Birds and Kites.
No bird, so far as known records show, has ever alighted on a kite or attacked one. While a scientist was flying a train of five kites some years ago a large silver tipped eagle came suddenly out of the higher air and swooped round and round the first kite, looking against the sunset sky like a huge silver ball. As the train of kites was pulled in the eagle followed, visiting one kite and then another, seeming uncertain just what to do. In a few minutes, when he seemed to have decided that they were not good to eat and he knew nothing about them, anyway, he indignantly flew off and was lost to view. While the scientist's kites were high in the air one March

Books of geese flying in the wedge flew over. They invariably stopped, broke up, hovered above the queer object and at last slowly reformed and flew away. While the larger birds all come from heights above the kite, the small birds of the air will alight on the string holding the kite and sway to and fro.

"The dear, dear girls!" exclaimed Mrs. Pawkins, looking at her fashionable daughters enthusiastically.
"Yes, the dear, dear girls!" muttered Mr. Pawkins despondently.

Man yields to custom as he bows to fate—in all things ruled, mind, body and estate.—Cralle.

Extraordinary Shirt Waist Suit Sale Thursday.
35 White India Linen Suits
\$2.75 each.

That isn't anything near what these suits are worth, but we'll refrain from mentioning the actual value, though the temptation to do so is great. These were to have been delivered May 15th. They actually reached us some two weeks ago. We notified the manufacturer that on account of late delivery we would not accept them. Then followed a lengthy correspondence which ended in his accepting a price proposed by us, and we were mighty careful to bear in mind that we're conducting a

Half Price Sale
in the cloak room, and fixed the price accordingly. Cautiously we were more than glad to get them at our price.
The season for Shirt Waist Suits is just at hand. The material suits are made of white India linen. Tucked waist, buttoned down front, short sleeves. Tucked collar and cuff. Tucked skirt. A summer suit chance that these warm summer days should make doubly interesting. See the suits in the window today and mark the price, \$2.75. Not on sale till Thursday.

20 dozen Long White Milanese Lisle Gloves, 75c pair.—This store has no desire to charge an exorbitant price for long gloves. A fair margin of profit only is asked. We use our best endeavor at all times to secure the best values the market affords. Because of the scarcity we are unable to dictate either quality or price. This little lot of gloves mentioned above we were fortunate enough to secure at a very low figure. So instead of a dollar or even a dollar and a quarter, which price these gloves would undoubtedly command, we say 75c pair. Beautiful soft Milanese finish, neatly stitched back, pretty as silk and a lot more serviceable.

Every Remnant is measured and ticketed, showing number of yards in the piece, former price per yard and the price for entire piece is marked in Red Ink.

Remnant Day Prices in the Cloak Room.
