Special Sale of Children's
Ready-to-Wear
DRESSES.

Mothers appreciate the fact more and more that it is possible to visit a place like our children's outfitting department and secure ready-to-wear garments at nominal cost that are well made and well fitting. Truly the old regime of sewing by gas light to prepare the little ones for school is past and gone. A visit to our well ordered department obviates the necessity. In the course of the season certain lines become slightly soiled from handling. In such cases a substantial reduction is made, and a very slight effort on your part will set them right.

REPUBLICAN FLAG UP

State Headquarters Opened and Campaign Is Under Way.

CLUB MEN TO TAKE LEAD

An Aggressive Canvass to Be Inaugurated With the Gathering of the Leaguers at Their Convention in Harrisburg.

[Special Correspondence.]

Harrisburg, Sept. 10.

While the Republican state committee headquarters were opened in Philadelphia this week, the campaign for the election of the Republican nominee for state treasurer, John O. Sheatz, it is believed, will not be inaugurated until the meeting of the state convention of the Republican League of Clubs, which will be held in this city on Tuesday and Wednesday, September 24th and 25th, respectively.

It is predicted that there will be a large attendance at this convention, and there is promise of some brilliant oratory from gifted sons of Pennsylvania, who will tell of the splendid character of their standard bearer in the state campaign, and of the enthusiasm with which his nomination has been received by his fellow citizen throughout the commonwealth.

Reports that come here from the various counties of the state all confirm the claims of Colonel Wesley R. Andrews, chairman of the Republican state committee, that the party organization was never more harmonious, nor never more loyal to a ticket than it is today.

Colonel Andrews, while he has delayed the opening of the state headquarters until this week, has been in correspondence with the chairmen of the Republican county committees and others active in the organization all summer, and there is undoubted evidence that much preliminary work has been done in the way of qualifying the voters in the matter of the payment of taxes and in interesting those who are obliged to be personally registered under the recently enacted legislation in this very important feature of the campaign.

Must Qualify Voters.

While voters in first and second class cities still have an opportunity to be personally registered on Tuesday, September 17th, and Saturday, October 5th, the residents of third-class cities have also two days more for registration—Tuesday, September 17th, and Saturday, October 19th.

Under the election laws of Pennsylvania, every citizen, to be qualified to vote at next November's election, must have paid a state or county tax within two years.

The last day upon which taxes can be paid to qualify voters for the next election will be Saturday, October 5th. Citizens in Pennsylvania living outside of cities are not required to be personally registered.

It is expected that there will be thousands of visiting Republicans not connected with the Club League come to this city during the days of the convention gathering to meet Mr. Sheatz and the others of prominence in the Republican party who will be in attendance upon the convention.

Candidate Sheatz has evidently made a fine impression wherever he has been, for there is a great demand to have him to address meetings in different counties, and there is going to be a real old-fashioned spirit in the campaign when it gets well under way.

Many Dauphin county Republicans were present at the recent meeting at the Grangers picnic at Williams Grove, when Mr. Sheatz was the principal orator, and they were delighted with the impression he made upon the voters and the manifest sincerity of his pledges to conduct the office of state treasurer as he would his own business, and to be upon the alert to check extravagance or any illegal raids upon the money of the people.

Sheatz's Ideal State Treasurer. When asked to state the "kind of state treasurer Pennsylvania should have," John Oscar Sheatz wrote the following:

"He must realize that as treasurer of Pennsylvania he is merely acting as trustee of your money and is not the owner of it.

"He must stand ready to pay every just obligation of the commonwealth, and absolutely refuse to pay any sum when the expenditures are not clearly defined by existing laws, or when flagrant extravagance exists. In the latter case the sooner the press and public are made aware of the fact the better for our commonwealth.

"He must be a man who will not take orders from a political boss, or one that cannot be persuaded by promises of future political preferment.

"He must be a man who will not deposit your money in banks, where the influence of those bankers and stockholders, in return for this deposit, is to be exerted for political parties or factions.

"He must make careful business principles prevail throughout the department and have every employe holding his position because of capability and not political pull.

"The foregoing are my thoughts on the question of state treasurership, and if the people of Pennsylvania, after carefully looking up my record as a member of the state legislature during the sessions of 1903-05-06-07 (the only office I have held) find it as being consistent with my views here expressed, then I hope they will vote for me at the coming November election."

Case of Ladies' Extra Heavy Fleeced Underwear at 25c Garment.

Only through our foresight in having placed our order many months ago are we now able to offer a fleeced garment for 25c.

Notwithstanding the very radical advance in price of cotton we have been very fortunate in securing an exceedingly good value to sell for 25c.

We early made up our minds to get a good garment or none at all. You'll find little if any difference between this and the garment we sold last fall at a quarter. Of course we've had to pay a good stiff advance in the price, but you still get a fleeced garment here for a quarter.
