-Among the REPUBLICAN's new advertisers this week is the Dunn & Fulton F. Proper, Mrs. J. E. Wenk, Mrs. B. M. Dewees Pharmacy. This enterprising firm is modern and up-to-date in all respects,

and conducts one of the best drug and state. Everything which the firm haning it an inviting place to deal, your wants always receiving the most careful

and painstaking attention. -The REPUBLICAN is in receipt of a postcard containing a photograph of a He has established a fairly good trade by flourishing looking restaurant in the giving customers the very finest that can hustling town of Parsons, W. Va. In be had in the line of bread stuffs, but his front of the place is the pixture of a facilities are such that he could turn out former Tionesta boy, James H. Hulings, many times as much work as he now has proprietor of the institution, sporting a customers for, and that would afford him big white apron and a "corporation" fit a living profit. The margin of profit on a for an alderman. If Jim doesn't take to barrel of flour at present prices of that dieting soon his old Tionesta friends will not own him if he ever gets back to the exclusive trade of the town and surmake them a visit.

-Farmer John Passauer, of Tionesta township, raised a fine new barn on his farm last Thursday, which event was attended by a large number of his neighbors and friends. The frame went up without a mishap and an old fashioned good time was enjoyed by all after the work was over. A splendid dinner was served by Mrs. Passauer, and as is usual on such occasions, the feast was greatly relished by the men whose appetites had been well whetted up by the busy work and hard lifting.

-The local postoffice, as well as every other postoffice in the United States will count and weigh every piece of mail matter originating in the office during the present week. An accurate account of the revenues derived will be kept. Letters, postal cards and second, third and fourth class matter are to be counted separately and the revenue from each class kept. Every office has already been weighing mail for three months and is under orders to continue to do so until the new year.

-The county commissioners have received from the Secretary of the Commonwealth a copy of the official ballot for the November election. There are but four tickets in the field this year-Republican, Democratic, Prohibition and Socialist, and only one State officer-the and impressive ring service being used-Treasurer-to elect. The candidates of The bride was gowned in a beautiful the parties named are John O. Sheatz, silk net over white silk. John G. Harman, M. H. Stevenson and Samuel Clark, in the order given. To the ballot as received will be added the Mrs. MacDougall left for Titusville, county ticket, which this year includes where they took the train for Pittsburg, but one office, that of county treasurer, where they will stay until October 18th, for which the Republican, Democratic then go on to New York, where they and Prohibition parties have each nominated a candidate.

-A disease among horses that is new to this part of the country has recently appeared in several counties of western Pennsylvania, and is engaging the attention of veterinarians and members of the and highly respected and leaves behind state live stock sanitary board. The latter her a host of friends. The groom is a give to the disease the name of "epizootic young man of sterling worth, highly relymphangitis," though some call it spected by all who know him, and holds African farcy.
