Republican Ticket.

STATE. State Treasurer, JOHN O. SHEATZ, of Philadelphia. COUNTY. County Treasurer, GEORGE W. HOLEMAN, of Tionesta.

JOHN O. SHEATZ, Republican Nominee for State Treasurer.

NAVIGATING the air, discovering the north pole and electing a Democratic president are three dubious problems of the future.

POSTAL receipts throughout the country are much larger than they were a year ago, which is equivalent to saying that business in general is unusually prosperous.

THE danger of a row at the Hague conference is considerably lessened by the fact that there is no likelihood of anybody springing the question "What is a Democrat?"

IN order to get ahead of the president, the legislatures, the Interstate Commerce Commission and everybody else, the railroads threaten to put in a universal 2-cent rate.

SINCE the N. Y. World still appears to be receiving answers to the question "What is a Democrat?", we venture the suggestion that it is a male person who seldom acquires a sore throat as a result of cheering the election returns.

A TENNESSEE Democratic paper is of the opinion that "Southern leaders are numbly and dumbly acquiescing in the third sacrifice of their party on the altar of William Jennings Bryan's political ambition," and yet "they appear to realize that he can not be elected." Perhaps a willingness to share in continued prosperity has something to do with the numbness and dumbness.

FRANCIS MURPHY, the great temperance evangelist, died at his home in Los Angeles, California, on Sunday last, after a lingering illness. He was aged 71 years and is survived by his widow, three sons and two daughters.

AT the Democratic state convention in Harrisburg last week John C. Harman, of Columbia county, was nominated as the party's candidate for state treasurer. The platform makers kicked a Bryan resolution out of the synagogue and went the limit on state issues, entering a belated kick on the capital scandal, which is being vigorously condemned and prosecuted by a Republican Governor and legislature.

SENATOR KNOX again demonstrates his remarkable capacity for getting at the meat of a subject. In his speech at Yale he vindicates beyond question the constitutional correctness of the Roosevelt policy of government supervision of railroads, and at the same time puts a quietus on the talk of certain alarmists about the rights of the States being in danger. The line of demarcation to which the Federal power may be exerted without encroaching on the State rights is clearly pointed out by the brilliant Pennsylvania Senator.

Human Greed.

Human greed is an ugly characteristic. It is greed that makes men dishonest, unreliable and unamiable. Greed rifies the exchequer and plots the traitor's treason.

And greed is going to be the bane of the Panama Canal. The motive which inspires many people to go to the Isthmus is not to help Uncle Sam to build the canal, but to line their pockets with unearned gold. Already there is an unseemly scramble for lucrative places down there, and a mad rush for big profits.

President Roosevelt and Secretary Taft are said to be appalled by the situation and have concluded to adopt heroic measures. The interference of politicians in the selection of suitable and desirable employees is also a menace to the success of the enterprise, and the plan of letting the whole thing out by contract is being seriously considered.

tolerate the prevailing conditions, and that all those who have gone to Panama with the idea of exploiting the Government will be given clearly to understand that they must either render an equivalent for their salaries and emoluments, or get out.—PUNNY SPIRIT.

The Indian Territory.

SAULPA, IND. TER., June 29, 1907. ED. REPUBLICAN:—Thought that a few lines from this country would be interesting to the people of Forest county. Starting from West Virginia I took a boat sixty miles below Wheeling bound for Memphis, Tenn. It was a grand trip. Laid over at Cincinnati two days for boat Peter Lee, which makes a trip every two weeks; 750 miles from Cincinnati to Memphis. From Memphis went to Springfield, Mo., 350 miles; from Springfield to Sapulpa, which is 450 miles west of St. Louis. The climate here is fine; very warm but a good breeze and cool nights. Anything that you plant will grow here. We have ripe watermelons, green corn, ripe peaches and tomatoes. This town has 4,000 population and in two years will have 12,000, three banks, electric light, ice plant, and the greatest oil field in the world, as well as vast gas territory. I would rather be out here broke than be in the east with one-half money to go into business. Money is plenty; wages good. People here are from all parts of the United States and very friendly. There is a \$45,000 five-story hotel building. Plenty of Indians and negroes here. This is a great fruit country. Cotton and corn are the most raised here. Cattle roam by the thousands here. I met Mr. Shimp, a son of the late Isaac Shimp, a former Forest county boy. He is anxious to read my Forest County REPUBLICAN each week. Carpenters get \$3.50 to \$4.00 a day and are scarce. Rent is high and houses very scarce. They raise two crops of potatoes here a year; planting for the second crop now. There is a caravan here this week, lasting four days. Four tribes of Indians will be here to participate. Everything here is up to date. Nothing less than a nickel goes here. The Frisco R. R. has just completed an \$85,000 station here, the finest this side of St. Louis. Train service is very poor. Freight rate five times higher than in the east. I will close for this time, thinking you will be tired of this letter. Hope all the people in Forest county are well and prosperous. Yours truly, JOHN J. GREEN.

—There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Best Medicine in the World for Colic and Diarrhoea.

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skrum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the twenty-five cent Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man." For sale by Dunn & Fulton.

DIRECTIONS.

For Felons, Boils, Burns, Cuts and Bruises. Take absorbent cotton about the size of a dollar bill and place San-Cura in the center as large as a silver dollar and twice as thick; then cover the finger or thumb, especially if a felon, which is often on the thumb or finger, and tie on with thread for 24 hours, if necessary, to draw out the felon or boil. San-Cura is a certain cure, removing the pain in a few minutes and drawing out all pus and matter without the necessity of lancing. San-Cura is better than any poultice; it keeps the parts soft and clear and cool, removing all inflammation and soreness at once. 25 and 50 cents. We have sent San-Cura fourteen thousand miles through the mail to Sumatra, Brazil, Cuba, California and the territory of all druggists. Thompson Medical Co., 8 and 10 Diamond street, Titusville, Pa. Dunn & Fulton.

Take the Postmaster's Word for It. Mr. F. M. Hamilton, postmaster at Cherryvale, Ind., keeps also a stock of general merchandise and patent medicines. He says: "Chamberlain's Colic, Cholera and Diarrhoea Remedy is standard here in its line. It never fails to give satisfaction and we could hardly afford to be without it." For sale by Dunn & Fulton.

Cream of the News.

—Many a man sows wild oats at his leisure that his children must reap in haste. —San-Cura Ointment cures piles, eczema and any skin disease. We've a fine line of men's and boys' suits, shirts, collars, cuffs, ties, shoes, hats, etc., wherewith we can fit you out from head to foot at nominal cost. Hopkins. —We are always too young to have known better if our mothers are the judges. —Dades Little Liver Pills keep the system clean, the stomach sweet. Prompt relief for headaches and biliousness. Good for all the family. Sold by J. R. Morgan. —Many a man who looks wise can't make a living at it. —The bites and stings of insects, sunburn, cuts, burns and bruises relieved at once with Pine-salve Carboline. Acts like a poultice. Draws out inflammation. Try it. Price 25c. Sold by J. R. Morgan. —How long the days seem when you are short of money! —Pineoles are for the Kidneys and Bladder. They bring quick relief to backache, rheumatism, lumbago, tired worn out feeling. They produce natural action of the kidneys. 30 days treatment \$1.00. Money refunded if Pineoles are not satisfactory. Sold by J. R. Morgan. —One method of dodging popularity is to give your neighbors advice. —Man Zan Pile Remedy comes put up in a collapsible tube with a nozzle. Easy to apply right where the soreness and inflammation exists. It relieves at once blind bleeding, itching or protruding piles. Guaranteed. Sold by J. R. Morgan. —A Missouri editor has figured it out that a man swears to keep from crying, and a woman cries to keep from swearing.

The Doctor Away From Home When Most Needed. People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by Dunn & Fulton.

—Mr. W. Grant of Cambridge Springs Pa., says: "I was troubled with boils on my arm, twenty-eight in number, keeping me awake nights for weeks. I was constipated and my head ached. I used two bottles of San-Cura Blood Cleanser and one bottle of San-Cura Ointment which made a complete cure in a very short time. I cannot say too much in their praise. I had tried many remedies and had given up all hope. I also used San-Cura Ointment a year ago for Piles. I had suffered thirty years paying out hundreds of dollars for so called cures. I guarantee San-Cura, if used as directed. It stops the pain at once." Sent by mail on receipt of 50 cents. Thompson Medical Company, Titusville, Pa. Dunn & Fulton.

Bad Burns Quickly Healed. "I am so delighted with what Chamberlain's Salve has done for me that I feel bound to write and tell you so," says Mrs. Robert Myton, 47 John St., Hamilton Ontario. "My little daughter had a burn on her knee. I applied Chamberlain's Salve and it healed beautifully." This salve allays the pain of a burn almost instantly. It is for sale by Dunn & Fulton.
