He Was Hurled to the Roadside.

Buffalo, June 4 .-- Harry Hamlin, one of Buffalo's best-known and wealthlest citizens, was killed in an automobile accident on the Williamsville road, a mile north of the city line late yester-

Mr. Hamlin's automobile collided with a light wagon driven by Jacob Schaller, a retired butcher, of Buffalo. Hamlin was hurled to the roadside and instantly killed. Schaller was badly hurt but will recover. John Heckel, a 12-year-old boy who was in Schaller's rig, was fatally injured. Both his legs were broken and his skull fractured.

In the automobile with Mr. Hamlin were Anthony Gavin, a member of the Buffalo police force, and two of Hamlin's employes, one of them acting as chauffeur. Opposite the Country club two automobiles going in the same direction passed the Hamlin party. The road was covered with a heavy coating of dust and the two rapidly moving machines left a dense cloud of dust in

Schaller and the boy were driving toward Buffalo and the automobiles were going in the opposite direction toward Williamsville. The first two machines passed them well to the right. Schaller was peering ahead through the dust when Hamlin's machine flashed directly in front of him.

The automobile struck the horse, tearing off its front legs and carrying the wreckage of the wagon 200 feet down the road. Schaller was tossed to one side but the boy was jammed into the wreckage of the rig and the front of the automobile. The left front wheel of the automobile came off
