$12, \$15, \$16, \$18, \$20, \$25, \$30.
