Mid-Summer Display and Sale of Undermuslins to Last One Week.

First August Sale of Muslin Underwear we've ever conducted. But we're going about it in a thoroughly aggressive manner with the full determination to make a success of it, and to any one at all in-

terested we promise to make it well worth their while to attend. These Undermuslins were bought in October of last year. Since then Long Cloths, Cambrics, Nainsooks, Embroideries and Laces have advanced from 20 to 30 per cent. In not one single instance has the price been advanced here.

During this sale we will allow on all garments selling at 75c and upward a discount of 10 per cent.

The five large center aisle tables will contain the display. The garments will be arranged in lots according to price with large price ticket. These are the regular prices, and all this week will be subject to a discount of 10 per cent. Come whether buying or not-you'll see a display that would do justice to some of the large city department stores.

THE CALL OF THE SEA.

"The water is fine : come in !"

This is the call of the sea, the generous invitation of Old Neptune to partake of the delights of his realm, and it comes clear and distinct from each of the points in the greatest chain of seashore resorts in the world-the wave-washed New Jersey

Gay Atlantic City; witching Wildwood; New Cape May in the first flush of its rejuvenation; Sea Isle City, Ocean City, with their smaller sister-resorts nearby; Asbury Park and Long Branch where sylvan shades meet incoming billows-each echo the call to young and old: "Come one; come all!"

Unequalled opportunities are offered to pay a visit to the Southern New Jersey sea coast resorts in the great seashore excursions of the Pennsylvania Railroad now being run at frequent intervals.

From Buffalo, Rochester, Erie, Titusville, Kane, Renovo, Canandaigua, Elmira, and other stations in Northwestern Pennsylvania and Western New York the remaining dates are August 16 and 26.

Tickets are sold to Atlantic City, Cape May, Wildwood, Sea Isle City, and Ocean City at very low rates. These tickets are good for return passage within fifteen days, including date of excursion, and are good to stop off at Philadelphia on the return trip within limit.

Full details of these fine outings beside the sea may be obtained of Ticket Agents.
