

The Smart and Silberberg Co.

A Store that Gives the Most Value Every Time, All the Time.

Because on account of the volume of business done and the enormous output we can buy for less from the manufacturers.

This makes the Smart & Silberberg Co. the best store to deal with for very inexpensive goods as well as for medium and high grade goods.

We could not afford if we had the desire with our large clientele to sell any but trustworthy merchandise no matter how little the price. This makes the Smart & Silberberg Co. also the safe store for people with little to spend.

We do not say "pay little, get much," but we do say that paying little for goods in this store brings larger and more satisfactory returns than in other stores.

Whether much or little is paid for what you buy you'll get the most genuine value that your money has ever brought.

THE JOHNSTON Steel Tedder

Haying time is a time of hurry and hustle. Every moment counts. That's when you want to know that your haying tools are going to work and not balk. The Johnstons Steel Hay Tedder is a tool you can tie to at haying time. No matter if the hay is wet and heavy or dry and light, the Tedder does its work just the same, does it without jar or strain and with least possible friction. No two forks touch the ground at the same time. The steel angle and pipe construction makes the Johnstons the nearest, lightest, strongest, most compact and durable tedder on the market. Runs light, works right. The Johnstons Book describes it—tells how it's made, how it works and why it's the Tedder for you to buy, also describes our full line of "Not in the Trust" tools for the farm. The book is free, write for it today. **NOT IN THE TRUST**

RESOLVED: That physicians or others in charge of hospitals situated in cities or boroughs shall report cases of diseases hereinafter specified occurring in cities and boroughs to the respective local Boards or Bureaus of Health or Sanitary Committees of such cities or boroughs, daily, and report all such cases of communicable disease received from territory outside of cities or boroughs to the State Department of Health at Harrisburg at the end of each week.

Fire Sale.

The largest and swiftest shoe sale ever known in Venango county took place since the fire of June 28th. When we opened our store on July 5th with 16 salespeople we discovered that our large force was insufficient to handle the people. We can truthfully state that 75 per cent. of our entire stock was sold during this sale and we will dispose of the balance, as we do not intend to start the fall and winter seasons with anything except an entire new and up-to-date stock. We had our orders for fall and winter placed three months ago and these goods are arriving daily, and any one who wishes to inspect our new stock with the idea of purchasing or not we shall be pleased to show them.

Our Fire Sale will continue till every pair previous to the fire is disposed of.
