REPUBLICAN COMMITTEE MEETING

The Forest County Committee Adopts New Rules and Elects a Chairman.

Pursuant to call of the Chairman, Dr. J. C. Dunn, the newly elected Republican County Committee of Forest county met at the Court House in Tionesta, Friday July 26, 1907, at 2 o'clock p. m., and was called to order and the object of the meeting set forth in a few remarks by the Chairman. It developed that the borough and seven of the eight townships of the county were represented. The meeting was organized by the election of A. C. Brown, Esq., as president, and Geo. L. King as secretary. A draft of the new rules was submitted by Dr. Dunn, and after a thorough discussion of the same and the adoption of some important additions and amendments the entire set of rules was adopted section by section, the votes in each case being unanimously in the affirmative. Upon the completion of this work the committee proceeded to the election of a chairman for the ensuing year, and the choice fell to County Treasurer Wm. H. Harrison, his being the only name presented.

The new rules adopted seem to cover the ground completely, and it is believed will be entirely satisfactory to the Republicans of the county. Lack of space prevents their publication in this issue of the REPUBLICAN but next week we shall publish them in full. Upon the completion of the other business the following resolutions were presented and adopted unanimously by the Committee:

Resolved, 1st. That we, the representatives of the Republican party of Forest County, in convention met, hereby reaffirm our adherence to the principles of the Republican party as enunciated in its various platforms, both State and National.

2. We hereby endorse the wise and progressive administration of President Roosevelt, and highly esteem his successful efforts to control and restrain illegal combinations in restraint of trade, and the abolition of the iniquitous rebate system which our people have suffered and endured so long, and we commend his fearless stand in defense of the people's rights against corporate greed.

3. We heartily commend the wise and consistent administration of Governor Edwin S. Stuart, and point with pride to his fidelity in carrying out every pledge made to the voters and citizens of the State during his campaign, and his persistent determination to ferret out and bring to justice any and all that are in any way responsible for, or connected with, the humiliating capitol scandal.

4. We denounce in unmeasured terms the graft and dishonest practices in connection with the building of the State Capitol, and desire hereby to emphasize the fact that the citizens of Pennsylvania will be satisfied with nothing short of a thorough sifting of all the transactions connected therewith, and the punishment of any and all guilty parties, both by civil and criminal prosecution, to the end that the dignity of the great State of Pennsylvania may be preserved, and looters and grafters be brought to justice.

5. We hereby heartily endorse the ticket placed in nomination by the Republicans of Forest County, and pledge to our hearty and earnest support at the November election.

MARS is a brilliant object these nights, yet, at its nearest, is still so far away that astronomers with impunity may find resemblance to a camel, weasel or very like a whale.

SPEAKING of Bryan's continued candidacy a South Carolina paper says: "There seems to be no deliverance from this body of death." A timely notification of the coroner might help.

It is said that a shortage of coal would embarrass our navy on the Pacific. This problem must be still more serious for Japan. Those who fear a speedy bombardment of our western coast may rest easy.

CANDIDATES for governor in New York are now forbidden by law to spend more than \$10,000 in a canvass. Mr. Hearst admits an expenditure of \$26,000 in his race, and the consequential cash damages were much greater. The new law his Hearstism in a vital spot.

The jury in the noted Haywood case at Boise City, Idaho, rendered a verdict of not guilty after being out about 21 hours. The verdict was not a surprise to those who had followed the evidence, the general opinion being that the state had failed to sufficiently corroborate Orchard's story to warrant the conviction of the prisoner.

SOME more Japanese seal poachers have been overhauled by the United States authorities. Instead of raising an international hullabaloo, Japan should be satisfied with an entry of the incident on the station-house slate.

ONE of the laws of Japan forbids the ownership of a foot of real estate by foreigners, and there are in that country many similar legal discriminations against outsiders. Japan has a right to protect itself in such matters, and other countries will claim a similar latitude according to their best judgment.

Best Medicine in the World for Colic and Diarrhoea.

"I find Chamberlain's Colic, Cholera and Diarrhoea Remedy to be the best remedy in the world," says Mr. C. L. Carter of Skirum, Ala. "I am subject to colic and diarrhoea. Last spring it seemed as though I would die, and I think I would if I hadn't Chamberlain's Colic, Cholera and Diarrhoea Remedy. I haven't been troubled with it since until this week, when I had a very severe attack and took half a bottle of the twenty-five cent Chamberlain's Colic, Cholera and Diarrhoea Remedy, and this morning I feel like a new man." For sale by Dunn & Fulton.

DIRECTIONS

For Felons, Boils, Burns, Cuts and Bruises. Take absorbent cotton about the size of a dollar bill and place San-Cura in the center as large as a silver dollar and as thick; then cover the finger or thumb, especially if a felon, which is often on the thumb or finger, and tie on with thread for 24 hours, if necessary, to draw out the felon or boil. San-Cura is a certain cure, removing the pain in a few minutes and drawing out all pus and matter without the necessity of lancing. San-Cura is better than any poultice; it keeps the parts soft and clear and cool, removing all inflammation and soreness at once. 25 and 50 cents. We have sent San-Cura fourteen thousand miles through the mail to Sumatra, Brazil, Cuba, California and the territory of all druggists. Thompson Medical Co., 8 and 10 Diamond street, Titusville, Pa. Dunn & Fulton.

Our opinions are like our visits—more appreciated when not forced upon people.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

Constipation.

For constipation there is nothing quite so nice as Chamberlain's Stomach and Liver Tablets. They always produce a pleasant movement of the bowels without any disagreeable effect. Price, 25 cents. Samples free. Dunn & Fulton.

Mr. W. Grant of Cambridge Springs Pa., says: "I was troubled with boils on my arm, twenty-eight in number, keeping me awake nights for weeks. I was constipated and my head ached. I used two bottles of San-Cura Blood Cleanser and one bottle of San-Cura Ointment which made a complete cure in a very short time. I cannot say too much in their praise. I had tried many remedies and had given up all hope. I also used San-Cura Ointment a year ago for Piles. I had suffered thirty years paying out hundreds of dollars for so called cures. I guarantee San-Cura if used as directed. It stops the pain at once." Sent by mail on receipt of 50 cents. Thompson Medical Company, Titusville, Pa. Dunn & Fulton.

The Doctor Away From Home When Most Needed.

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician ever prescribes a better medicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by Dunn & Fulton.
