COUNTY.

County Treasurer, GEORGE W. HOLEMAN, of Tionesta

Candidate Holeman.

George W. Holeman, the nominee of the Republican party for treasurer of Forest county, was born at Holeman Flats, on the banks of the Allegheny river, at what is now known as Hunter Station, and has spent practically all his life in the vicinity of his birth, being now about fifty years of age. From boyhood he has earned his living by honest toil in the lumber woods, on the farm, at building flat boats, and for the past dozen years or so as a driller. He is a man of good moral character and has repeatedly been elected a member of the school board and of the borough council, serving his people faithfully and intelligently. As a citizen and gentleman he ranks with the best we have, is a genial, every-dayalike fellow, and in all his circle of acquaintances there is not one who will say he ever knew George Holeman to do a mean act. Educationally he is well equipped to perform the duties pertaining to the office to which he aspires and will give a good account of his stewardship if entrusted to look after the funds of the county. The Republican party of Forest county never put up a cleaner candidate for any office than George Holeman, and he richly deserves the hearty support of every loyal member of the party.

The Birth of the American Flag

An address to the American people. Friday, the 14th of June, will be the one hundred thirtieth anniversary of the birth of the flag of the United States. The flag was designed for a nation of thirteen colonies, stretched like a belt along the Atlantic coast, made up of less than 3,000-000 of people without common traditions or languages; drawn together only by a common danger from savages within, and oppression from without, which threatened their existence and liberties, That flag now waves over a great pation. extending from the Gulf of Mexico to the Lakes; from the Atlantic to beyond the Pacific Sea; and inhabited by nearly

ninety million of people, who speak a common language. Our flag is now-in form-the oldest excellent sermon delivered by Rev. Coffflag of civilized nations. The resolution man to the members of Eli Brlin Post by Congress for the adoption of the Stars and Corps, and Stripes on June the 14th, 1777, was as follows: "Resolved that the flag of the tions, headed by our faithful band, went United States be thirteen stripes, alter- to Whig Hill for general decoration sernate red and white; that the Union be vices. Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence, every man must from necessity be his own doctor for this class of allments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and

enjoy a good reputation. Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough. by local applications, as they cannot reach the diseased portion of the ear.
There is only one way to cure deafness,
and that is by constitutional remedies.
Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets in-flamed you have a rumbling sound or imperfect hearing, and when it is entire-ly closed dearness is the result, and un-less the inflamation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh)
that cannot be cured by Hall's Catarrh
