# TAILORED SUITS

\$13.75, \$1.500, \$16.50, \$18.50.

Never since we started this Cloak and Suit Department have popular priced suits received so much careful thought and consideration by our cloak and suit buyer as they have this season. First we sought out the very best makers of medium and popular priced suits. You know that's the way the suit business is divided up. Each suit house has their specialties. We shopped from one end of the suit market to the other. One suit from this house, two or three from another, a half dozen from a third and so on 'till we have finally assembled what we consider the handsomest showing of suits between \$12 and \$20 shown by any store in this section of the state.
