 Never fails. Buy it now. It may save life.

Buyers, coming to the city, should associate in their minds the name "JAMES" with everything that pertains to the matter of wearing apparel for women.

This Cloak and Suit Department, embracing everything in the line of "Ready to Wear" for women, is the most important Department of this great store, and nowhere between Pittsburg and Buffalo will you find such unlimited assortments as are shown here.

**GARMENTS THE PRODUCT OF AMERICA'S BEST WORK SHOPS.**

Priced on a Small Margin of Profit basis that brings the best to you at a lower price than that often charged for inferior garments.

**THE HIGH CHARACTER OF THE SUITS SOLD HERE FOR \$18.00, \$20.00 and \$22.50,**

Has contributed greatly to the prestige of this store's Cloak and Suit Department.

Suits start at \$10.00 and at that price and \$12.50 we show suits of good style and made up of good serviceable suitings.

- At \$16.50—**  
 Suit of navy blue and brown striped chevrot, long jacket, semi-fitting back, patch pockets, button trimmed, satin lined. Full pleated skirt.  
 There's a mannish suit effect about this entire suit that gives a peculiarly distinctive style.
- At \$18.50—**  
 A very dressy suit in blue, black and brown broadcloth, poney jacket, satin lined, button trimmed and welt seams. "Fluffy Ruffle" skirt.
- At \$20.00—**  
 A suit made of a medium weight habit cloth in brown and black. 36-inch tight-fitting jacket, satin lined, side pockets and velvet collar. Full pleated skirt.  
 This is an extremely natty suit, the stitching and superb tailoring showing to best advantage.  
 From \$25.00 the prices run up gradually, \$27.50, \$30.00, \$32.50, \$35.00 up to \$50.00, but because of limited space description of them cannot be given here. At the prices named, \$16.50, \$18.50, \$20.00, \$22.50 and \$25.00, there are many different styles of suits, but one only having been selected for special mention at this time.

**LADIES' SKIRTS.**

We confine our skirt buying to manufacturers who make a specialty of skirts and make skirts exclusively. Find that the skirts are superior in every way to those made by a manufacturer endeavoring to make everything in the way of ready-to-wear.  
 Skirts are not only better, but the prices are less.  
 We'll start description of skirts at \$5.00, although there's scarcely a month of the year we don't have a "Special" skirt sale at \$3.50 or \$7.75 and we've sold at those prices some extraordinary skirts.

- At \$5.00—**  
 Skirt made of a strictly All-Wool Panama. Skirt is made with four small side pleats alternating with double box pleats. Colors are navy blue, black and brown.
- At \$7.50—**  
 Nine-gore Panama skirt, strapped to the knee. Alternating gores pleated from knee down. Black, blues and browns.
- At \$10.00—**  
 Fancy hair line stripe in a black and white Panama. Gores of this skirt are trimmed with straps arranged in a panel effect. This skirt sets the figure splendidly and presents a very handsome trim-tailor-made appearance.  
 The prices of skirts range from this gradually to \$20.00, but at \$12.50 and \$15.00 there are some extremely dressy skirts, artistically designed and trimmed in refined quiet taste.

**ALTERATION DEPARTMENT.**

Our guarantee to make the garment fit you perfectly should be an added attraction of this store's cloak and suit department.  
 The alteration department is in charge of a highly skilled tailoress, thoroughly competent to make any alteration or changes necessary to make the garment fit you perfectly.  
 Having a suit made to your order offers no advantage, in the matter of a perfect fit, over our ability to fit you.

**LADIES', MISSES' AND CHILDREN'S COATS.**

- The first price for a good coat is \$5.00 and at this price there's a good big color and style range.
- At \$5.50—**  
 Long loose 3/4 coat in fancy mixtures, velvet collar, trimmed with large buttons and braided.
- At \$6.50—**  
 Loose fitting 3/4 length coat of black melton cloth, collarless effect, trimmed with velvet braid and buttons.
- At \$8.00—**  
 3/4 length coat of black kersey, made without collar, self strapped over shoulder, straps trimmed with braid, velvet and buttons; neck trimmed in same manner.

**At \$10.00—**

Several different styles at this price. We select for mention here a double-breasted Prince Chap Coat of a heavy grey diagonal, finished welt seams, black velvet collar, 5/8 length.  
 From \$12.50 the prices range up easily—\$15.00, \$16.50, \$18.00, \$20.00, \$22.50 and up to \$35.00.  
 If you've about decided what to pay for a coat there's such a liberal price range you'll easily find something to please you.

**CHILDREN'S COATS.**

Children's Coats range from \$2.75 up to \$15.00. There's one in a large broken plaid at \$3.75, but the coat of which we wish to make special mention is a coat at \$4.00.

Just 18 of these and they're just exactly \$2.00 under actual value. In fact at \$5.00 they would have been an exceptional coat value.  
 A very heavy checked coating in navy blue, brown and red with a deep cape collar strapped with a broadcloth to match the plain color in coat. The broadcloth is then stitched in a neat tailor fashion. Cuff finished the same way. This is a good warm serviceable coat for misses, ages 6, 8, 10, 12 and 14 years.

**A "SPECIAL" IN A CHILD'S COAT, 2, 3 and 4 years.**

A crushed velour and a curly bearskin coat in white and colors at \$3.75. Value \$5.00.

**FINE FURS.**

From the greatest fur city in America—Detroit, Mich.—and the most responsible fur manufacturers in that great fur city, come the furs this store sells.

In buying furs we realize how important it is to have a personal knowledge of the reliability and honesty of the manufacturer.  
 We know good furs when we see them, and absolutely reliable furs are the only kind this store sells.  
 Furs not sold to last a season, but for years.  
 We're just a little bit proud of this store's fur reputation, honestly earned and scrupulously maintained.  
 Every animal that has been unfortunate enough to have his coat prized by fashion is represented in this fur display.  
 Mink, French Mink, Jap Mink, Fitch Marten, Tropical Marten, Brown Ermine, White Fox, Isabella Fox, Squirrel, Poney and from time to time during the season many others.

**FURS FOR CHILDREN, FURS FOR MISSES, FURS FOR WOMEN.**

Sets, Scarfs and Muffs.  
 Neck Pieces, Scarfs, Boas and Throws, \$3.75, \$4.50, \$4.75, \$5.00, \$5.50 and with a rise of a dollar or two up to \$45.00.  
 Sets range \$10.00, \$15.00 to \$70.00.  
 One neat little scarf has a spring concealed in the head of the small animal which opens and closes the jaw, making a very unique mode of fastening the fur around the neck.

**CHILDREN'S SETS**

of Angora, Persian Lamb, Krimmer, Fitch and Marten, \$1.50, \$1.75, \$2.50 to \$6.00.

**LADIES' SILK PETTICOATS.**

A large department with us.  
 The silks used in petticoats sold here is of the dependable kind. No attempt made to get up an elaborate skirt at the expense of good silk. Silk quality the first consideration in our petticoat buying.  
 Petticoats, \$5.00 to \$20.00.

**EXTRAORDINARY SILK VALUES.**

34-inch Black Taffeta ..... \$1.19  
 36-inch Black Taffeta ..... \$1.29  
 Actual value \$1.35 and \$1.50, respectively.  
 A quality this store knows so well we'll guarantee every yard of it.

**\*MILLINERY DEPARTMENT.**

We put a plainly marked price on the flowers, wings, ribbons, velvet foliage or whatever the trimming may be, a fixed unvarying price for the work and the price of the hat when done is the sum total of findings selected, plus the cost of work.  
 When you select a hat you know exactly what it's going to cost you when done.

**POPULAR PRICED HATS.**

By that we mean around about \$6.00, \$6.50, \$7.00 and \$7.50. At any one of those prices we'll design after the best of French or New York models a hat that will not be slighted as to quality of materials, and that cannot help but impress you with the fact that on hats of this price range we put forth the same painstaking effort, and that our endeavor to please is just as apparent, as though the price was to be twice that.

**INFANTS' CAPS, BOYS' TAMS.**

The tams of blue serge and bearskin, the infants' caps of bearskin, velvet or silk trimmed with ribbon or fur—50c and upward.

**One Hundred Misses' Hats, \$1.25, \$1.50 and \$1.75.**

At those prices a hundred trimmed hats, a dozen or so different styles and every color.

**THE SILK DEPARTMENT.**

A \$5,000 silk stock that contains nothing but the most worthy reliable silks to be had.

We're very jealous of our silk reputation. Determined that we shall in no way risk our splendid silk prestige (gained in our eight years of dependable silk selling) by allowing inferior silks to find room on our shelves.

In Black Silks especially has this store built up a remarkable silk business. Due entirely to the reliable, dependable character of the silks sold.

**EXCLUSIVE AGENTS FOR MONEYBAK SILK.**

Silks the manufacturer replaces in every instance in which they fail to give satisfactory wear.

**DRESS GOODS.**

With the possible exception of the cloak and suit department, the most important department in this store. Certainly a greater amount of money invested than any other department except the cloak and suit department. That means unlimited assortments to select from. Those who know this store know that our Dress Goods department from the day the store started has been given great prominence. Here you can find any season of the year the fabrics and colors most highly approved by fashion. What's more they're shown on our counters as early as the large city department stores. Very often a certain color or shade becomes so fashionable that there's a scarcity of it. Such is the case to-day with plums, purples and dahlias. We show them in a variety of weaves from \$1.00 to \$2.50 a yard.  
 Just now plaids and stripes are in great favor. You'll not find a better showing of them anywhere.  
 Upward of a hundred pieces of Dress Goods at the very popular price of \$1.00 a yard.  
 Plain weaves, plaids and stripes.
