—A pretty home wedding took place Tuesday, June 11th, at the home of the bride's parents, Mr. and Mrs. H. Nugent of Lynch, when their daughter Mina was united in marriage to Newell Hart, of Russell, by Rev. Davidson, of Nansen. After receiving congratulations an elegant wedding dinner was served.

—The Jenks township school board, at its meeting last Saturday, elected the following teachers for the ensuing year: Kelleetville, No. 4, and Principal of the Township High School, Robert W. McWilliams, of Edinboro Normal; No. 3, Kate Gouther; No. 2, Blanche Hendricks; No. 1, Pearl Dougherty; Mayburg, No. 2, Maude Berlin; No. 1, Alice McCrea; Buck Mills, Goldia Hill; Newtown Mills, Anna Blausier; Ross Run, Howard Zuendel; Whig Hill, Julia Anderson; Starr, Beulah Miller; Muzette, Nellie McClary; Thompson, Florence Jensen. Length of term, eight months, to begin September 2d. Salaries will be fixed by the law and grades of certificates.

—Charles Carnahan, of Tidoute, who was in Tionesta last Wednesday evening with his automobile, had a break-down and narrow escape from a serious accident on the river road in the upper end of town. He had with him in the machine Walter Cowan, of Oil City, Q. Jamieson, of this place, and another gentleman, and was coming down the road at a lively pace when the two left wheels of the machine gave way, leaving the car drop to its side, in which position it slid for quite a distance. Mr. Cowan was thrown out, receiving several scalp wounds and a disfigured nose, besides being considerably jarred. The other passengers were not injured. Two new wheels repaired the damaged machine the next day.

—According to reports received from local fishing circles, the man who goes trout fishing stands a good chance of coming back without any shoes. On Monday an angler, who had hidden a pair of shoes under an old building and donned rubber boots, returned to discover that some hungry animal had eaten the greater portion of them. On the same day "Billy" Lamoreaux caught his light shoes under a log on Hickory creek, replacing them with wading boots. When he returned he found no vestige of any shoes and the probabilities are that they were discovered and appropriated by a tramp. He was accompanied on the trip by J. B. Foraker, and between them they brought home 40 trout.—Oil City Derrick.

—Wm. Stanley, one of the constables of this place, who has been on the lookout for fishermen who might have trout in their possession under size, was arrested yesterday in Elk county charged with having three trout in his possession under size. He was also charged with trespassing, as he was found on a stream of the McKean Chemical Co. which had been posted. Mr. Stanley was taken before a justice who fined him \$30.00 for having three fish in his possession under size, and \$7.00 for trespassing. He claimed he had no money, therefore he is serving a thirty-seven day sentence in the Ridgeway jail.—Kane Republican, 18th.

—A Pleasantville ball team came over last Friday and played a picked-up team of local boys. For the first few innings the game was fairly close but after that the visitors were hopelessly distanced in the race for the home plate. Tionesta's line-up was, Stroup, p., Crawford, c., Hagerty, lb., Weaver, 2b., Brankhead, 3b., Haslet, s., E. Lawrence, rf., Hepler, mf., Hill, lf., and P. Blum, cf. Pleasantville lined up as follows: Benedict, p., Scott, c., Lytle, lb., W. Roth, 2b., B. Roth, 3b., Marshall, s., Burgwald, lf., Herrick, mf., and Archer, rf. Marshall, Lytle and Scott relieved Benedict and did the pitching after the fourth inning. Score by innings: Tionesta 3 2 0 5 0 0 0 1 9 16 2 Pleasantville 0 3 0 0 3 1 0 0 7 8 6

—Benjamin Robinson, an oil well pumper employed on the lease of R. J. Straight, at Russell City, Elk county, was shot by Thomas Riley, a neighbor, at 4 o'clock Friday afternoon and died at 6:30 p. m. Robinson had been returning to cross Riley's field while returning from his work of pumping the wells and Friday morning had been warned by Riley to keep off the property. He did not take the threats of Riley seriously and in the afternoon started to climb the fence on the Riley property when the owner fired at him with a heavily loaded shot gun. Both eyes of the unfortunate man were torn out and a large portion of the shot entered his brain. Robinson was aged 24 years and is survived by his wife and two small children. Riley gave himself up to the sheriff and was lodged in the Ridgeway jail.

—Our townsman, ex-Sheriff Geo. W. Sawyer, left for Boston, Mass., on Friday night in response to a message announcing the death of his brother, Charles W. Sawyer, which occurred in Somerville, a suburb of Boston, on the morning mentioned. Mr. Sawyer was looked upon as one of the first citizens of his community, being prominent in all its business, social, political and fraternal affairs, and who took a deep interest in the promotion of the city's every interest and welfare. Mr. Sawyer was aged 74 years. His wife died in 1894, and one son, Dr. Edward K. Sawyer, survives. He is also survived by three brothers, George W., William and Albert Sawyer. The press of his community speak eloquent eulogies of the excellence and worth of this popular citizen. Funeral services were held Sunday afternoon at his late residence. Before leaving for Boston Mr. Sawyer informed us that the death of his brother made the eighth death in the Sawyer family since September last.

Closing of the Summer Normal. The Forest County Summer Normal and School of Methods will soon be a thing of the past. This week brings the close, the examinations being held Wednesday and Thursday and the entertainment at the court house Thursday evening. The summer school has been an excellent institution and was made possible only by the untiring efforts of Supt. D. W. Morrison and the liberal contributions of the prominent business men of the town and county. That it has been a success was proved by the great interest shown by the one hundred and fifty students in daily attendance in the various departments. The corps of instructors has been most excellent, each instructor being especially fitted for his line of work. Supt. Morrison and Prof. G. W. Mitchell had charge of the teachers' training classes and high school work, Mrs. William Macdonald of the primary methods and model school work, and Miss Elizabeth P. Davis of the physical culture department. Most excellent work has been done in all these departments and the teachers, as well as the students, have been more than pleased with the results. It is to be hoped that the summer school will become a permanent institution. In recognition of the work done by Supt. D. W. Morrison in behalf of the schools of Forest county and as a mark of the esteem and friendship in which he is held, a fine upholstered leather rocker was presented to him and his wife last Saturday by the teachers and students of the summer school. That it was appreciated by them is shown by the following letter which was sent to one of the chair committees: Haying time is a time of hurry and hustle. Every moment counts. That's when you want to know that your haying tools are going to work and not balk. The Johnston Steel Hay Tedder is a tool you can tie to at haying time. No matter if the hay is wet and heavy or dry and light, the Tedder does its work just the same, does it without jar or strain and with least possible friction. No two forks touch the ground at the same time. The steel angle and pipe construction makes the Tedder the nearest, lightest, strongest, most compact and durable tedder on the market. Runs light, works right. The Johnston Book describes it—tells how it's made, how it works and why it's the Tedder for you to buy, also describes our full line of "Not in the Trust" tools for the farm. The book is free, write for it today. THE JOHNSTON HARVESTER CO., Hatavia, N. Y.

To the Forest Co. S. S. Association. BROCKWAYVILLE, PA., June 24, 1907. DEAR MR. EDITOR:—May I make a statement to the Forest Co. S. S. Association through your paper? At the Convention at Kelleetville, one year ago, the fact was revealed that Forest County had not paid anything to the State Association. Mrs. Watson pledged \$20.00, with the understanding that the County President makes an attempt to raise this amount from the County Association. The result of my effort was \$49.50. Paid to Mrs. Watson, \$23.50. Mr. Wenk \$2.50, for letter heads, \$1.50 for stamps and other stationery. The State Treasurer \$20.00. Total paid out \$47.50. I have a \$2.00 check which Rev. Mr. Calhoun sent me some time ago, which I have signed and sent to the County Treasurer. There are some other pledges yet unpaid. I forgot to make this statement at the Convention at Tionesta. Sincerely yours, PAUL J. SLONAKER, Ex-President.
